**7. PROPOSAL CRITERIA**

In upholding the best interest of the Brevard County Sheriff's Office, it is determined that in awarding the proposal(s) of services for this Request for Proposal, the proposer who is ultimately awarded the proposal must have a proven record in the specified fields. This being the case, the low proposer will not necessarily be awarded the RFP. Consideration will be given to the following criteria:

- The reputation of the proposer.
- Proposer's experience for services required.
- The ability of the proposer to complete work within the time constraints of this RFP.
- The implementation by the proposer of a Drug Free Workplace.
- The financial stability of the proposer.
- Other similar projects completed by the proposer in the past.
- A clear response to technical specifications, requirements, and criteria.
- A clear outline by which the proposer intends to fulfill the requirements and criteria.

The Brevard County Sheriff's Office reserves the right to reject any and all proposals or any part of a proposal, to waive minor defects or technicalities, or to solicit new proposals on the same project or on a modified project that may include

portions of the originally proposed project as the Sheriff, in the exercise of his sole and unfettered discretion, may deem necessary. No proposal shall be accepted from, or awarded to, any proposer, if there is pending or threatened litigation involving such proposer in which a claim is made that the proposer provided or furnished materially defective workmanship or materials to the Brevard County Sheriff's Office or that proposer failed to substantially comply with this Request for Proposal specifications or proposal terms and conditions. Proposers may be required to submit satisfactory evidence that they have the necessary financial resources to perform and complete the work outlined in this RFP. The Sheriff or the Sheriff's designee may, at his/her option, interview proposers submitting proposals prior to award.

## **8. PROPOSAL SUBMISSIONS**

All proposals must be submitted in a sealed envelope, **distinctly** marked on the outside as follows:

It is the responsibility of the proposer to ensure delivery of the proposal to the Brevard County Sheriff's Office on or before the stated date and time. The Brevard County Sheriff's Office is not responsible for delays in receipt caused by any method of delivery the proposer has chosen. The proposer will be responsible for reading and understanding completely the requirements in the specifications contained in the RFP. Proposals will not be accepted after the date and time specified for receipt.

## **9. FORMAL PUBLIC OPENING OF PROPOSALS**

Sealed proposals will be received up until the date and time of the formal proposal opening. The proposal opening will take place at the Brevard County Sheriff's Office Central Logistics Unit, 160 Doler Lane, Cocoa, FL 32927. No details of the competitive solicitation will be released.

## **10. FIRM PROPOSAL**

Each proposer warrants, by virtue of submitting their respective proposals, that the prices quoted in their proposal will be good and not revocable by the proposer for an evaluation period of sixty (60) days from the date of proposal opening unless otherwise stated. Firm prices shall be proposed and include FOB Destination, all packing, handling, and shipping charges, fuel surcharges and delivery, unless otherwise indicated. Proposers will not be allowed to withdraw or modify their proposals after the opening date and time.

Each Proposer also warrants that prices quoted will be good through the duration of the contract unless otherwise addressed by a contract extension or price adjustment request (see Item 23).

The Brevard County Sheriff's Office is exempt from Federal Excise Taxes and all sales tax.

## **11. PROPOSAL EVALUATION**

The Proposal Evaluation Team, comprised of personnel from the Brevard County Sheriff's Office, will perform the evaluation of all proposals. During this time, the Purchasing Administrator may take the option to initiate discussions with proposers who have submitted responsive proposals for the purpose of clarifying aspects of the proposals. Proposals may be accepted and evaluated without such discussion. The evaluation of proposals and the determination as to the equality of the proposal offered shall be the sole and final responsibility of the Brevard County Sheriff's Office Evaluation Team and will be based on the information furnished by the proposer. The Proposal Evaluation Team will utilize, but not be solely limited to, the following criteria:

- Work Outline: The proposer shall have demonstrated a clear and concise understanding of all requirements as indicated in the Specifications portion of this RFP.
- Drug Free Work Place Certificate.
- Qualifications: Proposers shall have indicated knowledge and experience with similar projects.

## **12. PROPOSAL QUALIFICATIONS**

Proposers may be required to furnish evidence in writing that they maintain a permanent place of business and have adequate finances and personnel to furnish the item(s) or service(s) offered satisfactorily and expeditiously. Proposers must be in possession of an active occupational license and must be able to provide this information upon request. The Brevard County Sheriff's Office reserves the right to inspect the proposer's place of business prior to the award of any proposal and to determine the ability of the proposer to meet terms and conditions as set forth herein. The proposal pursuant to this RFP will only be entered into with responsible proposers, found to be satisfactory by the Brevard County Sheriff's Office, qualified by experience, and secure in a financial position to do the work specified.

Should the original proposer sell or transfer all assets or the entire portion of the assets used to perform this RFP, a successor-in-interest must perform all obligations under this RFP. Brevard County Sheriff's Office reserves the right to reject the acquiring entity as vendor. A change of name agreement will not change the contractual obligations of the vendor.

### **13. PRIME VENDOR RESPONSIBILITY**

Any proposal(s), whether it be single or multiple that may result from this RFP shall specify that the prime vendor is solely responsible for fulfillment of the proposal with the Brevard County Sheriff's Office. The Brevard County Sheriff's Office will make payment only to the prime vendor.

Subcontracting is the sole responsibility of the prime vendor and all sub-vendors selected by the prime vendor must be approved, in advance, by the Brevard County Sheriff's Office for legal, technical, performance and historical considerations, which may influence the approval or disapproval of any proposed sub-vendor.

### **14. PROPOSAL SUBMITTAL COSTS**

Submittal of a proposal is solely at the cost of the proposer. Therefore, the Sheriff is in no way liable or obligates himself for any cost incurred by the proposer in determining and submitting a proposal pursuant to the Request for Proposal.

### **15. ACCEPTANCES AND REJECTIONS**

The Sheriff reserves the right to reject any or all proposals for cause, to waive irregularities, if any, and to accept the proposal or proposals which in the judgment of the Sheriff is in the best interest of the Brevard County Sheriff's Office.

The Sheriff may reject a proposal from a vendor who has demonstrated a history of non-compliance with previous bid awards, which would include price changes within the original term of an RFP, failure to deliver product in a reasonable time, unauthorized substitutions or any other practice that had impeded Brevard County Sheriff's Office from acquiring acceptable goods or services for the benefit of the agency and the citizens of Brevard County.

The Brevard County Sheriff's Office reserves the right to reject proposals containing any additional terms or conditions not specifically requested in the original conditions and specifications.

### **16. AWARD**

The award of the proposal may be made to the most qualified responsive proposer offering a product or service deemed suitable for use by the Brevard County Sheriff's Office. The Brevard County Sheriff's Office will use its discretion to determine if proposals meet the requirement of this solicitation and reserves the right to make award by items, groups, classes, or items as a whole, or NOT AT ALL, whichever is deemed to be in the best interest of the Brevard County Sheriff's Office.

### **17. NEXT QUALIFIED PROPOSAL**

In the event of default by the vendor who is awarded the proposal, the Brevard County Sheriff's Office reserves the right to utilize the next qualified proposal as the awarded vendor. In this event, the next qualified proposer shall be required to provide the proposal items at the prices as contained on such proposer's proposal for this RFP for the remainder of the award period.

### **18. DEFAULT**

The award of the proposal may be canceled or annulled by the Brevard County Sheriff's Office in whole or in part by written notice of default to the proposer who is awarded the proposal upon non-performance or violation on award items. In such an event, an award of the proposal may be made to the next low proposer, or articles specified may be purchased on the open market similar to those so terminated. Failure of the awarded proposer to deliver goods within the time stipulated in these specifications, unless extended by a Chief Officer of the Brevard County Sheriff's Office, shall constitute a default.

### **19. APPROPRIATION**

Any proposal awarded, as a result of this RFP process, may be terminated if there have not been adequate appropriations of monies to fund this RFP. Written notification to the proposer of non-appropriation of funds will result in the effect of termination of this RFP or any proposal awarded. The proposer as final will accept the decision of the Sheriff as to whether sufficient appropriations and authorizations are available, without any proposer having recourse against the Sheriff.

### **20. NOTICE**

The laws of the State of Florida impose civil and misdemeanor criminal penalties for violation of purchasing guidelines. In addition, the laws of the State of Florida impose felony penalties for bribes, gratuities and kickbacks.

### **21. PUBLIC ENTITY CRIMES**

In accordance with the Public Entity Crimes Act, Section 287.133, Florida Statutes, the Brevard County Sheriff's Office, as a public entity, may not accept any proposal from, award any proposal to, or transact any business in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO (currently \$ 35,000) with any person or affiliate on the convicted vendor list for a period of thirty-six (36) months from the date that person or affiliate was placed on the list (unless that person or affiliate has been removed from the list pursuant to Section 287.133(3)(f),

Florida Statutes). Proposers submitting on behalf of dealers or suppliers who will ship commodities and receive payment from the resulting proposal are responsible for determining that any such dealers or suppliers meet the criteria outlined in the preceding sentences.

## **22. AGREEMENT TERMS AND CONDITIONS**

In the event of an award for services, a bi-lateral contract will be prepared by the Brevard County Sheriff's Office, to be agreed upon and signed by both parties prior to the commencement of the services. In the event of an award for product purchases, the Brevard County Sheriff's Office purchase order shall serve as the contract.

- The Sheriff will have the option to renew the proposal based on the terms found in the Specifications. Each renewal will be based on a yearly review of the services provided by the vendor.
- The Brevard County Sheriff's Office reserves the right to negotiate with the awarded vendor provisions in addition to those contained in this RFP. The contents of this RFP, revised and or supplemented, and the successful proposer as accepted by the Sheriff will be incorporated into the agreement. If alternative terms and conditions are not accepted, all agreements henceforth pertaining to this RFP would be terminated.

## **23. PRICE ADJUSTMENTS**

Any price increase proposed by the vendor must be requested in writing at least sixty (60) days prior to the end of a 12-month period or the expiration of the current contract term or extension period, as applicable. The Brevard County Sheriff's Office reserves the right to accept or reject vendor price adjustment requests, as it determines to be in the best interests of the Brevard County Sheriff's Office. The Brevard County Sheriff's Office reserves the right to, but is not obligated to, consider price adjustments based upon events or changes that impact a given vendor in a manner materially different than the industry if the vendor presents evidence that the Brevard County Sheriff's Office, in its sole discretion, clearly substantiates material cost increases specific to such vendor. In the event of changes to national or state standards, the vendor must present verifiable changes in cost to the Brevard County Sheriff's Office. The Brevard County Sheriff's Office will consider the cost changes and will make a final determination on the change in price.

The vendor price adjustment request must clearly substantiate the requested change. If no request is received from the vendor prior to the expiration of the initial term, the Brevard County Sheriff's Office will assume that the vendor has agreed that the renewal option may be exercised without pricing adjustment. Any adjustment request received after the commencement of a renewal term will not be considered.

The Brevard County Sheriff's Office reserves the right to accept the renewal adjustment or to allow the contract to terminate and re-advertise for proposals or quotes, whichever the Sheriff determines to be in the best interest of the Brevard County Sheriff's Office

## **24. DRUG FREE WORKPLACE CERTIFICATION**

In accordance with Florida Statutes, Section 287.087, preference shall be given to the proposer with a drug free workplace program in the case of two or more proposals with equal respect to price - see Appendix B-Drug Free Workplace Certification Form.

## **25. TIE PROPOSALS**

In the event two or more proposers have submitted the most qualified proposals, award preference may be given based on the following criteria:

- Proposer with a Drug Free Workplace Program (see Appendix B),
- Proposer who has his/her/its principal place of business in Brevard County,
- If the proposers involved in the tie situation are all located inside or outside of Brevard County, the decision will be made by a Chief Officer of the Brevard County Sheriff's Office.

## **26. ADDITIONAL TERMS AND CONDITIONS OR DEVIATIONS**

Any additional terms and conditions, which may be the subject of negotiation, will only be discussed between the Brevard County Sheriff's Office and the vendor and shall not be deemed an opportunity to amend the vendor's proposal. The vendor may submit with the proposal a complete set of any additional terms and conditions, which the vendor is requesting be included in an agreement negotiated with the Sheriff, although the Sheriff has the right to reject any such request.

## **27. CLAIMS**

The successful proposer will immediately replace missing or damaged items and will be responsible for making any and all claims against carriers.

## **28. RIGHT TO WAIVE IRREGULARITIES**

The Brevard County Sheriff's Office reserves the right to waive irregularities if such a waiver is, in the opinion of the Sheriff, in the best interest of the Brevard County Sheriff's Office. The Brevard County Sheriff's Office also reserves the

right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise affect the procurement. The right is within the sole discretion of the Brevard County Sheriff's Office.

**29. CHANGES IN VENDOR REPRESENTATIVES**

The Brevard County Sheriff's Office reserves the right to request a change in the identity of one or more of the vendor's representatives if the assigned representatives are not, in the sole opinion of the Brevard County Sheriff's Office, adequately meeting the needs of the Brevard County Sheriff's Office.

**30. BREVARD COUNTY SHERIFF'S OFFICE RIGHTS**

The Brevard County Sheriff's Office reserves the right to accept all or a portion of a proposal, including the right to purchase equipment from approved price proposals. The Brevard County Sheriff's Office is a county constitutional office of the State of Florida. It has the authority to either individually or collectively execute contracts for all goods and services for the proper conduct of the office. Florida Statutes Section 30.53, exempts sheriff's offices from the provisions of the Florida Statutes that would otherwise require sealed and competitive bidding procedures.

**31. RIGHT TO PUBLISH**

Throughout the duration of the procurement process and proposal term, proposers must secure from the Brevard County Sheriff's Office written approval prior to the release of any information that pertains to the potential work or activities covered by the procurement or the subsequent proposal. Failure to adhere to this requirement may result in disqualification of a proposal. RFPs will be answered by general distribution.

**32. INVOICING AND PAYMENTS**

The vendor will invoice the Brevard County Sheriff's Office for services rendered as completed. The timely payment of invoices is incumbent upon the Brevard County Sheriff's Office and payment shall not exceed forty-five (45) days from date of receipt of an invoice. Mail invoices to:

Brevard County Sheriff's Office  
Finance Department  
700 Park Avenue  
Titusville, FL 32780

**33. TERMINATION**

When deemed in the best interest of the Brevard County Sheriff's Office, any award(s) of a proposal resulting from this REQUEST FOR PROPOSAL may be canceled by the following means:

- Ten (10) days written notice with cause – if through any cause within the reasonable control of the vendor, it shall fail to fulfill in a timely manner, or otherwise violate any of the terms of this contract, the Brevard County Sheriff's Office shall have the right to terminate the services remaining to be performed. Written notice of the deficiencies shall be given to the vendor and unless the deficiencies are corrected within ten (10) business days, the contract may be terminated for cause immediately. The right to exercise such right shall not be deemed to constitute a waiver of this right.

In that event, the Brevard County Sheriff's Office shall compensate the successful proposer in accordance with the contract for all services performed by the proposer prior to termination, net of any costs incurred by the Brevard County Sheriff's Office as a consequence of the default.

Notwithstanding the above, the vendor shall not be relieved of liability to the Brevard County Sheriff's Office for damages sustained by the Brevard County Sheriff's Office by virtue of any breach of the contract by the vendor, and the Brevard County Sheriff's Office may reasonably withhold payments to the vendor for the purposes of off-set until such time as the exact amount of damages due the Brevard County Sheriff's Office from the vendor is determined.

- Thirty (30) days written notice without cause – the Brevard County Sheriff's Office can terminate the contract in whole or part without cause by giving written notice to the vendor of such termination, which shall become effective thirty (30) days following receipt by vendor of such notice.

In that event, all finished or unfinished documents and other materials shall be properly delivered to the Brevard County Sheriff's Office.

The vendor shall not furnish any product after it receives the notice of termination, except as necessary to complete the continued portion of the contract, if any. The vendor shall not be entitled to recover any lost profits that the vendor expected to earn on the balance of the contract or cancellation charges.

Any payments to the vendor shall be only to the total extent of the Brevard County Sheriff's Office liability for goods or services delivered prior to the date of notice to terminate the contract.

**34. SUBSTITUTION**

The vendor shall not substitute or deviate from said specifications contained in this RFP without the written consent of the Sheriff or his designee, and such consent may be withheld unreasonably. The Sheriff will consider any violation of this procedure by the vendor cause for termination of the proposal. Items may be tested for compliance with the specifications. Items delivered not conforming to specifications may be rejected and returned at the vendor's expense.

**35. GOVERNING LAWS AND VENUE**

The laws of the State of Florida shall govern the interpretation, administration and enforcement of the proposal entered into by and between the vendor and the Sheriff. Any and all legal action brought to enforce or interpret the proposal shall be brought and maintained exclusively in the appropriate state court in Brevard County, Florida.

**36. INDEMNIFICATION**

In addition to the requirements to obtain and maintain a policy of public liability insurance pursuant to which the Sheriff shall be named as either an additional insured or the named insured, the proposer shall agree to indemnify, defend and hold the Sheriff, its officers, employees and agents, harmless from and against all claims, suits, actions, damages or causes of action for any personal injury, loss of life, damage to property or any action as a result of the performance of the work for which the proposal was entered into and from and against any orders, judgments, or decrees, which may be entered thereto, and from and against all costs, attorney's fees, expenses and liabilities incurred in or by reason of the defense of any such claim, suit, or action, and the investigation thereof. Nothing in the proposal shall be deemed to affect the rights, privileges and immunities of the Sheriff as set forth in Florida Statutes Section 768.28.

**37. EXCEPTIONS TO PROPOSAL**

All proposal materials must clearly and with specificity detail all deviations to the exact requirements imposed upon the proposer by the General Terms and Provisions. Such deviations should be stated upon the Proposal or appended thereto. Proposers are hereby advised that the Brevard County Sheriff's Office will only consider proposals that meet the specifications and other requirements imposed upon them by this RFP. In instances, where an exception is stated upon the proposal, said proposal will be subject to rejection by the Brevard County Sheriff's Office in recognition of the fact that the said proposal does not meet the exact requirement. Each proposer understands that their proposal must be signed in ink and that the unsigned proposal will be considered incomplete and subject to rejection by the Brevard County Sheriff's Office.

**38. ADDITIONS/DELETIONS**

The Brevard County Sheriff's Office reserves the right to add or delete any items from this proposal or resulting award(s) when deemed in the best interest of the Brevard County Sheriff's Office.

**39. ADJUSTMENTS, MODIFICATIONS, AND AMENDMENTS**

Should the Sheriff and the vendor mutually agree to a change in the scope of the program during the proposal term, the vendor will be allowed to change the proposal. However, the Sheriff, prior to such change being effective, must sign any amendment to the proposal. Changes in contractual provisions of services to be rendered under the proposal may be made only in writing and must be approved mutually by an authorized agent of the vendor and by the Sheriff. The vendor shall give full attention to the execution of the proposal, shall keep the proposal under their control, and shall not by the power of attorney or otherwise assign the proposal to any other party without prior approval of the Sheriff. If services to be provided pursuant to the proposal are abandoned or if delayed by the vendor, or any time, the Sheriff is of the opinion that products to be furnished or services to be provided have been abandoned or if delayed by the vendor, the Sheriff may terminate the proposal or any part thereof if the vendor fails to resolve the matter within three (3) days after receipt of written notice of delay or abandonment from the Brevard County Sheriff's Office. Should laws change requiring additional services or significant changes in cost, the vendor and the Sheriff will negotiate an equitable price increase. The reverse will hold true should laws change requiring fewer services or reductions in cost, in which case the vendor and Sheriff will negotiate an equitable price reduction. During the term of this proposal, the vendor shall furnish all the services specified in this Request for Proposal and confirm that the Brevard County Sheriff's Office has no responsibility or obligation to the vendor to assist in providing the required services. All notices and requests by the Brevard County Sheriff's Office, and the vendor shall be in writing and shall be delivered by personal delivery, facsimile, or registered or certified United States mail, postage prepaid, return receipt requested, to the applicable party at the correct address provided in the proposal.

**40. INSURANCE REQUIREMENTS**

During the term of the contract to be awarded pursuant to this RFP, the vendor shall be responsible for maintaining all insurance coverage required in accordance with applicable state and federal laws at their own expense and without cost to the Brevard County Sheriff's Office. Any cancellations or lapses of insurance affecting the operation of the Brevard County Sheriff's Office under the contract shall be deemed a material breach. If any insurance coverage or policy should be canceled or changed by the vendor or the insurance company, or the coverage or policy expires during the period of this proposal award, the vendor shall be responsible for securing other acceptable insurance coverage to provide the specified insurance coverage in the RFP to maintain continuous insurance coverage during the life of the award. The insurance

company or companies providing insurance for the vendor must be acceptable to the Brevard County Sheriff's Office. In addition, the vendor will document proof of insurance coverage specifically for the Brevard County Sheriff's Office in the following **minimum** amounts:

Comprehensive General Liability Insurance policy in the amount of \$1,000,000 combined single limit for each occurrence to include the following coverages: Premises/Operations, Products and Completed Operations, Personal Injury, Contractual Liability covering this contract, and Errors & Omissions;

Workers' Compensation and Employers Liability Insurance as required by Florida state law (Chapter 440) covering all employees of the vendor and subcontractors;

Auto Liability Insurance which includes coverage for all owned, non-owned, and rented vehicles with a \$1,000,000 combined single limit for each occurrence.

In the event that the contract involves professional or consulting services, in addition to the aforementioned insurance requirements, the vendor shall also be protected by a Professional Liability Insurance Policy in the amount of \$1,000,000 per occurrence and \$6,000,000 per aggregate. Vendor's catastrophic insurance or re-insurance limits are to be detailed and specified for protection against personal injuries, deaths, or property damages, arising from or in any manner occasioned by the acts or omissions of the vendor or anyone directly or indirectly employed by the vendor. The company or companies providing this insurance policy must be lawfully authorized to do business as an insurer in the State of Florida.

Certificates of insurance must be supplied to the Brevard County Sheriff's Office within ten (10) days after award of contract to a successful proposer. The certificates of insurance (COI) shall indicate that the policies have been endorsed to cover the Brevard County Sheriff's Office as an **additional insured**. These policies may not be canceled, modified, or terminated by the insurance company or the vendor without providing written notice to the Brevard County Sheriff's Office not less than thirty (30) days in advance of the cancellation or termination of the insurance policy or policies. Furthermore, the vendor shall provide the Brevard County Sheriff's Office with written evidence of the renewal of each such insurance policy not later than the expiration date of the initial policy or policies in force at the time that the contract to be entered into by the vendor and the Brevard County Sheriff's Office is made effective.

The insurance coverage enumerated above constitutes the minimum requirements and shall in no way lessen or limit the liability of the vendor under the terms of the contract. Sub-contractor's insurance shall be the responsibility of the vendor.

#### **41. FORM OF BONDS**

Bid Bonds and Performance Bonds, when required, shall be submitted with the proposal in the amount specified in Specifications. Unless otherwise specified in the proposal documents, the bonds shall be written in a form meeting the current laws and regulations in the State of Florida. The proposer shall require the Attorney-In-Fact who executes the required bonds on behalf of the surety to affix thereto a certified and current copy of his or her Power of Attorney.

#### **42. FLORIDA PUBLIC RECORDS PROVISIONS**

##### **A. The Vendor agrees as follows:**

1. Upon the request from the Brevard County Sheriff's Office custodian of public records, the vendor shall provide the Brevard County Sheriff's Office with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Florida Statutes, Chapter 119, or as otherwise provided by law.
2. The vendor shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the term of this Agreement and following completion or termination of this Agreement if the vendor does not transfer the records to the Brevard County Sheriff's Office.
3. Upon completion or termination of this Agreement, transfer, at no cost, to the Brevard County Sheriff's Office all public records in possession of the vendor or keep and maintain public records required by the Brevard County Sheriff's Office to perform the service. If the vendor transfers all public records to the Brevard County Sheriff's Office upon completion of the Agreement, the vendor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the vendor keeps and maintains public records upon completion or termination of this Agreement, the vendor shall meet all applicable requirements for retaining public records. The successful proposer will provide a cloud based, hosted web application solution that is able to accommodate the following requirements:

1. Manage the full scope of business processes from incident tracking; bite investigations; sheltering animals; administering daily tasks; tracking adoptions; scheduling medical appointments; and tracking medical care and medications;
2. Provide standard reports and have the ability to create custom reports;
3. Have the ability to set up auto email of any report on a scheduled basis;
4. Provide services necessary to meet statutory requirements regarding medical records and rabies vaccination certificates (see Part C);
5. Provide a web report tool for lost and found pets;
6. Provide training and the option to purchase additional features that might be offered in the future;
7. Provide continuing 24/7 support and mobile capability;
8. Provide continuing support as internal system changes occur, independent interfaces become necessary, or system customizations are required;
9. Interface with several systems including the Point and Pay system, the PetChamp licensing system, the PETHARBOR website and Tyler Technologies New World Public Safety records management system.

#### **PART A – GENERAL TERMS AND PROVISIONS**

**1. Background:** The Brevard County Sheriff's Office Animal Shelter is a full-service, open-admission animal care and control unit that handles approximately 10,108 animals annually. Basic shelter operations include sheltering and providing medical care for animals as well as adoptions, surrenders, a spay/neuter clinic, animal control/enforcement, investigations, foster parent management, lost/found pet matching, and minimal pet licensing. The Animal Enforcement division completes an average of 13,975 activity reports per year and handles an average of 19,300 requests for service per year.

The BCSO Animal Shelter is located at 5100 West Eau Gallie Boulevard, Melbourne, Florida 32934 and has approximately 35 users. The Viera Animal Services Office is located at Judge Fran Jamieson Way, Building A, Room 119, Melbourne, Florida 32940 and has approximately 5 users. The Sarno Animal Services Office is located at 1515 Sarno Road, Building B, Melbourne, Florida 32935 and has approximately 25 users (which includes mobile field users using a mobile device). The Finance Unit is located at 700 Park Avenue, Titusville, Florida 32780 and has approximately 1 user.

Currently the Brevard County Sheriff's Office Animal Shelter utilizes the Chameleon system for its shelter operations. Chameleon is a client/desktop application with an SQL database. This system is used to manage all elements of the shelter operation except for volunteer management, payment processing, and on-line license sales. The system is utilized by shelter staff, animal services support staff, animal enforcement officers, and volunteers.

Animal licensing is processed using a separate system (PetChamp) which will require an interface. The Brevard County Sheriff's Office does process some payments and licenses in-house which will also require an interface with Point and Pay (or a way to document funds received with the ability to reconcile those funds with what was posted through Point and Pay).

**2. Continuity of Service:** Continuity of service is a must with this contract. The Brevard County Sheriff's Office would expect complete coordination to facilitate a smooth transition.

**3. Proposals:** Six (6) proposals, one original and five (5) copies, must be submitted in a SEALED envelope/package addressed to: Central Logistics Unit – Purchasing, Brevard County Sheriff's Office, 160 Doler Lane, Cocoa, Florida 32927. To prevent inadvertent opening, the mailing label must clearly indicate the RFP title and number. (This must be placed on the outside of the envelope/package).

**4. Postponement of Date for Presentation and Opening of Proposals:** The Brevard County Sheriff's Office reserves the

right to postpone the date for receipts and opening of proposals and will make a reasonable effort to give at least five (5) calendar days' notice of any such postponement to each prospective Proposer.

**5. Proposer Obligation and Disposition:** The contents of the proposal and any clarifications thereto submitted by the successful proposer shall become part of the contractual obligation and incorporated by reference into the ensuing contracts. All proposals become the property of the Brevard County Sheriff's Office and will not be returned to the Proposer.

**6. Laws, Statutes, and Ordinances:** The terms and conditions of the Request for Proposal and the resulting contract or activities based upon the RFP shall be construed in accordance with the laws, statutes, and ordinances applicable to Brevard County. Where state statutes and regulations are referenced, they shall apply to this Request for Proposal and to the resulting contract.

**7. Additional Information:** Any questions regarding this RFP, points of clarification, or requests for additional information must be in writing and directed to Yvonne Nicholas, Purchasing Administrator, Brevard County Sheriff's Office to be received no later than 3:00 p.m. (EST), December 13, 2019. Questions received after this date and time will not be answered. Answers to all questions received will be subject to general distribution to all proposers who have returned the Acceptance Form-Appendix A by the date stated on the Schedule of Events.

Contact by Proposers or potential Proposers to this RFP of any Brevard County Sheriff's Office personnel to gain further information, clarification, or documentation concerning this RFP is strictly prohibited. Any violation of this requirement will be reason for disqualification, by the Brevard County Sheriff's Office or its appointed staff, of the Proposer for consideration of the services stated in this RFP.

**8. Proposer Presentations:** Each qualified Proposer will be required to give a presentation, not to exceed three (3) hours including questions and answers. The presentations will be held at the Brevard County Sheriff's Office, Parkway Complex, 700 South Park Avenue, Titusville, Florida 32780. Specific times will be emailed to each Proposer after the Formal Proposal Opening January 9, 2020. The agenda for the mandatory oral presentations should focus on demonstrating that the objectives detailed in PART B – SPECIFICATIONS AND PROGRAM REQUIREMENTS would be accomplished with the vendor's proposed software.

**9. References:** Each Proposer will be required to provide three (3) references of vendors who are currently using their Animal Management Software. Vendor reference contacts must be someone who is willing and able to speak about vendor's software and performance of same.

**10. Terms of the Contract:** The contract shall cover a five (5) year period commencing February 15, 2020. (Year 1 – February 15, 2020-February 14, 2021; Year 2 – February 15, 2021-February 14, 2022; Year 3 – February 15, 2022-February 14, 2023; Year 4 – February 15, 2023-February 14, 2024; and Year 5 – February 15, 2024-February 14, 2025). On February 15, 2020, the Brevard County Sheriff's Office would expect to have COTS software (matching the RFP criteria and specifications) in hand with implementation to be discussed between BCSO IT, Animal Services, and the successful Proposer. Service performance will be reviewed annually. At the end of the initial contract, the Sheriff will have the option to renew the contract. Changes in the contractual provisions or services to be furnished under the contract may be made only in writing and must be approved by the Brevard County Sheriff's Office and the agent of the Proposer. Should a decision be made to increase the scope of the contract, the Brevard County Sheriff's Office and the Proposer will mutually agree, in writing, to an adjusted contract price.

## **PART B – SPECIFICATIONS AND PROGRAM REQUIREMENTS**

**1. Software Objectives:** A successful cloud based solution will help to manage all aspects of the Animal Shelter business processes. The high-level objectives are listed, but not limited to:

- A. Reduce manual processes resulting in greater efficiencies and level of service at the Animal Shelter and in the field;
- B. Efficiently document, search, and trace each animal that has been at the shelter along with owner information;
- C. Enter, track, and manage all field enforcement operations electronically from start to finish, regardless of location or tools used;
- D. Search system database for lost/found pets efficiently to report a lost pet or unite one with an owner;
- E. Provide a public facing web-based service to display animals received and adoptable, and receive lost and found pet information reported by citizens in accordance with Florida Statutes;
- F. Document a foster parent/animal relationship while retaining all relevant information on both the individual and animal;

- G. Complete all administrative shelter tasks electronically and eliminate as many manual documents as possible;
- H. Efficiently track all medical care provided to the animals at the shelter to include surgeries, vaccinations, medications, surgery center scheduling, and euthanization documentation. Currently Outlook calendars are used to schedule some medical appointments with reminders sent to the vets. Other appointments are kept manually. Current software allows for “To Do” lists which are utilized daily to assist the vets, animal care technicians, and medications pass personnel. Scheduling and managing appointments is preferred along with the ability to receive reminders of upcoming appointments (a necessity for the vets);
- I. Audit all payment types that are processed regardless of user type or location;
- J. Integrate with current interfaces that are in place: PetChamp, Point and Pay, PETHARBOR.com, and Tyler Technologies New World Public Safety;
  - a. PetChamp – online licensing system. The objective of this interface is to keep the animal, owner, and veterinarian records from both systems up to date. PetChamp provides online services for veterinarians, owner information, animal names, animal licensing fees, and vaccinations. The only licenses sold at the Brevard County Sheriff’s Office facilities are for “walk ups” and those associated with adoptions at the Shelter. The interface with PetChamp could be real time or through batches completed frequently throughout the day. A two-way interface is recommended. The information to be provided would be veterinarian information, owner information, licensing information, vaccination information, and animal information.
  - b. Point and Pay – online payment processing system. The objective of this interface is to have a secure system where credit card transactions are processed at a minimal cost to the agency. If the proposed software will securely process credit card transactions and provide the necessary transactions and accounting auditing tools, then this interface is not required. If the proposed software cannot process a payment securely and properly document the transaction, then a synchronization or interface must be created.
  - c. PETHARBOR.com – a national online adoptable and lost & found database. This is a national website utilized by various shelters across the country for adoptable and lost & found animals. This would be a one-way interface from the new animal services system. The specific data would be designated by PETHARBOR but will include at a minimum the animal name, animal ID, sex, breed, color, age, date, shelter location, and a picture.
  - d. Tyler Technologies New World Public Safety – records management system. The objective of this interface is for dispatched calls to be exported to create an “activity” or “investigation” within the new animal services system for follow-up. This would be a one-way interface from Tyler Technologies New World Public Safety.
- K. Provide search capability of all licenses and payments provided through the interface with PetChamp;
- L. Provide the ability to create custom reports;
- M. Provide the ability to email any reports on a scheduled basis;
- N. Establish preferred record identification in a unique numbering sequence on an annual basis for auditing purposes – each animal, person, and transaction record will have its own unique ID number;
- O. Retain all records for fifteen (15) years;
- P. Recognize that some of the Animal Shelter database information is confidential and exempt from public record; all public record requests would continue to be addressed by the Animal Service Unit (Florida Statute Section 119).

**2. Mandatory Technical Requirements:** The following are mandatory technical requirements that the Proposer must meet for the bid to be considered. The Proposer must clearly show that their product meets and/or exceeds these requirements. Each bid submittal should be sufficiently detailed to clearly show how mandatory technical requirements would be met without looking at any other material.

- B. Must be a cloud based, hosted web application;
- C. Must be PA-DSS and PCI-DSS compliant;
- D. Google Chrome (preferred), Internet Explorer (IE 11) or Microsoft Edge are acceptable browsers;
- E. Proposer must provide technical support 7 days a week from 7 a.m. – 7 p.m. (EST);
- F. Provide an objective third party attestation stating that the application has been tested for common security vulnerabilities as articulated by the “OWASP Top-10”. These include, but are not limited to, SQL injection, cross-site scripting, cross-site request forgery, and others (see [www.owasp.org](http://www.owasp.org) for details). The Brevard County Sheriff’s Office will not pay for this evaluation;
- G. Import data accurately from the current system (2015-current day) into the new application;

- H. Implement a wild card search to avoid duplicate entries for people and animals, including the ability to be able to merge duplicate records;
- I. Provide an aggregation of relational data and miscellaneous “notes” fields to be able to produce necessary reports with all the information needed for investigations and adoptions;
- J. Allow field officers and other staff to be able to enter information directly into the software using a client/desktop application over a VPN connection.
- K. Allow staff to pull reports that contain the data necessary to fulfill Public Records Requests.

#### **PART C – STATUTORY REQUIREMENTS -MEDICAL RECORDS & RABIES VACCINATIONS**

Florida State Statute 828.30(3) requires the rabies vaccination certificate be recorded in the software. *“Upon vaccination against rabies, the licensed veterinarian shall provide the animal’s owner and the animal control authority with a rabies vaccination certificate. Each animal control authority and veterinarian shall use the “Rabies Vaccination Certificate” of the National Association of State Public Health Veterinarians (NASPHV) or an equivalent form approved by the local government that contains all the information required by the NASPHV Rabies Vaccination Certificate. The veterinarian who administers the rabies vaccine to an animal as required under this section may affix his or her signature stamp in lieu of an actual signature.”*

The Florida Department of Health requires the vaccination records to be retained for at least three years. *“Veterinarians in Florida are required to maintain medical records, including rabies vaccination records, for at least three years (61G18.18.002 [1 & 2], Florida Administrative Code).”*
