If any such change increases or decreases the contractor's cost of, or the time required for, performance of any part of the work under this contract, whether or not changed by the order, an adjustment shall be made in the contract price, the delivery schedule, or both, and the contract modified in writing accordingly. Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this contract. Failure of the parties to agree to an adjustment shall not excuse the contractor from proceeding with the contract as changed, provided that the District promptly and duly make such provisional adjustments in payment or time for performance as may be reasonable. By proceeding with the work, the contractor shall not be deemed to have prejudiced any claim for additional compensation, or an extension of time for completion.

(3) Time Period for Claim. Within 30 days after receipt of a written contract modification under Paragraph (1) of this clause, unless such period is extended by the Procurement Specialist in writing, the contractor shall file notice of intent to assert a claim for an adjustment. (e) Prior to commencement of the work, the Contractor shall furnish the District if requested with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this section. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. (f) Should any of the above described policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions. (h) Any deductibles or self-insured retentions must be declared to and approved by the District. The District may require the Contractor to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

SLED background checks shall be maintained on file at the main office of the Contractor and made available to District personnel or the District's legal counsel immediately upon request.
5. Not employ or contract with, during the performance of the contract, any illegal alien workers or otherwise violate the provisions of the federal Immigration Reform and Control Act of 1986, as may be amended.

Participation in E-Verify through the Dept. of Homeland Security is required by the District regardless of the number of employees you employ.
7. Provide picture ID badges for all persons performing work on District property and ensure they are worn at all times. The ID shall include the name of the individual, his/her picture and the name of their employer.

Contractors are to ensure that their subcontractors, sub-subcontractors, as well as suppliers who meet the "contractor, subcontractor or sub-subcontractor" definition above are advised of these requirements and comply with them. These are mandatory conditions for doing business (whether directly or indirectly) with Horry County Schools. The District, at its discretion, may perform random compliance checks. Any Contractor, subcontractor, sub-subcontractor, or supplier found not to be in compliance with these requirements shall result in termination of any existing contract or non-award of a contract.

CONTRACTOR'S OBLIGATION – GENERAL (JAN 2006): The contractor shall provide and pay for all materials, tools, equipment, labor and professional and non-professional services, and shall perform all other acts and supply all other things necessary, to fully and properly perform and complete the work. The contractor must act as the prime contractor and assume full responsibility for any subcontractor's performance. The contractor will be considered the sole point of contact with regard to all situations, including payment of all charges and the meeting of all other requirements. [07-7B065-1]

CONTRACTOR'S USE OF DISTRICT PROPERTY (JAN 2006): Upon termination of the contract for any reason, HCS shall have the right, upon demand, to obtain access to, and possession of, all HCS properties, including, but not limited to, current copies of all HCS application programs and necessary documentation, all data, files, intermediate materials and supplies held by the contractor. Contractor shall not use, reproduce, distribute, display, or sell any data, material, or documentation owned exclusively by HCS without the HCS' written consent, except to the extent necessary to carry out the work. [07-7B067-1]

DEFAULT (JAN 2006): (a)(1) HCS may, subject to paragraphs (c) and (d) of this clause, by written notice of default to the Contractor, terminate this contract in whole or in part if the Contractor fails to-(i) Deliver the supplies or to perform the services within the time specified in this contract or any extension; (ii) Make progress, so as to endanger performance of this contract (but see paragraph (a)(2) of this clause); or (iii) Perform any of the other material provisions of this contract (but see paragraph (a)(2) of this clause). (2) The State's right to terminate this contract under subdivisions (a)(1)(ii) and (1)(iii) of this clause, may be exercised if the Contractor does not cure such failure within 10 days (or more if authorized in writing by the Procurement Specialist) after receipt of the notice from the Procurement Specialist specifying the failure.

(b) If HCS terminates this contract in whole or in part, it may acquire, under the terms and in the manner the Procurement Specialist considers appropriate, supplies or services similar to those terminated, and the Contractor will be liable to the District for any excess costs for those supplies or services. However, the Contractor shall continue the work not terminated.

(c) Except for defaults of subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include (1) acts of God or of the public enemy, (2) acts of the State in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In each instance the failure to perform must be beyond the control and without the fault or negligence of the Contractor.

(d) If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the Contractor to meet the required delivery schedule.

(e) If this contract is terminated for default, HCS may require the Contractor to transfer title and deliver to the District, as directed by the Procurement Specialist, any (1) completed supplies, and (2) partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (collectively referred to as "manufacturing materials" in this clause) that the Contractor has specifically produced or acquired for the terminated portion of this contract. Upon direction of the Procurement Specialist, the Contractor shall also protect and preserve property in its possession in which HCS has an interest.

(f) HCS shall pay contract price for completed supplies delivered and accepted. The Contractor and Procurement Specialist shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property; if the parties fail to agree, the Procurement Specialist shall set an amount subject to the Contractor's rights under the Disputes clause. Failure to agree will be a dispute under the Disputes clause. HCS may withhold from these amounts any sum the Procurement Specialist determines to be necessary to protect the District against loss because of outstanding liens or claims of former lien holders.

(g) If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of HCS, be the same as if the termination had been issued for the convenience of HCS. If, in the foregoing circumstances, this contract does not contain a clause providing for termination for convenience of HCS, the contract shall be adjusted to compensate for such termination and the contract modified accordingly subject to the contractor's rights under the Disputes clause.

(h) The rights and remedies of HCS in this clause are in addition to any other rights and remedies provided by law or under this contract. [07-7B075-1]

(b) that you and your subcontractors or sub-subcontractors are in compliance with Title 8, Chapter 14. Pursuant to Section 8-14-60, "A person who knowingly makes or files any false, fictitious, or fraudulent document, statement, or report pursuant to this chapter is guilty of a felony, and, upon conviction, must be fined within the discretion of the court or imprisoned for not more than five years, or both." You agree to include in any contracts with your subcontractors language requiring your subcontractors to (a) comply with the applicable requirements of Title 8, Chapter 14, and (b) include in their contracts with the sub-subcontractors language requiring the sub-subcontractors to comply with the applicable requirements of Title 8, Chapter 14. tangible property arising out of or in connection with the goods or services acquired hereunder or caused in whole or in part by any act or omission of contractor, its subcontractors, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnitee, and whether or not such claims are made by a third party or an Indemnitee; however, if an Indemnitee's negligent act or omission is subsequently determined to be the sole proximate cause of a suit or claim, the Indemnitee shall not be entitled to indemnification hereunder. Contractor shall be given timely written notice of any suit or claim. Contractor's obligations hereunder are in no way limited by any protection afforded under workers' compensation acts, disability benefits acts, or other employee benefit acts. This clause shall not negate, abridge, or reduce any other rights or obligations of indemnity which would otherwise exist. The obligations of this paragraph shall survive termination, cancelation, or expiration of the parties' agreement. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance. As used in this clause, "Indemnitees" means Horry County Schools, its instrumentalities, agencies, departments, boards, and all their respective officers, agents and employees. [07-7B100-2]

LICENSES AND PERMITS (JAN 2006): During the term of the contract, the Contractor shall be responsible for obtaining, and maintaining in good standing, all licenses (including professional licenses, if any), permits, inspections and related fees for each or any such licenses, permits and /or inspections required by the state, county, city or other government entity or unit to accomplish the work specified in this solicitation and the contract. - (a) By agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;
- (b) By unit prices specified in the Contract or subsequently agreed upon;
- (c) by the costs attributable to the event or situation covered by the relevant clause, including profit if otherwise allowed, all as specified in the Contract; or subsequently agreed upon;

Code of Laws.

(2) Submission of Price or Cost Data. Upon request of the Procurement Specialist, the contractor shall provide reasonably available factual information to substantiate that the price or cost offered, for any price adjustments is reasonable, consistent with the provisions of Section 11-35-1830. [07-7B160-1]

When you submit data pursuant to subparagraph (a), you shall (1) do so in accordance with the instructions appearing in Table 15-2 of 48 C.F.R. Section 15.408 (2004) (adapted as necessary for the state context), and (2) submit a Certificate of Current Cost or Pricing Data, as prescribed by 48 CFR Section 15.406-2(a) (adapted as necessary for the state context). (e) Subcontracts. You shall include the above text of this clause in all of your subcontracts. (f) Nothing in this clause limits any other rights of the state. [07-7B185-1]

RELATIONSHIP OF THE PARTIES (JAN 2006): Neither party is an employee, agent, partner, or joint venture of the other. Neither party has the right or ability to bind the other to any agreement with a third party or to incur any obligation or liability on behalf of the other party. [07-7B205-1]

TERM OF CONTRACT – OPTION TO RENEW (JAN 2015): (a) At the end of the initial term, and at the end of each renewal term, this contract shall automatically renew for a period of one (1) year, unless contractor receives notice that the district elects not to renew the contract at least thirty (30) days prior to the date of renewal. Regardless, this contract expires no later than the last date stated on the final statement of award. (b) Contractor acknowledges that, unless excused by Section 11-57-320, if the contractor is on the then-current Iran Divestment Act List as of the date of any contract renewal, the renewal will be void ab initio. [07-7B245-2]

TERM OF CONTRACT – TERMINATION BY CONTRACTOR (JAN 2006): Contractor may terminate this contract at the end of the initial term, or any renewal term, by providing the Procurement Officer notice of its election to terminate under this clause at least ninety (90) days prior to the expiration of the then current term. [07-7B250-1]

TERMINATION FOR CONVENIENCE (JAN 2006): (1) Termination. The Procurement Officer may terminate this contract in whole or in part, for the convenience of the District. The Procurement Officer shall give written notice of the termination to the contractor specifying the part of the contract terminated and when termination becomes effective.

(2) Contractor's Obligations. The contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the contractor will stop work to the extent specified. The contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Procurement Officer may direct the contractor to assign the contractor's right, title, and interest under terminated orders or subcontracts to the District. The contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

(3) Right to Supplies. The Procurement Officer may require the contractor to transfer title and deliver to the District in the manner and to the extent directed by the Procurement Specialist: (a) any completed supplies; and (b) such partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the contractor has specifically produced or specially acquired for the performance of the terminated part of this contract. The contractor shall, upon direction of the Procurement Officer, protect and preserve property in the possession of the contractor in which the State has an interest. If the Procurement Officer does not exercise this right, the contractor shall use best efforts to sell such supplies and manufacturing materials in accordance with the standards of Uniform Commercial Code Section 2-706. Utilization of this Section in no way implies that the District has breached the contract by exercise of the Termination for Convenience Clause.

(4) Compensation. (a) The contractor shall submit a termination claim specifying the amounts due because of the termination for convenience together with cost or pricing data required by Section 11-35-1830 bearing on such claim. If the contractor fails to file a termination claim within one year from the effective date of termination, the Procurement Officer may pay the contractor, if at all, an amount set in accordance with Subparagraph (c) of this Paragraph.

(b) The Procurement Officer and the contractor may agree to a settlement and that the settlement does not exceed the total contract price plus settlement costs reduced by payments previously made by the District, the proceeds of any sales of supplies and manufacturing materials under Paragraph (3) of this clause, and the contract price of the work not terminated;

(c) Absent complete agreement under Subparagraph (b) of this Paragraph, the Procurement Officer shall pay the contractor the following amounts, provided payments agreed to under Subparagraph (b) shall not duplicate payments under this Subparagraph:

(i) contract prices for supplies or services accepted under the contract;

(ii) costs reasonably incurred in performing the terminated portion of the work less amounts paid or to be paid for accepted supplies or services;

(iii) reasonable costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to Paragraph (2) of this clause. These costs must not include costs paid in accordance with Subparagraph (c)(ii) of this paragraph;

(iv) any other reasonable costs that have resulted from the termination. The total sum to be paid the contractor under this Subparagraph shall not exceed the total contract price plus the reasonable settlement costs of the contractor reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under Subparagraph (b) of this Paragraph, and the contract price of work not terminated.

(d) Contractor must demonstrate any costs claimed, agreed to, or established under Subparagraphs (b) and (c) of this Paragraph using its standard record keeping system, provided such system is consistent with any applicable Generally Accepted Accounting Principles.

(5) Contractor's failure to include an appropriate termination for convenience clause in any subcontract shall not (i) affect the state's right to require the termination of a subcontract, or (ii) increase the obligation of the state beyond what it would have been if the subcontract had contained an appropriate clause. END OF SOLICITATION

Attachment A- Materials

Scope of Work: The purpose of this solicitation is to select a supplier (hereinafter "Bidder"), to establish a contract for the furnishing of ceiling tile and grid suspension systems that are common and necessary to the operations and infrastructure of an educational facility. HCS contacts for Ceiling Tile Materials and Services are Terry Hucks, Coordinator of Maintenance and Kenny Blossom, Coordinator of Inventory Management.

Award: The District anticipates awarding up to three (3) suppliers for this contract, based upon the lowest responsive and responsible bids received. The Acoustical Ceiling Tiles are grouped by sizes. Each group lists the approved manufacturers that may be bid on. Each Bidder must show pricing for at least one manufacturer in each group to be considered for award of that group.

Contract Value: Quantities stated on Attachment C, Bidding Schedule-Materials, are for Bid tabulation purposes only, based on potential usage, and are not intended to be a definitive representation of the quantity of products to be purchased under this contract.

Because of the difficulty in determining the extent that this contract will be utilized during its term, an annual projection of these requirements cannot be accurately given. However, the total average expenditure in the District for these materials for the past 5 years was approximately \$75,000. This estimate is intended as a guide in submitting your Bid. Even though this estimate is based on actual historical usage, it does not constitute a guarantee of purchase, and actual expenditures may be more or less than indicated. No volume of purchases is guaranteed nor implied by HCS under this contract. It is understood that unit prices bid shall be honored regardless of actual usage.

Product Line: Bidder shall be a manufacturer or authorized stocking distributor for each manufacturer product line proposed for the duration of the contract. By signing this Bid, prospective Bidder is certifying that they are in "good standing" with each manufacturer proposed and are approved to represent their products to the District. As evidence of this, Bidder shall provide written verification from manufacturer upon request.

Supplemental Pricing: It is understood that project work may occasionally require contract related materials that are not specifically listed herein. This contract establishes a method by which balance-of-line materials may be purchased directly from Bidder based on net cost plus (+) percentage (%) mark-up. Bidders are requested to indicate on Attachment C-Bidding Schedule-Materials the maximum percentage (%) mark-up that shall be applied to all categories of materials. For purposes of this contract, the maximum allowed mark-up shall not exceed fifteen percent (15%).

It is understood that actual percentage mark-up may be less than indicated depending on the type and quantity of materials, and availability of any special volume pricing. Proposed mark-up shall remain firm throughout term of contract even though materials cost may change on a periodic basis.

All such materials to be acquired from Bidder shall be approved by District Representative prior to purchase, and shall be limited to one-thousand five hundred dollars (**\$1,500.00**) per project, unless a higher purchase limit is requested by the District Representative and approved by the Purchasing Department. All material purchases for any single project that are estimated to exceed \$1,500.00 shall be subject to competitive quotation at the discretion of the Purchasing Department, in the time and manner that is in the best interest of the District.

Bid Tabulation/Evaluation: Quantities stated on Attachment C, Bidding Schedule-Materials, are for Bid tabulation purposes only based on potential usage and are not intended to be a definitive representation of the quantity of supplies to be purchased under this contract. The Award Total shall be computed by multiplying unit price bid times (x) estimated quantity to achieve the extended amount of each manufacturer **category** line item. All manufacturer **category** subtotals shall then be summed (+) to arrive at the Award Total. Award shall be made **made by lot** up to three (3) Bidders who are considered the low, responsive, and responsible Bidder meeting Bid terms, conditions, and specifications. Should

a specified product be discontinued, or product number changed prior to Bid due date, the District reserves the right to: (A) delete item from Bid, or; (B) substitute item with manufacturer recommended replacement and provide notification to Bidder via addendum, or; (C) evaluate product as proposed.

Supplemental Pricing: All supplemental pricing information submitted by Bidder shall not be evaluated or considered in Bid award. HCS reserves the right to reject and negotiate proposed pricing with the low, responsive and responsible Bidder if it is deemed to be in the best interest of the District. Furthermore, HCS reserves the right to purchase specified supplemental services from any source or via any procurement method deemed to be in the District's best interest.

Warranty: All materials provided in the performance of contract shall be free from defects in materials and workmanship and carry standard manufacturer's warranty. Warranty shall commence upon receipt of product, and shall include a provision specifically relating to material sagging. It understood that Bidder shall have direct responsibility for the remedy of all manufacturer warranty issues and shall immediately resolve all matters regarding quality of materials. Should any material fail to conform to this warranty, Bidder shall repair or replace the defective materials within five (05) business days of notification by the District. Any warranty coverage exercised in this contract shall be at no cost to the District.

Special Discounts/Promotions: The successful Bidder shall pass-on to the District all rebates and special promotions offered by the manufacturer during the term of contract. The District shall accept any additional discounts and price incentives provided that the new pricing is lower than what would otherwise be available through the contract. It is understood that these special price promotions may be of limited duration and that at the end of the special sales program, the standard contract pricing shall prevail. In addition, Bidder is requested to provide any other value-added benefits, incentives, and discount payment terms that may be available to the District. These value-added benefits shall not be evaluated as a basis for award.

TECHNICAL SPECIFICATIONS

Bidder shall adhere to the following requirements in the provision and installation of all materials as specified on Attachment C-Bidding Schedule-Materials.

1.0 **MATERIALS:** All materials provided in the performance of contract shall be new, "first quality", and free from any visual blemishes and physical defects. No irregulars or promotional materials shall be accepted. The District reserves the right to make sole determination as to type of materials most appropriate to any specific project based on recommendation of Bidder and/or manufacturer.

Scope of Work: The purpose of this IFB is to select a service provider (hereinafter "Bidder"), to establish a contract for the installation, replacement, and repair of ceiling tile and grid suspension systems and other related materials that are common and necessary to the operations and infrastructure of an educational facility. HCS contacts for Ceiling Tile Materials and Services are Terry Hucks, Coordinator of Maintenance and Kenny Blossom, Coordinator of Inventory Management.

In brief, the scope of work shall require Bidder to provide all technical expertise, supervision, labor, customary tools and equipment, and other services that are necessary for the proper execution and completion of each project. All orders for services shall be made on an as-needed basis throughout the term of contract and shall require service response at any school/support facility within the District. All work performed shall be billed to the District in accordance with established unit pricing.

Bidder shall devote, and cause its personnel to devote, such time, attention, best skill and judgment, knowledge and professional ability as is necessary to perform all services in a manner that is safe, effective, efficient, environmentally acceptable, and compliant with all regulatory requirements.

Award: The District anticipates awarding to one (1) service provider for this contract, based upon the lowest responsive and responsible bid received. Bidder shall submit pricing on Attachment D – Services/Installation.

Contract Value: Because of the difficulty in determining the extent that this contract will be utilized during its term, an annual projection of these requirements cannot be accurately given. No volume of purchases is guaranteed nor implied by HCS under this contract.

Contract Management: All day-to-day operational aspects of contract services shall be scheduled, coordinated, and managed on a project-by-project basis by designated personnel (hereinafter "District Representative") under the authority and direction of the HCS Facilities Department. All work shall be subject to periodic review to ensure compliance with project specifications, building codes, time schedule, and established quality standards.

Supplemental Pricing: It is understood that project work may occasionally require contract related materials that are not specifically listed herein. This contract establishes a method by which balance-of-line materials may be purchased directly from Bidder based on net cost plus (+) percentage (%) mark-up. Bidders are requested to indicate on Attachment D-Bidding Services/Installation the maximum percentage (%) mark-up that shall be applied to all categories of miscellaneous materials. For purposes of this contract, the maximum allowed mark-up shall not exceed fifteen percent (15%).

Bid Tabulation/Evaluation: The Award Total for Attachment D Services/Installation shall be the regular hourly rate provided.

Location: It is understood that service response time is an essential part of this contract. Bidder shall be located within reasonable proximity (contiguous counties) of Horry County limits to ensure compliance with all service time requirements as specified herein. HCS reserves the right to waive this requirement should Bidder be able to demonstrate, to the complete satisfaction of District, its capability in providing efficient and timely service in support of this contract;

The District shall not subcontract any work under the contract to any other firm and shall not deal directly with any subcontractors. If it is the intent of Bidder to subcontract any portion of this contract for any reason, it shall be the responsibility of Bidder to submit the name, address, and all required specified submittals for the proposed sub-tier contractor as an attachment to their Bid. The District shall evaluate proposed sub-tier contractor and reserves the right to reject said sub-tier contractor based on not meeting qualification criteria, or who has previously failed in the proper performance of a similar contract, or who is not in the position to perform the specified services to the satisfaction of the District.

Upon award of contract, should Bidder find it be necessary to subcontract any portion of work, it shall be the responsibility of Bidder to identify sub-tier contractor on Work Proposal and receive written approval from District Representative prior to commencement of services. The sub-tier contractor shall be equally responsible for meeting all specified requirements of this contract including maintaining all insurance as required herein.

Bidder shall be responsible for the protection of all District facilities, and other improvements (i.e., vegetation, pavements, etc.) against operations that may be hazardous and/or damaging to said property. Specifically, Bidder shall protect all finished surfaces during installation including, but not limited to, jams and

soffits of passageway openings when moving equipment and materials over such areas. Drop clothes shall be utilized to protect all furnishings and equipment during progress of work. Bidder shall be cognizant of all existing utilities and operate with due care during progress of work. It shall be the responsibility of Bidder to notify District Representative of any unavoidable damage to District property that may occur prior to commencement of work. Such notification may relieve Bidder of all or part of responsibility for unavoidable damage or loss of property.

Cleaning-up/Debris Disposal: Bidder shall be responsible for scheduling periodic removal and proper disposal of all debris as a result of operations. The worksite shall be left in a safe and orderly fashion at the end of each workday. Accumulated debris shall not be allowed to create a safety hazard to student, staff, and general public. Debris shall not be burned, buried, left for a collector, or placed in a District solid waste dumpster at worksite. All disposal of debris shall be performed in a legal manner in accordance with existing State, County and City regulations. At completion of work, Bidder shall remove all work materials, tools, equipment, and surplus materials and shall leave worksite in ready to use condition.

Specialty Equipment Rental: In the event the scope of work requires the utilization of equipment that is customarily not provided, in the opinion of District, by ceiling tile service contractors, the rental of such equipment shall be at the expense of HCS. Any project requiring the provision of such rental equipment shall have the prior expressed approval of District Representative. The District shall reimburse all customary and reasonable rental fees and any other associated expenses involved in the operation of the rental equipment at actual cost. It shall be the responsibility to Bidder to submit paid receipts from the rental company and/or other vendors as condition of reimbursement. HCS assumes no direct or implied responsibility for the theft, vandalism, injury or other undesirable actions occurring to or performed with any equipment rented by Bidder.
