**Colonial Boulevard Reconstruction and Complete Street Project
GP 1206
City of Canton, Ohio
Qualifications Due Date: Wednesday, February 27, 2019 at 4:00pm**

Requests for Qualification for Professional Engineering Services are being sought for the Colonial Boulevard Reconstruction and Complete Street Project, GP 1206 by the Canton City Engineering Department. The work will include detailed design of roadway and bicycle facilities, streetscape design, environmental documentation, and right-of-way plan development. Right of way services will be contracted for as a separate process. Interested Engineering firms must submit a qualification package to City of Canton Purchasing Department, 218 Cleveland Ave. SW, 4th Floor, Canton, OH 44702. Five (5) complete copies of the package must be received no later than 4:00 pm on Wednesday, February 27, 2019.

Firms (or Teams) must be ODOT pre-qualified in the categories listed below for this project in the Required Pre-Qualification section. The entire qualification package must not exceed 20 pages. Consultants will be ranked based on the following areas: the firm's background, experience on similar past projects (with particular emphasis on design contracts funded through ODOT and/or with federal transportation funds), past project performance and references, the project team, the project technical approach, and the general presentation of the submittal. All sub-consultants on the project team must be identified and their role described. The qualification package must provide adequate information needed to judge each of the proceeding categories, and consultants may utilize the allotted 20 pages as they see fit to do so. The City reserves the right to require an oral technical proposal to aid in the ranking process. Once the firms are ranked, the City will commence fee and contract negotiations with the top ranked firm.

This is an LPA project with federal funding for construction. The plans must be prepared in ODOT format utilizing all appropriate design guidelines.

Required Pre-Qualification, Combination of Prime Consultant and Subconsultants:

DESIGN SERVICES:

Bicycle Facilities and Enhancement Design, Non-complex Roadway Design, Complex Right of Way Plan Development, Limited Lighting Design, and Environmental Document Preparation

Selection sub-factors: Experience in LPA design projects that include federal funds for construction which are administered through ODOT.

It is anticipated that the selected Consultant will be authorized to proceed by approximately May, 2019.

Selection Procedures

The LPA will directly select a consultant based on the Qualifications for Professional Engineering Services. The requirements for the qualifications and the Consultant Selection Rating Form that will be used to select the consultant are shown below.

Firms interested in being considered for selection should respond by submitting five (5) hard copies and one digital full PDF of their qualifications to the following address by 4:00 PM on the response due date listed above.

City of Canton Purchasing Department
218 Cleveland Ave. SW, 4th Floor
Canton, OH 44702

Responses received after 4:00 PM on the response due date will not be considered.

Requirements for Qualifications for Professional Engineering Services, Selection Process

A. Instructions for Preparing and Submitting Qualification Package

1. Provide the information requested in the Qualifications Package Content (Item B below), in the same order listed, in a letter signed by an officer of the firm. Do not send additional forms, resumes, brochures, or other material.
2. Qualifications packages shall be limited to twenty (20) 8½" x 11" pages except as noted in the Project Approach (Item B.5 below). The transmittal letter, index page, and section divider pages (if included) will not counted towards the 20 pages.

B. Qualifications Package Content

1. List the types of services for which your firm is currently prequalified by the Ohio Department of Transportation.
2. List significant sub-consultants, their current pre-qualification categories and the percentage of work to be performed by each subconsultant.
3. List the Project Manager and other key staff members, including key sub-consultant staff. Include project engineers for important disciplines and staff members that will be responsible for the work.

Address the experience of the key staff members on similar projects, and the staff qualifications relative to the selection subfactors noted.

4. Address your firm's Cost Containment practices by listing your current overhead rate and the firm's overall cost containment practices for controlling indirect costs,
5. Provide a description of your Project Approach. Confirm that the firm has visited

the site and address your firm's technical approach, understanding of the project, project specific cost containment practices, innovative ideas and any other relevant information concerning your firm's qualifications for the project. The Project Approach may include 11" x 17" pages for diagrams. These pages shall be included in the twenty (20) page limit.

**Consultant Selection Criteria for
Canton City Engineering Department Projects**

Category	Total Value
Firm's Background	10
Similar Project Experience	10
Past Project Performance and References	25
Project Team	25
Project Technical Approach	25
General Presentation	5
Total	100

General Project Description

The project is located on Colonial Boulevard NE in Canton, Ohio in Stark County. The limits of the project are Market Ave. on the west and Maple Ave. on the east with a total project length of 0.75 miles. The project will be designed to facilitate multi-phase construction. Current phases are as follows: Phase 1 Market Ave. to Gibbs Ave., Phase 2 – Gibbs Avenue to Rowland Ave., Phase 3 – Rowland Ave. to Maple Ave. Colonial Boulevard Reconstruction and Complete Street Project will include pavement reconstruction, curbs, sidewalks, streetscape (including lighting), and a bike/multi-use path within the existing boulevard. The project will also include improvements at the Gibbs Ave. and Rowland Ave. intersections.

The potential Colonial Boulevard Roadway Enhancement drawings are attached.

Funding for Phase 1 of the project is allocated for FY2022.

Questions

Please direct all questions regarding this Request for Qualifications in writing by **Wednesday, February 20, 2019 at 4:00 PM** to:

Katie Wise, Assistant Director of Purchasing
kathryn.wise@cantonohio.gov

Evaluation and Next Steps

Responding firms will be evaluated and ranked pursuant to Ohio Revised Code Sections 153.65-153.73 based on the above criteria. The City will then commence fee and contract negotiations with the selected firm most qualified to perform the services for each separate project as described above. The final scope of engineering services will also be established during these negotiations.

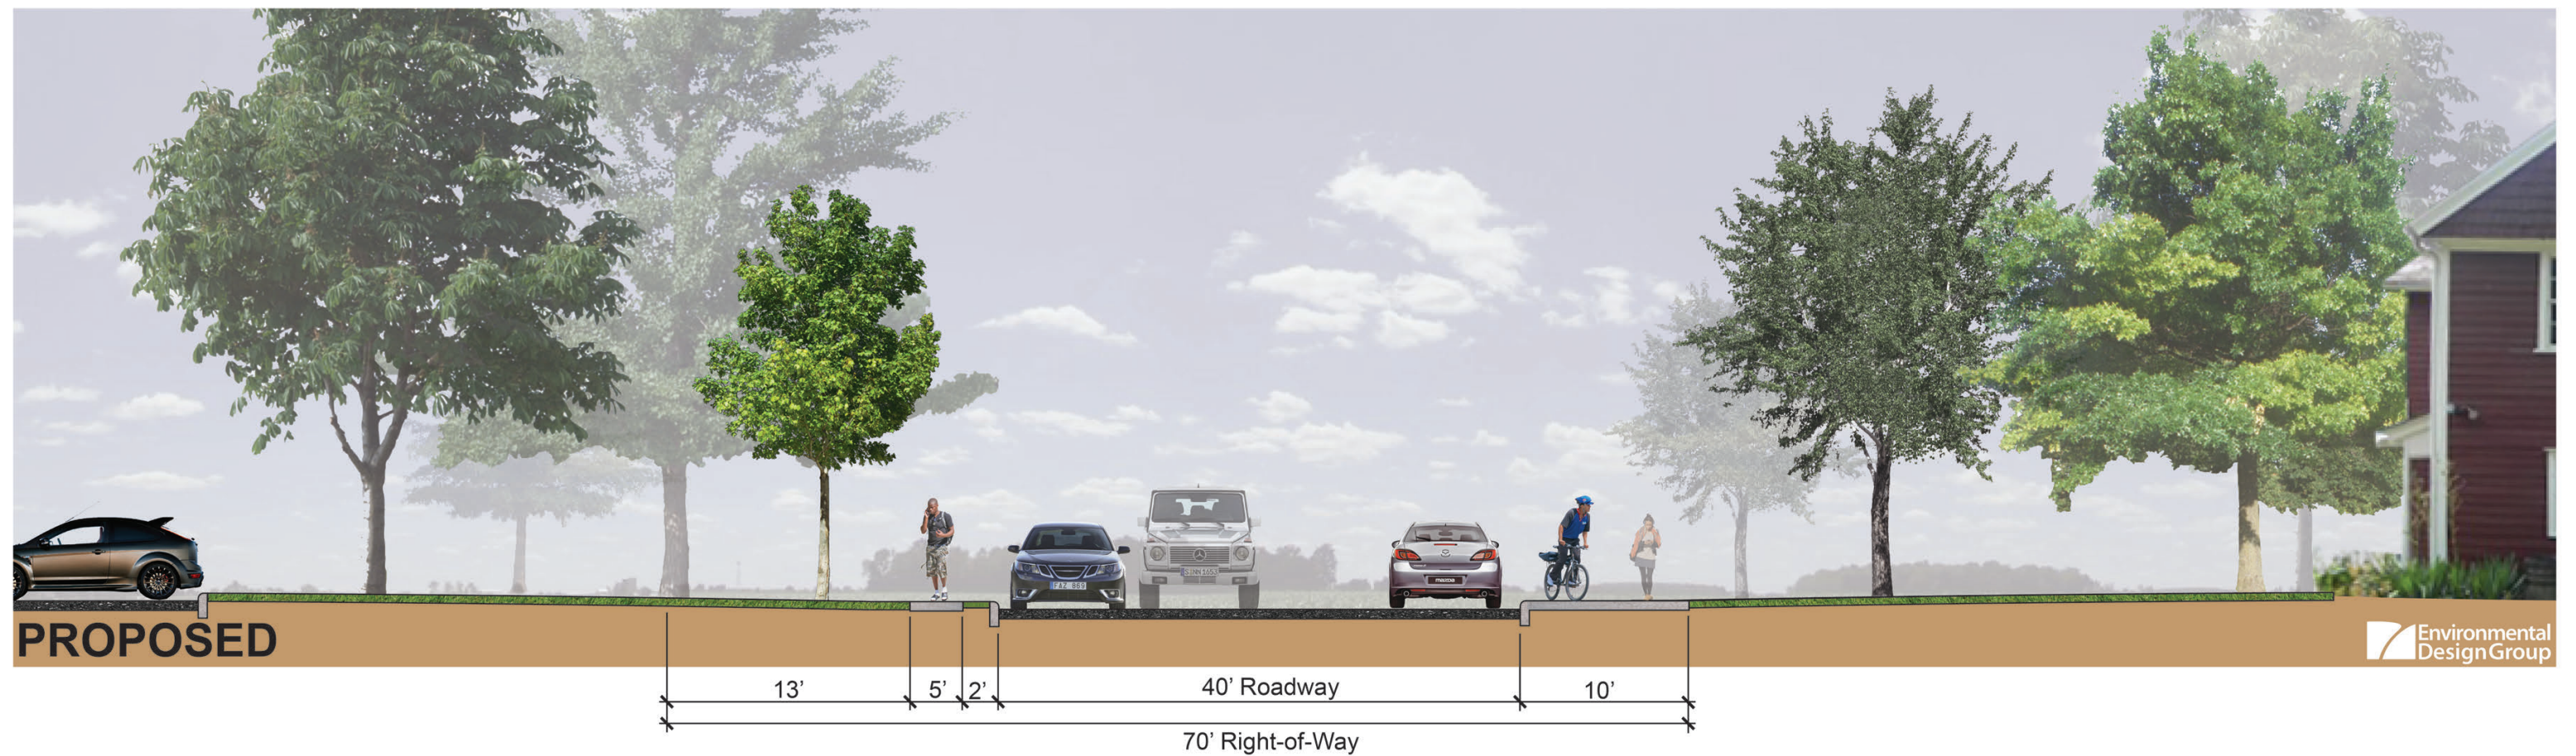

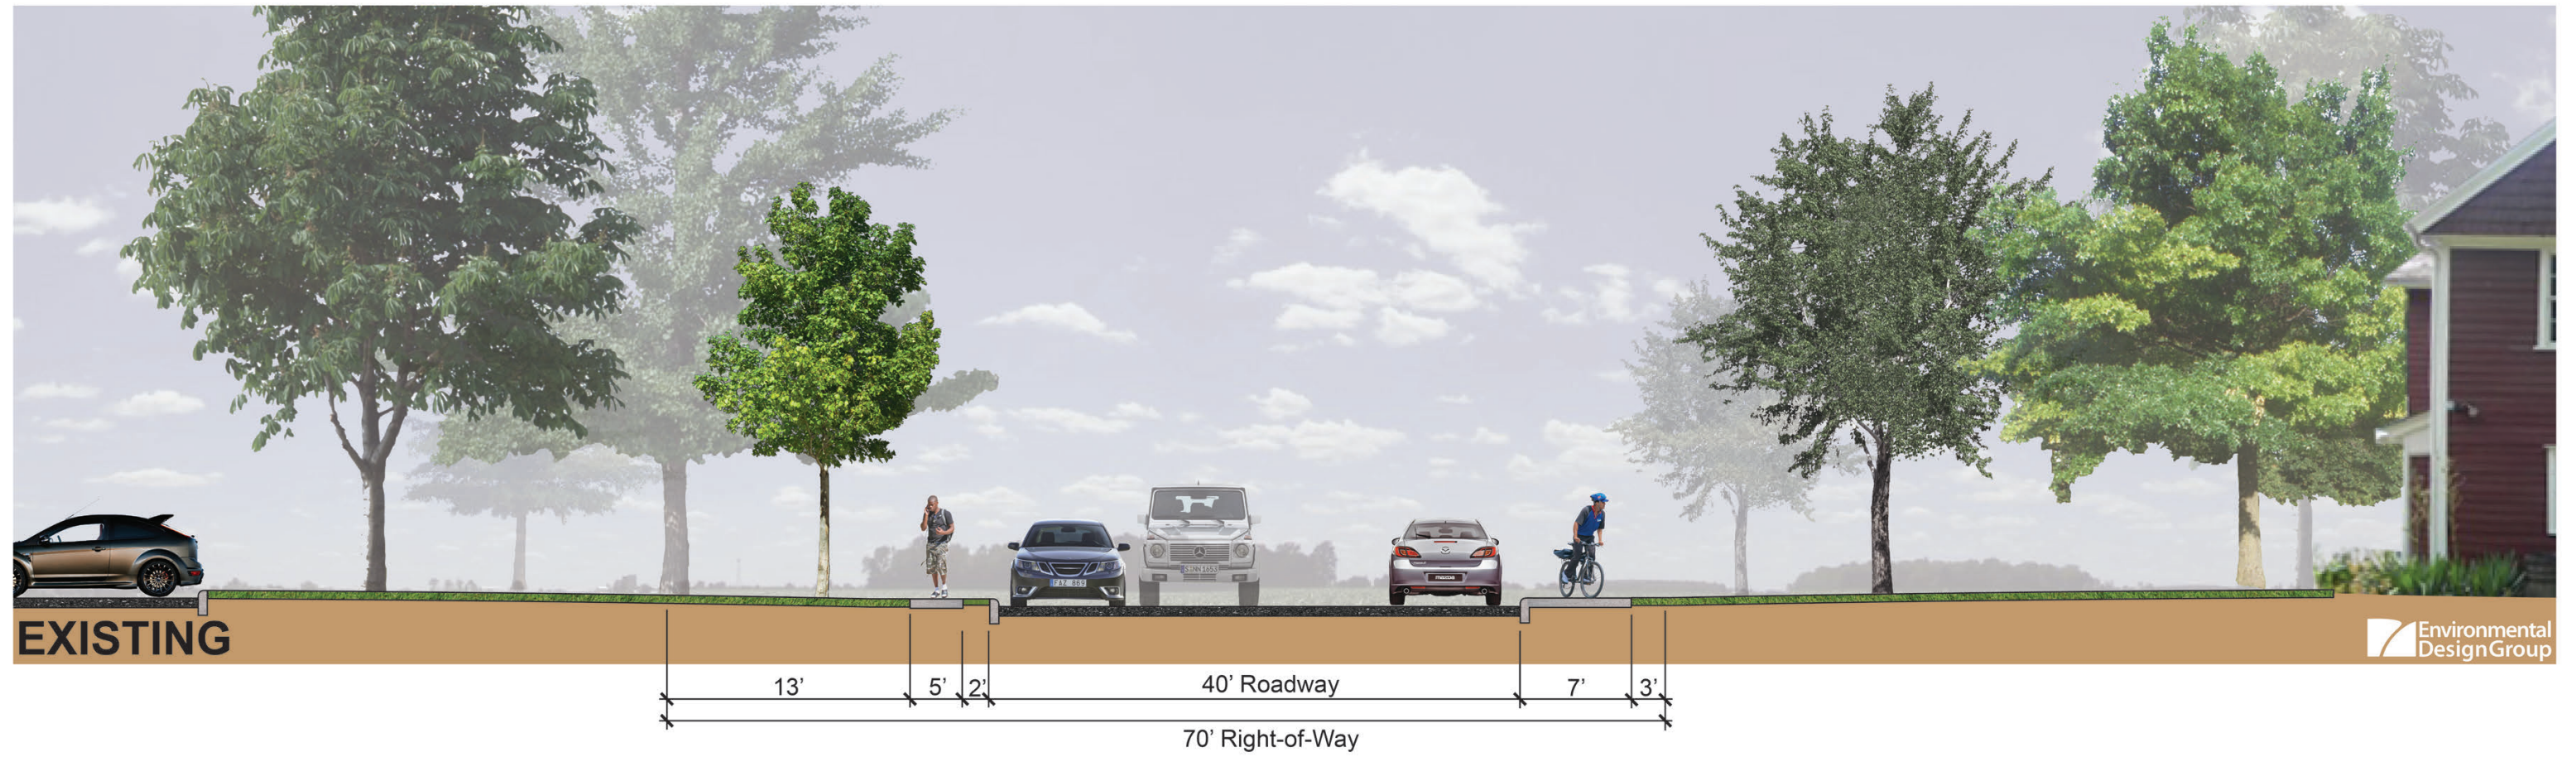

The City of Canton reserves the right to reject any and all proposals and to accept the proposal deemed most beneficial to the City of Canton.
