WILLIAMSON COUNTY MULTI-MODAL (GREENWAYS) MASTER PLAN

REQUEST FOR QUALIFICATIONS (RFQ)

Williamson County Government is issuing a Request for Qualifications (RFQ) to prepare a countywide multi-modal (greenways) master plan that complies with all federal requirements related to the Safe Streets and Roads for All (SS4A) grant that Williamson County received for this purpose. The County is seeking firms whose combination of experience and expertise will provide timely, high quality professional services.

Required Scope of Services

- Develop a publicly available multi-modal (greenways) master plan that addresses all key components for such plans as identified by the U.S. Department of Transportation, which include leadership commitment and goal setting, planning structure, safety analysis, engagement and collaboration, equity, policy and process changes, strategy and project selections and progress and transparency. The master plan will be delivered in both draft and final formats for County review and comment.
- Compile base maps and document existing conditions.
- Corridor analysis and preliminary alternatives.
 - Trail/greenway routing
 - Opportunities/constraints
 - Typical greenway cross-sections
 - Trailhead alternatives
- Public involvement
 - Organize and attend public outreach meetings and present information at such meetings
 - Attend and present at other meetings, such as advisory committee meetings and meetings of official governmental bodies as necessary
 - Provide a statistically-valid community needs assessment survey
- Plan refinement and implementation
- Action Plan and Executive Summary
- Follow all federal guidelines for the development of the project.
- The contract shall be hourly with a not-to-exceed amount agreed upon between the County and the consultant.
