### 3. **CHANGES AFTER AWARD**

It is possible that after award KCDC will need to revise the service needs or requirements specified in this document. KCDC reserves the right to make such changes after consultation with the vendor. Should additional costs arise, KCDC reserves the right to accept these charges provided the vendor can document the increased costs.

### 4. **CODES AND ORDINANCES**

All work covered by these contract documents is to be done in full accord with national, state and local codes, ordinances and orders that are in effect at the time the work is performed. The successful vendor and any sub-vendors must meet and fulfill all requirements of the local building department and fire jurisdiction.

5. **CONTACT POLICY**

The vendor may not contact anyone other than the KCDC's Purchasing Division from the issuance of this solicitation until award about matters pertaining to this solicitation. Information obtained from an unauthorized officer, agent, or employee of KCDC will not affect the risks or obligations assumed by the vendor or relieve the vendor from fulfilling any of the conditions of the resulting award for the purpose of this project. Additionally, such contact can disqualify the vendor from participation in the solicitation process.

6. **CONTRACT APPROVAL**

The resulting contract is subject to the approval of the KCDC Board at its next meeting.

7. **CONTRACT DOCUMENTS**

KCDC has posted a prototype of the contract and rider that will be used for this work to its webpage. Please review these documents before you submit a bid.

11. **EVALUTION:**

KCDC will primarily evaluate the responses to this solicitation on the factors shown below. However, KCDC will arrive at the "lowest and best" solution for the final award. This may or may not entail simply awarding to the vendor quoting the lowest cost.

<b>FACTORS</b>	<b>MAXIMUM POINTS</b>
Cost	100
Total	100

All responses are subject to a determination of “responsive” and “responsible” prior to award. KCDC is the sole judge as to “responsiveness” and “responsibility” of vendors.

KCDC reserves the right to request additional information from vendors to assist in the evaluation process. This includes references and business capacity information.

12. **GENERAL INSTRUCTIONS**

KCDC no longer inserts “General Instructions to Vendors” in the solicitation document. Instead, these instructions are at [www.kcdc.org](http://www.kcdc.org). Click on “Doing Business With KCDC” where you will find a link to the instructions. By submitting a response to this solicitation, the vendor accepts the responsibility for downloading, reading and abiding by the terms and conditions set forth in KCDC’s “General Instructions to Vendors.” Vendors may wish to review certain applicable HUD instructions on KCDC’s webpage.

If necessary, umbrella liability insurance can be used in conjunction with the general liability insurance to meet these requirements.

Such insurance shall:

- 1. Contain or be endorsed to contain a provision that includes KCDC, its officials, officers, employees, and volunteers as additional insureds with respect to liability arising out of work or operations performed by or on behalf of the contractor including materials, parts, or equipment furnished in connection with such work or operations. The coverage shall contain no special limitations on the scope of its protection afforded to the above-listed insureds.

2. For any claims related to this project, contractor's insurance coverage shall be primary insurance as respects KCDC, its officials, officers, employees, and volunteers. Any insurance covering KCDC, its officials, officers, employees, and volunteers shall be excess of contractor's insurance and shall not contribute with it.

Insurance is to be on an "all risks" basis and shall insure against the perils of fire and extended coverage and physical loss or damage including, but not limited to, theft, vandalism, malicious mischief, collapse, temporary building and debris removal including demolition occasioned by enforcement of any applicable legal requirements and shall cover reasonable compensation for architect's services and expenses required as a result of such insured loss. Insurance is to cover all property of contractor (and its subcontractors) and KCDC at the construction site. Coverage shall cover the completed value of the construction including without limitation, slab on grade, excavations, foundations, caissons, tenant finish work, and retaining walls around the perimeter of the project. Any exclusion of so-called underground damage to pipes, collapse of structure, or damage resulting from explosion or blasting shall be deleted. This coverage shall be issued on a completed value form basis for 100% of the insurable replacement value of the project. Such policy shall provide that any loss thereunder shall be payable to the contractor, KCDC, and others as their interests may appear and shall also have a replacement cost endorsement. The contractor shall be responsible for the deductible in the event of a loss.
  - e. *Pollution Liability Insurance:* pollution liability coverage, providing defense and indemnity coverage for bodily injury, property damage, and environmental investigation and clean-up costs for pollution conditions arising from the contractor's operations.

2. Provide certified copies of endorsements and policies if requested by KCDC in lieu of or in addition to certificates of insurance.
3. Replace certificates, policies, and endorsements for any such insurance expiring prior to completion of services.
4. Maintain such insurance from the time services commence until services are completed. Failure to maintain or renew coverage or to provide evidence of renewal may be treated by KCDC as a material breach of contract.
5. Require all subcontractors to maintain during the term of the resulting contract commercial general liability insurance, automobile liability insurance, and workers' compensation/employer's liability insurance (unless subcontractor's employees are covered by contractor's insurance) in the same manner and limits as specified for contractor. Contractor shall furnish subcontractors' certificates of insurance to KCDC without expense immediately upon request.
6. Any deductibles and/or self-insured retentions greater than \$50,000 must be disclosed to and approved by KCDC prior to the commencement of services. Use of large deductibles and/or self-insured retentions will require proof of financial ability as determined by KCDC.
7. The insurer shall agree to waive all rights of subrogation against KCDC, its officials, officers, employees, and volunteers for losses arising from work performed by contractor for KCDC.

However if vendors purchase goods for KCDC, the vendor must pay sales or "use tax." Upon the placement of a purchase order or the award of a contract, KCDC will provide a State of Tennessee Sales Tax Exemption form to the vendor. Taxes on KCDC's invoices will not be paid.
- d. KCDC normally pays by electronic transfer (ACH) only. Checks are not issued. Vendors, if awarded, will need to set up the KCDC Vendor Portal to track payments.

16. **LICENSING**

- a. Vendors must be properly licensed by the State of Tennessee and all other authorities having jurisdiction. Throughout the term of this award, the vendor shall maintain the required licenses.
- b. In addition to any City or County licenses that may be required, all vendors must be licensed vendors as required by the "Vendor's Licensing Act of 1994" as mandated by the State of Tennessee. The vendor must have the necessary licensing classifications as required by the Rules of the Tennessee Board for Licensing General Vendors. For your convenience, an envelope coversheet is at the end of this document. Use it to supply the required information.
- c. The State of Tennessee Contractor Licensing Board has told KCDC that one of the following licenses is required for this work because the cost will exceed \$25,000. However, KCDC will abide by any opinions or rulings that the State Vendor Licensing Board issues irrespective of this initial ruling. Any subsequent ruling by the State Licensing Board automatically revises these specifications-irrespective of the timing of the notice from the State and irrespective of the status of this solicitation.

26. **SECTION 3 OF THE HUD ACT OF 1968**

Section 3 is a provision of the Housing and Urban Development Act of 1968, which requires that programs of direct financial assistance administered by the U.S. Department of Housing and Urban Development (HUD) provide, to the greatest extent feasible, opportunities for job training and employment to lower income residents in connection with projects in their neighborhoods. Further, to the greatest extent feasible, contracts in connection with these projects are to be awarded to local businesses. Section 3 is a tool for fostering local economic development, neighborhood economic improvement and individual self-sufficiency.

- a. Recipients and vendors must make a good faith effort to utilize Section 3 area residents as trainees and employees in connection with the project. Targeted recruitment and the selection of Section 3 area residents for available positions are two examples of good faith efforts to meet this requirement.

- b. Recipients and vendors must make a good faith effort to award contracts to Section 3 business concerns for work in connection with the project. An example of a good faith effort to meet this requirement is the implementation of an affirmative action plan, which includes targets for the number and dollar value for awarding contracts to Section 3 business concerns.
- c. Recipients and vendors must keep records and submit reports to HUD documenting the good faith efforts taken and the results of these actions. Examples of such documentation include letters to community organizations, employment development and business development centers, copies of solicitations for bids or proposals; and copies of affirmative action plans.
- d. How can businesses find Section 3 residents to work for them? By recruiting in the neighborhood and public housing developments to tell about available training and job opportunities. Distributing flyers, posting signs, placing ads, and contacting resident organizations and local community development and employment agencies to find potential workers are a few effective ways of getting jobs and people together.
- e. All contracts awarded are subject to Section 3 requirements. Vendor shall seek to fill any and all position that are needed and unfilled with residents of KCDC communities. For additional information, please go to <http://www.hud.gov/offices/fheo/section3/Section3.pdf>. The successful vendor will supply KCDC with job announcements for any position that must be filled as a result of the award of KCDC work. Additionally the successful vendor will supply the same job announcement to the Knoxville-Knox County Committee Action Committee's Workforce Connections group. These can be faxed to 544-5269.
- f. A Section 3 resident is one who lives within a public housing authority's site. It is also people who live in an area with a HUD assisted program and whose income is below HUD's low income requirements.
- g. A Section 3 business is one that:
  - 1. Is at least 51% owned by a Section 3 resident; or
  - 2. Employs Section 3 residents for at least 30% of its employee base; or
  - 3. Makes a commitment to sub contract at least 25% of the project's dollars to a Section 3 business.
- h. Upon award, the successful vendor will supply two documents to KCDC:
  - 1. A Section 3 Business determination (forms supplied by KCDC) provided one is not already on file.
  - 2. A Section 3 Business plan for this work.

27. **SECURITY**

The successful vendor is responsible for providing (if necessary) any and all security to equipment, materials, personnel, tools and the site that are required for this job. KCDC is not responsible for damage or losses to equipment, materials, personnel, tools or the site.

28. **SITE EXAMINATION**

- a. Vendors are encouraged to visit the site and become fully acquainted and familiar with conditions as they exist and the operations to be carried out. The vendor shall make such investigations as they may see fit so that they may fully understand the facilities, difficulties and restrictions to be encountered when executing the work.
- b. The failure or omission of the vendor to receive or examine the solicitation document or any part of the specifications, or to visit the site(s) and acquaint themselves as to the nature and location of the work, the general and local conditions and all matters which may in any way affect performance shall not relieve the vendor of any obligation to perform as specified herein. Vendor understands the intent and purpose hereof and its obligations hereunder and that it shall not make any claim for, or have any right to damages resulting from any misunderstanding or misinterpretation of the resulting agreement, or because of any lack of information.
- c. By submitting a response to this solicitation, each vendor is certifying that they have inspected the site and have read and are familiar with the solicitation and all appendices and addenda. The failure or omission of any vendor to receive or examine any form, instrument or document shall in no way relieve the vendor from any obligation in respect to its bid.

29. **STORAGE**

KCDC sites have very limited storage space for vendors to access. Accordingly, vendors are responsible for the storage of materials and their security. If possible, KCDC will allow vendors to use space but the safety and security of the items stored is solely the responsibility of the vendor.

- b. When work is at its office areas and other non-resident locations, KCDC will normally provide utilities for vendors as long as they are currently available at the area.
- c. The vendor must ascertain the availability of utilities for this work prior to submitting a bid.

33. **WAGE COMPLIANCE**

- a. Federal Davis Bacon Wage Requirements apply to this work. This means that the successful vendor:
  - Will submit certified payrolls that show compliance with the Davis Bacon requirements detailed herein. Failure to do so will be sufficient cause for withholding payment and/or termination of the contract.
  - Must pay its employees at least weekly pursuant to the Davis Bacon determination listed herein.
  - Will display all pages of Wage Posters, in a "prominent spot" at the job site. These are available at <http://www.kcdc.org/Pages/Purchasing/Purchasing.aspx>.

Unlisted Classifications needed for work not included within the scope of the classifications listed above may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)). 2. If the additional classification is for a subcontractor, the subcontractor writes a similar letter to the General Contractor who then sends a cover letter to KCDC officially requesting the classification.

4. HUD will review the request and approve it (or decline it) and send it to the Department of Labor for final approval.

If a contract is not awarded within 90 days after the bid opening and if a new decision is released, it will apply. Modifications released 10 days or less before a bid opening are not applicable as there is not time to incorporate the changes in the bid. In all cases however, KCDC is required to adhere to Davis Bacon standards as the Department of Labor determines - irrespective of any announcements KCDC may have made.

34. **WEATHER**

Since this solicitation calls for liquidated damages if the vendor exceeds the guaranteed number of days for completion, allowances are needed for excessive inclement weather.

a. **EXTENSIONS OF CONTRACT TIME**

b. **STANDARD BASELINE FOR AVERAGE CLIMATIC RANGE**

The Standard Baseline is the normal and anticipated number of calendar days for each month during which adverse weather will prevent activity.   - b. Temperatures which do not rise above 32 degrees Fahrenheit by 10:00 a.m.

  - c. At a rate no greater than one make-up day for each day or consecutive days or rain beyond the Standard Baseline that total 1.0 inch or more, liquid measure, unless specifically recommended otherwise by the owner.
3. A weather delay day occurs only if adverse weather prevents work on the project for 50 percent or more of the vendor’s scheduled workday, including a weekend day or holiday if the vendor has scheduled construction activity that day.

d. DOCUMENTATION AND SUBMITTALS

1. Submit Daily Jobsite Work Log showing which and to what extent activities were affected by weather on a monthly basis.
2. Submit actual weather data to support a claim for the time extension obtained from nearest NOAA weather station or other independently verified source approved by the owner at the beginning of the project.
