The envelope shall be marked "Sealed Bid" and carry the bid title, date, and time of bid opening (refer to General Instructions to Bidders). Any and all bids received after this date and time will be considered unresponsive.

1.2 Bid Evaluation

An award will be made to the lowest responsive responsible bidder whose bid conforms to the RFB specifications, and will be the most advantageous to the Clayton County Water Authority (CCWA). An evaluation will also be performed to ensure bidder complies with the required submittals. Determination of best response to bid will be the sole judgment of the CCWA.

In case the lowest responsive responsible bidder cannot meet the requirements of this RFB, the Clayton County Water Authority reserves the right to offer the work to the next lowest responsive responsible bidder.

At the discretion of CCWA, the bid items have been separated into two sections: "REQUIRED BID ITEMS" AND "OPTIONAL BID ITEMS". "REQUIRED BID ITEMS" consist of products that CCWA tends to use on a more frequent basis. "OPTIONAL BID ITEMS" consist of products that are used on a less frequent basis.

In order to be considered responsive, each bidder must provide pricing for each item listed in the section titled "REQUIRED BID ITEMS".

The CCWA reserves the right to award the REQUIRED bid items to a Primary Bidder, as well as a Back-Up Bidder (to the second lowest responsive responsible bidder) to ensure that our requests under this annual bid can be provided as needed. Materials will mainly be purchased from the Primary Bidder. If the Primary Bidder cannot deliver ordered material within a 72 hour period, CCWA will request/purchase item from Back-Up Bidder.
