

ADDENDUM NO. I

DATE: May 31, 2018

TO: All Interested Bidders

FROM: Linda Blackburn, Senior Buyer 

SUBJECT: Change in Specifications- Document 532672
Lubrication System

This addendum becomes a part of the Bid Documents and modifies the original specifications as noted.

The City has received several questions regarding the lubrication system specifications. The questions, and the City's response to those questions is as follows:

QUESTION 1:

On page 3 of 5 of the specifications for the Light Shop Lubrication System, 2.5 and 3.2 indicate that the bidder is to provide the new air lines to the new pumps, however on page 4 of 5, under Item 4.2 it states "Connect to COK provided air lines". I believe the intention is for the bidders to provide the air lines to the new pumps, however this statement makes it a little unclear. Can you confirm that air lines to the new pumps are to be provided by the bidder?

ANSWER:

Under Description, Item #s 2.5 and 3.2 are correct and remain as is.

On Page 4 of 5, under Description, where the specification reads

Connect to COK provided air lines.

CHANGE TO READ AS FOLLOWS:

Connect to COK provided **pipng**.

QUESTION 2:

There is a statement under General Information, identified as #22, that says "Where applicable, the successful bidder will be required to pay prevailing wages." I searched the TN Government site and all references to prevailing wages seemed to apply to road construction projects. Is that correct or would we need to pay prevailing wages on this project?

ANSWER: Bidder is not required to pay prevailing wages on this project.

INSTRUCTIONS:

DELETE Paragraph 22, under General Information as it pertains to the payment of prevailing wages.

QUESTION 3:

I've read the insurance requirements (#29). It appears that the insurance certificate would only be required from the successful bidder. I don't believe this must be submitted with the bid. Is that correct?

ANSWER:

There are two references to insurance certificates in the specifications. One is Paragraph 4.8, on Page 5 of 5, and the other is identified as #29 under General information.

3A. The insurance listed as being required under #29, General Information, is **correct**, and will remain as specified. Vendor will only be required to provide proof of the insurance specified, if they are awarded the bid.

3B: INSTRUCTIONS

Paragraph 4.8., on Page 5 of 5 is **incorrect**.

DELETE PARAGRAPH 4.8, ON PAGE 5 OF 5, FROM THE SPECIFICATIONS. Vendors are **not** required to provide a copy of their current certificate of insurance, listing current limits, nor do we require the insurance certificate to be enclosed with bid. (See Paragraph 3A above.)

END OF ADDENDUM 1
