RE: Addendum No. 1, dated July 10, 2020

This Addendum forms a part of the Contract Documents and modifies the original Bidding Documents dated June 23, 2020.

This Addendum consists of one (1) page.

CONTRACT DOCUMENTS AND SPECIFICATIONS

Add. 1.1 Clarification: Multiple requests have been received from Prospective Bidders, suppliers, and manufacturers to submit substitute products and systems than those identified in the Construction Document package. These alternates shall be considered if they are submitted in accordance with Article 6, Section 6.05, Substitutes and "Or-Equals" and Section 012500 of the Project Manual and Specifications.

A list of plan holders/Official Prospective Bidders is being distributed via email to Official Prospective Bidders by the Issuing Office, Paragon Consulting Group, Inc., and posted publicly by Spalding County so that interested parties may contact the bidders for consideration. We ask that these alternates and/or substitutions be included with the bids for evaluation, provided the necessary documentation described in the aforementioned sections are submitted. An "Official Bidder" is defined under Instructions to Bidders. An Official Prospective Bidder is a Bidder who received a complete set of Bidding Documents and prior to receiving the documents provides Confirmation Documents, including a Georgia Contractor License and Surety Confirmation.

End of Addendum No. 1
