

Memo: Lancaster County Solicitation No. 400200414-1 [Planning UDO Update]  
From: Cathy McDaniel, Procurement Director  
Subject: Addendum No. 1  
Date: April 9, 2020

Due to COVID-19, all submissions are required to be submitted online. The online portal is located on the "Open Solicitations" page of our website. **Bids are still due by 3:00 PM on Tuesday, April 14, 2020.** A bid opening will follow through an online meeting. Anyone who wishes to take part in the online bid opening should contact me via email prior to 1:00 PM on the day of the opening.

The following are questions asked during the inquiry period:

The County's desired outcome for Phase 2 of the project will be an update to the UDO that addresses those items identified in the Phase 1 Diagnostic Report that are in need of improvement, as well as those items in the County staff prepared update list. The current UDO adopted in 2016 contains many oversights as it relates to overall completeness, correct cross-referencing, and the use of best management practices in key development standards and processes

Please note these changes and contact me at [cdmcdaniel@lancastersc.net](mailto:cdmcdaniel@lancastersc.net) if you have any questions.

Best Regards,
