Scope of Services

1. INTRODUCTION

The Indian River County Parks and Recreation Division’s focus is to provide the public, both residents and visitors, with unique recreation experiences. The County’s parks, open space, and recreation facilities contribute to the health of the community’s residents, enhance the integrity and quality of the natural environment, and attract visitors to the community, thereby contributing to local tourism and economic development.

To optimize the County’s existing parks and recreation resources and assets, as well as strategically plan for the future, the County is interested in preparing a Parks and Recreation Master Plan (“Plan”). The master planning process is designed to ensure that Indian River County’s legacy of parks and open spaces will continue into the future and that community resources will be dedicated to programs and facilities that are desired by and will be utilized by citizens. The County is hereby soliciting proposals from qualified and interested consultants in the development of the Plan.

2. COUNTY OVERVIEW

Indian River County, established on June 29, 1925 by an act of the Florida Legislature, is located on the central Atlantic coast of Florida, approximately 100 miles southeast of Orlando and 135 miles north of Miami. The County is bordered by Brevard County to the north, St. Lucie County to the south, and Osceola and Okeechobee Counties on the west. There are approximately 100 miles of waterfront land in the County, including 23 miles of Atlantic beaches. The City of Vero Beach is the seat of County government.

Indian River County is a non-charter county established under the Constitution and the Laws of the State of Florida. It is governed by a five-member Board of County Commissioners (Board) elected at large from the five districts within the County. A County Administrator is appointed by the Board and is responsible for implementing the policies set forth by the Board. The Administrator is charged with the proper fiscal management of the resources of the County as well.

In addition to the Board, there are five elected Constitutional Officers serving specific governmental functions: Clerk of the Circuit Court and Comptroller, Property Appraiser, Sheriff, Supervisor of Elections and Tax Collector. Although the majority of the funding for all Constitutional Officers is part of the County’s General Fund, the Board does not have direct responsibility for their operations. Each office is run separately within each of its respective legal guidelines. Indian River County provides a full range of services including, but not limited to: construction and maintenance of roadways, sidewalks and other infrastructure, fire rescue/emergency services, law enforcement, library services, traffic operations and control, parks and recreational services, golf course, human services, building inspections, licenses and permits, water/sewer utility services, and refuse collection and disposal.

Local Economy Indian River County’s estimated population of 161,702 was a 1.81% increase over the previous year. While the population of the County has been steadily increasing, so has the median age of residents living here. Indian River County is ranked sixth among Florida counties by percent of population ages 65 and older with 33.0%. Nationally, average ages have risen due to the increasing age of the baby boomer generation as well as the increase in life expectancy for all Americans. In addition, Florida continues to be a popular destination for retirees. Historically, Indian River County’s economy was made up of agriculture (citrus and cattle) and tourism. Those industries have now been complemented with an increase in health care and information technology firms, light manufacturing, wholesale and retail trade and service sector jobs. The unemployment rate has

decreased from 5.9% in 2020 to 4.6% in 2021. Piper Aircraft, Inc., whose headquarters for aircraft research, development and manufacturing operations are located in Vero Beach, is the largest manufacturing employer in the area. CVS Pharmacy operates a distribution center, which provides the distribution of products to all CVS locations in the southern half of Florida. The Atlantic beaches and the Indian River, along with the comfortable climate, provide the basis for a year-round tourism industry. Residents can enjoy these resources at any of the County parks, the Sebastian Inlet State Park or the Pelican Island National Wildlife Refuge. Sandridge Golf Club is comprised of two 18-hole championship courses earning the distinction as one of the finest public golf destinations in the entire state of Florida. Sandridge Golf Club has been rated four and a half stars by Golf Digest and earned a spot on the magazine's "Places to Play List".
