Skid Steer Quick Attach Auger Specs

GENERAL SPECIFICATIONS

The following specifications are intended to serve as general guidelines to obtain quotes on comparable equipment. The equipment shall be new and shall be equal to or exceed the following specifications, and shall conform to all safety and OSHA regulations. **All parts not specifically mentioned which are necessary to provide a complete operating piece of equipment shall be included in the quote** and shall conform in strength, quality of material, and workmanship to what is usually provided the trade in general.

The supplier shall **describe in detail those areas where his equipment does not comply with these specifications.** Any **alternate equipment or material deviating from these specifications shall also be described in detail.** *Failure to do so may disqualify the Quote.*

The City will not necessarily purchase the lowest priced equipment. The decision to purchase will be based on price, performance, and maintenance history, availability of parts and service, equipment warranty, evaluation of quality, past operating experience and delivery date.

The City of Antigo reserves the right to reject any and all quotes and to determine the choice of equipment in the best interests of the City after considering those criteria mentioned in the preceding paragraph.

INTENT

It is the intent of this specification to describe equipment that could be utilized daily in season by a municipal government. **This equipment shall be furnished and delivered, complete and ready to use.**

All parts not specifically mentioned but which are necessary for the complete unit shall be supplied and installed by the vendor, even though such work or materials are not specifically outlined and shall conform in strength, quality and/or material and workmanship to be the best practice known to the industry.
