You are invited to submit a proposal for this equipment and or service. Specifications, terms, conditions and instructions for submitting proposals are contained herein. This Request for Proposal with all pages, documents and attachments contained herein, or subsequently added to and made a part hereof, submitted as a fully and properly executed proposal shall constitute the contract between the District and the successful proposer when approved and accepted on behalf of the District by an authorized official or agent of the District.

All proposers shall complete and return the Proposal and Award page(s) and submit all information requested herein in order for a proposal to be responsive. **FAILURE TO DO SO MAY RESULT IN THE PROPOSAL BEING REJECTED AS NON-RESPONSIVE.** The proposal document shall be returned in its entirety, in a properly identified and sealed envelope to the Purchasing Department at the above address. **PROPOSALS MUST BE RECEIVED BY TIME OF THE DUE DATE - LATE PROPOSALS WILL NOT BE CONSIDERED.**

Instructions to Proposers:

1. **EXAMINATION OF PROPOSAL DOCUMENT**-Before submitting a proposal, proposers shall carefully examine the specifications and shall fully inform themselves as to all existing conditions and limitations. The proposer shall indicate in the proposal the sum to cover the cost of all items included on the proposal form.
2. **PREPARATION OF PROPOSAL**-The proposal shall be legibly prepared in ink or typed. The proposal shall be legally signed and the complete address of the proposer given thereon. All proposals shall be tightly sealed and plainly marked SEALED PROPOSAL and identified by project name, bid opening date and time. Proposals opened by mistake, due to improper identification, will be so documented and resealed. The Purchasing Department will maintain and guarantee confidentiality of the contents until the specified opening date and time. Facsimile and/or e-mailed bids will not be accepted. The PDF version of the proposal must contain all documents, specification sheets, required forms, etc., contained in the paper copies.
3. **LATE PROPOSALS**-Any proposal received at the office designated hereinafter the exact time specified for receipt, will not be considered. (Note: The District reserves the right to consider bids that have been determined by the District to be received late due to mishandling by the District, or circumstances beyond the control of the proposer, after receipt of the proposal and before an award has been made.)
4. **ADDITIONAL CHARGES** - No additional charges, other than those listed on the price breakdown sheets, shall be made. Prices quoted will include verification/coordination of order and all costs for shipping and insurance costs.
5. **DISCOUNTS** - List any discounts that may be applicable from programs such as MiDEAL, US Commodities, etc. Note the District will apply for eRate funding where appropriate. Awarded proposers are expected to participate in eRate funding.
6. **FEDERAL OR STATE SALES, EXCISE, OR USE TAXES** - Portage Public School is tax exempt. Do not include Federal, State, or Local taxes in your bid price except as related to enhancements to real property.
7. **ACCEPTANCE OF PROPOSALS** - Portage Public Schools reserves the right to accept or reject any or all bids, either in whole or in part; to award contract to other than low bidder; to waive any irregularities

and/or informalities; and in general to make awards in any manner deemed to be in the best interest of Portage Public Schools.

1. RFP Requirements

1.1. Product/Vendor

All equipment provided shall be new and of the latest model version available. All equipment must be genuine. When applicable, bids will only be accepted from authorized retailers.

1.2. Order Fulfillment

It is expected that a single purchase order for the entire purchase will be issued the week of May 22nd, 2017. This project must be completed between the dates of June 19, 2017 and August 11, 2017. The awarded vendor must coordinate installation activities with our summer cleaning crews.

1.3. Freight

The base bid must include all freight charges for delivery of equipment to Portage Public Schools. Delivery will be to a single location.

1.4. Alternate Proposals

Any alternate proposals will be considered. Any equipment included in alternate bids must completely meet the specifications of the requested product. Alternates must be reporting with unit pricing and in the same format as the main part of the RFP.

1.5. RFP Response

All responses must have pricing information submitted on the included forms. Full product literature must be included with your response. Minimum specifications are supplied, as well as a request for unit prices for additional items where applicable. Documentation, including operational instructions, must be included for all items. RFP responses must include full details regarding any and all warranties offered.

1.6. Bid Pricing

Bid responses, pricing, etc. must be valid for 90 days after the bid response due date and time, or the length of the contract if so applicable and specified. Vendors must include unit pricing should Portage Public Schools wish to add additional units to the order.

1.7. Line Item List

See bid response form for applicable, required line item pricing. Vendors shall complete the form as a part of their response.

1.8. Contract Nullification

Any and all service contracts must include a nullification clause acceptable to Portage Public Schools should Portage Public Schools determine the included services, in whole or in part, are not fulfilling the needs of the District as outlined hereinafter.

2. Description of Products/Services Requested

2.1. General System Requirements

Portage Public Schools is seeking replacement PA, Clock, and Bell systems for Amberly Elementary School, 6637 Amberly, Portage, MI 49002. You may respond with three distinct systems or partially/fully integrated ones. Additionally, you may respond to 2.2, 2.3, or 2.4 solely if you choose, noting that all other requirements and instructions contained within this RFP remain in effect.

All pricing must include the following costs:

- All conduit (many areas have metal ceilings; any exposed cabling must reside in existing or new conduit - and conduit be of a color/paint acceptable to the district)
- All modifications to electric service, compliant with all applicable building codes
- All firestopping as per applicable building codes
- All weatherproofing where applicable
- Hardware including:
 - System consoles
 - Microphones
 - Speakers
 - Interface hardware and software for connections to other systems (such as phones)
 - Clocks
 - Mounting hardware
 - Panic and/or callback buttons
- Professional installation services including replacement ceiling tile and wall patching/painting (paint is owner provided)
- All cabling, be it low-voltage or Cat6 (cabling does not need to be plenum rated)
- Removal and disposal of all unwanted hardware and cabling replaced by new equipment as a part of this RFP
- System configuration
- Training

Portage Public Schools prefers solutions based on the Carehawk platform, and is looking to standardize its PA-Bell systems district-wide.

2.2. Public Address (PA) System

Portage Public Schools is seeking a new PA system to replace the aging and unreliable unit currently in place. The system shall cover all designated classrooms, hallways, meeting rooms, offices, cafeteria, gymnasium, playground areas, entrance vestibule, and external areas surrounding entrances. Required features, as well as optional ones, are listed below.

Required Features:

- Ability to address all rooms, large spaces, and outdoor zones simultaneously
- Ability to address up to 8 user-defined zones
- Ability to address individual rooms and areas
- Two-way communication in all classrooms
- Stereo inputs for external sources
- Console and/or IP phone based paging
- Bypass existing wiring and use new ceiling pulls in all locations

Optional Features:

- Web-based console for setup/configuration
- Interconnection to PPS's Cisco VoIP system to allow for PA operation via existing desk phones instead of console phones

2.3. Clocks

PPS seeks replacement clocks in all designated classrooms, large spaces, and office locations throughout the building. These clocks should either be controlled by a central correction system, be WiFi enabled and configurable to point to a set network address for NTP time services, or be PoE powered and configurable to point to a set network address for NTP time services. PPS has a strong preference for analog-style clocks. If the clocks require 24/110V AC electric, low voltage, or IP/PoE cabling, the entire cost of that cabling and terminations must be included in your response.

Optional Feature: integrated clock monitoring system for failure notification.

2.4. Bell System

PPS seeks a timed bell system as a part of this RFP:

- It is strongly preferred that the bell system be integrated into the PA system
- At minimum, the bell system should utilize the same internal speakers as the PA system
- System should support a minimum of 16 event occurrences per day, with two or more separate zones that can operate on separate schedules
- Ability to support A/B days for bell patterns
- Prefer external bells to be implemented as a tone that emits from the external PA speakers listed in section 2.2. If not, then the bell system must have external bells on the front and rear of building. Existing wiring will likely need to be replaced in this event.

3. Additional RFP Response Requirements

3.1. Proof of Appropriate Local/State/Federal Licenses and Certifications

As a part of your response, you must include copies of all applicable local, state, and/or federal licenses and/or certifications required for the scope of work contained within this RFP.

3.2. Proof of Bonding

Should the total award of this contract exceed \$50,000, the selected vendor, prior to the issuance of a purchase order, shall be required to provide the PPS with performance, labor, and material bonds for the full contract award. All costs for said bonds shall be included in the RFP response.

3.3. Proof of Insurance

As a part of their RFP response, all proposers shall provide proof of insurance for workers compensation, general liability, auto, and excess liability. Should the awarded vendor change insurance coverage companies, plans, or otherwise modify coverage, vendor shall notify PPS of said coverage change 30 days prior to said change taking effect.

3.4. Assumed Liabilities

The awarded vendor shall assume all liability for the following scenarios caused directly or indirectly by their employees or subcontractors:

- Damage to PPS property
- Damage to existing structured cabling or electric service
- Damage to fire alarm, fire control, or fire suppression systems
- Environmental damage, including but not limited to hazardous material spills or airborne contaminants
- Removal of any cabling, conduit, raceways, or other hardware without prior written consent from PPS

3.5. Detailed Wiring Diagrams

As a part of project completion, and before payment is received, vendors are required to provide the district with installation diagrams, including detailed, labeled wiring diagrams, in PDF format.

3.6. Use of Subcontractors

If a proposer intends to use sub-contractor(s) for any work, they must provide complete information on their subcontractor(s) with their response. This includes copies of the legal status forms, familial, Iran economic sanctions act, and proof of insurance as outlined herein.

4. Required Walkthrough

Vendors interested in submitting a response must attend a required walkthrough of the Amberly site. This walkthrough will take place on Tuesday, April 11, 2017 at 5:30PM. Vendors will be given the opportunity to take photos and measurements, as well as inspect existing systems, cabling, and conduit. We will meet in the entry foyer on the west side of the facility, 6637 Amberly, Portage, MI 49002. Upon request, a digital layout of the facility can be provided prior to the walkthrough.
