The objective of this bid is to select suppliers in such a manner as to provide for open and free competition and comparability.

All food must be processed and packaged in accordance with local, State of Tennessee, and FDA regulations contained in the Sanitary Food Transportation Act of 1990.

**BID PERIOD**

The bid period begins *07/01/2020 AND ENDS 06/30/2021 WITH RENEWAL OPTIONS OF TWO ONE-YEAR TERMS.*

**VENDOR QUALIFICATION**

Potential bidders must meet the following criteria:

- Be able to provide a quality product as specified
- Offer reasonable pricing
- Provide dependable delivery of items ordered.
- Meet specifications and bid conditions. The product that is bid must meet all the product specifications such as sodium, calories, portion size, weight, meat and grain equivalents for the USDA and case weight.
- Demonstrate successful past performance
- Minimum 3 (three) years of experience supplying similar product/commodities and services to school districts similar in size to Anderson County.

**BID TABULATION**

Regardless of the procurement method used, price is the final determining factor for awarding the contract. If the price of the product plus delivery does not give significant savings over buying the product on the open market, Anderson County SNP (School Nutrition Program) may not award the bid or may re-bid or may shift quantities to a different product. Ultimately the price used to determine the bid award will be based on the price per serving that will meet the minimum USDA requirements for a meal component or item and the comparisons from vendor to vendor will be based on the approved equal serving cost. **All prices should be net after all rebates, delivery, adjustments, and other item price adjustments are made. Anderson County School Nutrition Program wishes to pay a net invoice upon delivery without having to track any rebates or other price adjustments. The School Nutrition Program may ask for samples of food prior to award.**

Anderson County Purchasing Agent reserves the right to accept or reject any or all bids. The SNP director will tabulate the bid, recommend the winning bidder to the county purchasing agent, and the county purchasing agent will notify the bidders. The Anderson County School Board will approve the recommendation and the county attorney will sign the contract after receiving county commission approval. The purchase of products or services should commence after all this has been accomplished. Anderson County Purchasing will add their obligatory bid language. In the case of contradictory terms, the most stringent will apply.

**BID RENEWAL**

Anderson County SNP reserves the right to renew all aspects of the bid one year at a time for an additional two (2) years based on a firm fixed price. Anderson County SNP reserve(s) the right to add/delete products during the contract period. Pricing for added products will be based on a comparison of pricing offered by vendor to the pricing of the same item offered on the open market prior to adding an item to the contract listing. Anderson County SNP will notify the contractor of their intention to renew this contract no later than 30 days before the end of contract period. A written response will be due from the contractor no later than 15 (fifteen) days before the end of the contract period. Other school systems, with vendor approval, may use this bid for purchase in their district. Additional schools within the district may be added on to the bid with the permission of the vendor.

**BID PREPARATION**

Bidders must submit one price for each item on the bid product sheet. Each bidder should bid on all items listed in the bid document for pizzas. Anderson County SNP will recalculate usage and line extensions to make necessary conversions for differences in pack size. The bid award will be made on price per serving in relation to servings desired. The bottom line total will be adjusted if mathematical conversions and extensions indicate the need for correction. Delivery cost and all other costs of the pizza will be included in the one bid price per individual pizza. Total price, bottom line cost to School Nutrition will be the determining factor in the bid award.

All bids shall be in accordance with the instructions to bidders and specifications as attached. Specifications are intended to be open and non-restrictive. A copy of the Nutrition Facts label for each item and an ingredient statement must be included with the bid. A meat and grain formulation statement must also accompany the bid submission for each item.

Estimated usages are given for each item. The estimated usages do not indicate the actual quantity which will be ordered, since such volume will depend upon requirements which develop during the contract period. Estimated usages are based on last year's purchases and are estimated for the bid period. For new/never used items' estimated usages, the amount is a projected number based on anticipated acceptance by students. Inclusion of items on bid does not guarantee purchase.

All columns of the bid document must be completed in ink or typewritten. The bottom line total (sum of extended prices) must also be printed in ink or typewritten on the proposal form. No erasures shall be permitted. Errors may be crossed out and corrections printed in ink or typewritten and must be initialed in ink by the person signing the bid. Mathematical calculations involving decimals must be carried to two (2) places.

Should a bidder find discrepancies or omissions from the bidding document or be in doubt as to their meaning, he/she shall at once send questions by email to [purchasing@andersontn.org](mailto:purchasing@andersontn.org).

It shall be the sole responsibility of the bidder to make certain that all bids in proper form are submitted by the date due. Item cost must include delivery to commodity warehouse distributor (FOB distributor). Examples of products are not exclusive of all other brands, just an example of specifications.

### CERTIFICATION REGARDING “BUY AMERICAN” REQUIREMENTS

Section 104 (d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 requires SFAs to purchase domestically grown and processed foods, to the maximum extent practicable. There is a two-part test to define the country of origin for a manufactured end product: (1) the article must be manufactured in the United States; and (2) the cost of domestic components must exceed 50 percent of the cost of all the components.

**We require that suppliers certify the percentage of U.S. content in products supplied to us according to the two-part test above. If you are unable or unwilling to make such certification, we will not purchase from you.**

Two situations may warrant a waiver to permit purchases of foreign food products.

- 1) The product is not produced or manufactured in the U.S. in sufficient and reasonable available quantities of a satisfactory quality.
- 2) Competitive bids reveal the cost of a U.S. product is significantly higher than the foreign product.

#### Requested Waiver Items

Product Description	Vendor Item #	Reason for Waiver Request	Approved

*\*use additional pages if needed*

**Note: Approved column is for the SNP purchaser to indicate if they will accept the non-American product or if they reject that item. The SNP will contact the vendor if item is rejected.**

**“We certify that our food products were manufactured in the United States and have at least 51% U.S. contents.”**
