

Initial Vendor Registration using Vendor Registry

Registering with a Vendor Registry partnered government or school district is a simple process with our easy to use online portal.

Follow these simple steps to get your Vendor Registry account started.

- 1. Find the vendor registration link under the government's Purchasing or Procurement Department page
- 2. Fill out required(*) fields and click 'Get Started' button to receive your PIN by email

	purchasing agents are able to find you.	
	SEARCH FOR PRODUCTS AND SERVICES. IFUTER BY	
	Linter product to remain here Q © Preducts © Services +	e bun
		Selected
		0

- In the search bar, type a keyword that describes your products and/or services (search one keyword at a time)
- In the 'Filter By:' select if you want to search for products, services or both
- Click on the magnifying glass in the search bar to execute the search and show results
- Within the results, find the description(s) that best fit your products and/or services and click on the blue plus (+) sign to add the codes to your profile (you can select multiple codes). Your selected product and service codes will populate in the light gray box on the right side under 'Selected'.
- Click 'Save and Continue' once you have added all codes

6. Congratulations! You have completed your registration through Vendor Registry.
