Charlotte Gensler                                                                                  Scott Elder
Executive Director                                                                           Superintendent

**DATE**: 01/09/2023
**RFP NUMBER**: 23-057RR
**RFP TITLE**: E-Rate MDF/IDF Fiber Switch and Wireless Controller Upgrade
**ADDENDUM NUMBER**:  1

**Please see information in regards to the RFP Listed below:**

- Page 29 of the RFP asks for JL700C switch, and then asks for maintenance for JL7100C, this should be for a JL700C.

Switch Appendix Pricing Sheet has been edited for the following:

- Correct the JL700C SKU
- Remove and address the section highlighted in red under project 3.
- Updated the language about vendors identifying the ineligible percentage.

**Questions and Answers listed below:**

1.) Question: For the HPE 1G SFP LC SX 500m MMF XCVR ( J4858C) are these connecting MDF to IDF switches for backhaul connectivity? If so, is APS standardizing on 10G SFP+ for inter switch connections?

Answer: APS is not changing to 10G on backhaul connectivity to IDFs from MDFs for inter switch connectivity at this time.

2.) Question: Is Aruba Central management software being requested for the 6300M's and the 6200M's?

Answer: Yes
