The original shall be sent by USPS or hand delivered within ten (10) days of the bid opening. Failure to comply shall result in your bid being rejected.

Terrebonne Parish School Board encourages small business, minority owned business, and women owned businesses to participate in the bid process.

**GEOGRAPHIC PREFERENCE:** Preference is hereby given to materials, supplies, products, or provisions which are produced, manufactured or grown in Louisiana, quality being equal to articles offered by competitors outside of the state. For the purpose of this bid, geographic preference may only be applied to the procurement of unprocessed Louisiana agricultural products that have been locally grown and raised; and have not been cooked, seasoned, frozen, canned or combined with any other product. The term 'unprocessed' refers to agricultural products that do not have significant value added components. Unprocessed agricultural products may include:

- Minimal handling and preparation that might be necessary to present an agricultural product to a sponsor in usable form, such as washing vegetables, bagging greens, butchering livestock and poultry, pasteurizing milk, and putting eggs in a carton.
- Minimal amount of preservatives on locally grown produce, which may be needed for the purpose of preventing spoilage.

Geographic preference claim form will not be accepted after the bid has been publicly opened.

BUY AMERICAN PROVISION: The District participates in the National School Lunch Program and School Breakfast Program and is required to use the nonprofit food service funds, to the maximum extent practical, to buy domestic commodities or products for program meals. A “domestic commodity or product” is defined as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. as provided in 7 CFR Part 210.21 (d).

The use of exceptions to the Buy American provision will be at the Child Nutrition Program representative’s discretion. To be considered for an alternative or exception a written request must be submitted in writing with this bid. All items to be considered must have the price of domestic food alternative substitute and the availability of the domestic alternative substitute in relation to the quantity ordered.

By submitting and signing this bid, the bidder acknowledges and certifies that his/her company complies with the Buy America provision that the food delivered is of domestic origin or the product is substantially produced in the United States. For these purposes substantially means over 51 percent of the processed food is from American-produced products. If the bidder is unable to certify compliance with the Buy American provision, the bidder shall state this in his/her response and provide an explanation as to why it cannot certify compliance.

CLEAN AIR ACT (42 U.S.C. 7401-7971q.) AND THE FEDERAL WATER POLLUTION

CONTROL ACT (33 U.S.C. 1251-1387): Vendor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA) Appendix II of 2 CFR Part 200(G).

SAMPLES: Items on the bid form will be pre-approved; if you are submitting an alternate, a sample is required. We reserve the right to determine product acceptability based on sampling and will be the final judge to determine if the product is equal. It is our preference that samples be submitted prior to the bid opening. Samples not received by the Child Nutrition Department located at 340 St. Charles Street, Building #3, Houma, LA 70360 by 3:00 P.M. on Friday, October 13, 2017, will not be accepted and will be cause to reject the bid on that item. Samples shall be furnished at no expense to the school district, properly marked for identification. The school district reserves the right to mutilate or destroy any sample submitted whenever it may be considered necessary to do so for the purpose of testing. Samples not mutilated or destroyed, when no longer required to be retained in connection with the award or delivery of foods, will be returned at the vendor’s expense if such return is requested.

INTENT AND INTERPRETATION OF SPECIFICATIONS: All bids must identify the manufacturer, brand, portion size, etc. of the product being offered. “Pre-Approved Equal” brands may be allowed where indicated. To offer “Pre-Approved Equal” items rather than “approved brands” specified, the offeror must supply a complete description and sufficient data as well as a product sample. Any “Pre-Approved Equal” brand would be approved prior to the bid opening. The Terrebonne Parish School Board reserves the right to reject any sample submitted if there is insufficient information or time to

conduct taste-testing in order to deem the product "Pre-Approved Equal". If the offeror fails to identify the manufacturer, brand, portion size, etc. for any item included in the bid; this item would be considered incomplete and not allowed. No substitutions will be allowed. For your quotation of processed foods to be considered the Terrebonne Parish School Board must have on file in the office of the Supervisor of Child Nutrition Program a CN label, nutritional analysis, nutrition facts, food label information and ingredient list. It is the intention of specifications to procure food to meet the needs of the Child Nutrition Program.

SUBSTITUTIONS: Substitutions will not be accepted after item(s) have been awarded as specified, unless such substitutions are deemed to be in the best interest of the Terrebonne Parish School Board, and unless prior agreements have been reached and reduced to writing regarding such substitutions. Substituting without the prior approval of the Terrebonne Parish School Board will constitute a breach of contract by the vendor. Said action will result in initiation of actions covered under paragraph 40 and 41 of the attached Standard Terms and Conditions.

DEVIATIONS FROM ITEM SPECIFICATION OR GENERAL TERMS AND CONDITIONS: Any and all limitations, expectations, qualifications, special conditions, or deviations from these General Terms and Conditions or any of the item specifications, including the offering of any alternate to the "approved brand and/or model" (where identified) must be clearly noted in detail by the offeror at the time of submission of the bid. The absence of such limitations, exceptions, qualifications, special conditions, or deviations being submitted in writing with the offeror's response will hold the offeror accountable to the Terrebonne Parish School Board to perform in strict accordance with all the General Terms and Conditions and all the item specifications as written, including any such limitations, exceptions, qualifications, special conditions, or deviations with the bid response may place the offeror at a competitive disadvantage or otherwise prevent the Terrebonne Parish School Board from considering the affected item(s).

Any deviation from any of the item specification, including the delivery of any product other than the specific brand of the product awarded, will be grounds for rejection of the product(s) when delivered, and will expose the vendor to the remedies identified in this Standard Terms and Conditions document paragraph 40 and 41 and jeopardize future business from the Terrebonne Parish School Board.

**Product analysis and/or food label for items indicated (\*\*nutritionals required) must be submitted at the time of the bid; however, product analysis and/or food label for the additional items must be provided by the awarded vendor if requested at a later date.**

10. Errors and corrections to bid price or in preparation of bid must be initialed by the bidder in ink. Failure to do so shall make the item ineligible for award.

**EQUAL LOW BIDS:** Contracts shall be awarded in the following order of priority when two or more low bids are equal in all respects:

- a) Small business concerns that are also labor surplus area concerns.
- b) Other small business concerns. (as defined by the United States Small Business Administration).

If two or more bidders still remain equally eligible after application of paragraph (a) above, award shall be made by a drawing by lot limited to those bidders. All items shall be delivered on pallets on the date, or dates specified when the order is placed. Drop delivery shipments to the Warehouse are acceptable provided items are **palletized**.

**SUCCESSFUL VENDORS MUST BE ABLE TO ASSURE THE SCHOOL DISTRICT THAT THEY HAVE SUFFICIENT TRUCKS AND EQUIPMENT TO MAKE SATISFACTORY DELIVERY TO THE SCHOOL BOARD WAREHOUSE BY THE DATE(S) SPECIFIED.**

**EXTENSION OF DELIVERY DATE:** If for any reason deliveries cannot be made on schedule, the Child Nutrition Program Office should be notified. The vendor shall then deliver at the earliest date possible. Any extension of time on delivery as specified must be requested from the school district at least five (5) days prior to delivery date. Such extension will apply only to the particular item or shipment affected.

An unsatisfactory delivery will be just cause for the school district to disregard future bids from the vendor until such time that they can guarantee satisfactory delivery.

Each firm that is awarded any item or group of items will receive orders on that item or group of items for the duration of the period specified on the forms.

**INSPECTION:** Upon delivery of each item to the Terrebonne Parish School Board Warehouse, inspection of each item will be made by the Warehouse Manager, or a representative at the point of delivery, or in special cases at the point of origin. Acceptance of the item or items will be made after inspection determines that all requirements of the specifications and bid are met.

DEFAULT TO DELIVER AND PRICE CORRECTION: The Child Nutrition Program reserves the right to cancel that portion of the order which the vendor has failed to deliver at the specified time. The vendor is responsible for issuing a credit memo or corrected invoice.

DISQUALIFICATION: Failure to deliver products which meet specifications will result in the re-awarding of the line item to the second lowest bidder.

INVOICES: Invoices must contain complete product information (i.e. brand name, packaging information, and country of origin). All illegible or incorrect invoices will be returned for re-working without penalty to the Terrebonne Parish Child Nutrition Program. Legible invoices for the items delivered and accepted shall be submitted by the vendor, in duplicate, to the place of delivery. The merchandise will be checked for quantities, prices and specification compliance. If discrepancies occur, they will be noted on this invoice and vendors must send a corrected invoice to the Child Nutrition Program. Invoices shall be submitted to the Terrebonne Parish Child Nutrition Program, P.O. Box 5097, Houma LA 70361, ATTN: Ms. Harriet Lewis, Accounting Clerk II.

Monthly statements shall be submitted in duplicate on the vendor's regular form, to include the last school day of each calendar month.

Each firm that is awarded any item or group of items will receive orders on that item or group of items for the duration of the period specified on the forms. The quantities shown in this bid request represent the best estimate of the various food products required to support the Child Nutrition Program. The quantities to be purchased may vary depending upon internal changes, including but not limited to USDA Commodity availability and student participation. The Terrebonne Parish School Board does not assume or accept responsibility to purchase the total quantities listed. The Board reserves the right to purchase "more or less" for the specified deliveries.

RETURN OF DISCOUNTS, CREDITS, AND REBATES TO TERREBONNE PARISH SCHOOL BOARD: Allowable cost will be paid from the non-profit school food service account to the offeror/contractor net of all discounts, rebates and other applicable credits accruing to or received by the contractor or any assignee under this contract, to the extent those credits are allocable to the allowable portion of cost billed to the Terrebonne Parish School Board. The offeror agrees to fully disclose all discounts, rebates, allowances, and incentives received by the company from its suppliers. If the offeror/contractor receives a discount, rebate, allowance, or incentive from a supplier; the offeror/contractor must disclose and return to Terrebonne Parish School Board the full amount of the discount, rebate, or applicable credit that is received based on purchases made on behalf of Terrebonne Parish Child Nutrition Program. All discounts, rebates, allowances, and incentives must be returned to the Child Nutrition Program during a mutually agreed upon time frame that is beneficial to the School District.

"Cost Plus" bids will not be accepted.

EXCLUSION/REJECTION OF BIDS: The School Board, after the opening of bids, shall require each bidder or bidding entity to attest or submit an attestation that the sole proprietor, partner, incorporator, director, manager, officer, or other like individual who owns at least ten percent (10%) of the bidding entity, has not been convicted of, or has not entered a plea of guilty or nolo contendere (no contest) to any of the crimes or equivalent federal crimes listed in La. Rev. Sta. Ann. §38:2227.

In awarding bids or contracts, the School Board shall be authorized to reject the lowest bid from a business in which any individual with ownership interest of five percent (5%) or more has been

convicted of, or pled guilty or nolo contendere to any state felony crime or equivalent federal crime committed in the solicitation or execution of a contract or bid under the state laws governing public contracts; professional, personal, consulting, and social services procurement; or the Louisiana Procurement Code.

Any contract between the School Board and a person or entity entered into as a result of fraud, bribery, corruption, or other criminal acts, for which a final conviction has been obtained, shall be null and void.

Certificate of Insurance shall remain in effect for entire duration of the bid award. A current certificate may be included at the time of bid submittal. (See Attachment B)

However, if there is a threat to public health, safety, or welfare, or danger of immediate and substantial harm to state property from delay in making an award, the Purchasing Agent may proceed with an award and document the justification for such action.

- A revised award recommendation, based on a protest review, does not assure that there will be a new protest period.

The Freedom of Information Act (FOIA) process is not related to the protest process and is not a reason for a protest period extension.

RECORD RETENTION: The successful bidder agrees to retain all books, records, and other documents relative to this agreement for three (3) years after the final payment for audit purposes and to make said records available upon request.

## SUBMISSION OF BID/PROPOSAL

1. Bids, Quotes, or Proposals must be submitted on, and in accordance with, all specifications and form(s) supplied in the Bid, Quote, or Request for Proposal package. Pursuant to House Bill No. 610 (Act No. 590) passed in Louisiana's Legislative Regular Session in 2008, the Terrebonne Parish School Board has partnered with BidSync, LLC and Vendor Registry to distribute bid solicitations and/or collect responses. BidSync.com allows contractors and vendors the ability to respond with an electronic signature through a uniform and secure electronic interactive bidding system. Electronic responses placed on www.bidsync.com will be accepted as specified in each bid/quote/proposal. Terrebonne Parish School Board accepts no responsibility for any technical failures via BidSync for bid/quote/proposal(s) at any time during the bid process. Electronic responses placed on www.bidsync.com or the www.vendorregistry.com will be accepted as specified in each bid/quote/proposal. Bidders participating with the BidSync option need to register with BidSync to obtain a user name and password or call Vendor Support at (801) 765-9245. There is a \$100.00 fee to register and receive e-mail or fax notifications of bids and includes the ability to respond electronically, using the required electronic signature, to Terrebonne Parish School Board bid solicitations through the BidSync website. Where applicable, and in all construction projects, an electronic bid bond is also required and must be furnished. The referenced signature and bond are not included in the \$100.00 fee and are available from third party companies. Vendors participating with the vendorregistry.com option through the TPSB website may register, inquire, and/or submit only a quote or proposal that does not require an electronic signature
2. Telegraphic or facsimile Bids, Quotes, or Request for Proposals will not be accepted unless specifically stated in the instructions to bidders. When acceptance is so stated in the instructions, the Bid, Quote, or Proposal is to be completed on the form(s) supplied or a copy thereof, completely executed and returned, and received by the Purchasing Agent, no later than the time and date specified for receipt of the Bid, Quote, or Request for Proposal. Forms must have original signatures except when telegraphic, facsimile, or electronic digital signatures are specifically stated as acceptable. Bids must be completed on the original bid form(s) or a copy thereof, signed in ink, and/or where applicable, have a digital signature. Do not send a fax copy of the bid form(s) as the original. The form(s) submitted must have the original signature(s) or an electronic digital signature.
3. The time and date the Bids, Quotes, or Proposals are to be opened is given in each Bid, Quote, or Proposal issued. All of the Bids, Quotes, or Proposals shall be submitted electronically, or in a sealed envelope, addressed to the **Purchasing Department, Terrebonne Parish School Board, P. O. Box 5097, Houma, Louisiana 70361, with the envelope plainly marked, "CANNED & DRY GOODS".** Failure to properly mark Bid, Quote, or Proposal properly may subject submittal to

rejection and returned unopened. The name and complete address, including street, city, and state, of the bidder **shall appear** in the upper left hand corner of the envelope. If the Bid, Quote, or Proposal requires a licensed contractor, the Louisiana Contractor's License number shall appear on the front of the envelope. A copy of same may be included with the Bid, Quote, or Proposal. The referenced information should also be included on any outer envelope used for mailing.

4. Bidders are cautioned to verify their Bid, Quote, or Proposal before submission. Amendments to a received Bid, Quote, or Proposal submitted prior to the specified time for opening by the Purchasing Agent will not be considered. This applies to all Bids, Quotes, or Proposals sent by mail, delivered in person, submitted electronically, as well as telegraphic, and facsimile Bids, Quotes, or Proposals. Bids, Quotes, or Proposals received prior to the time and date of the scheduled bid opening will be securely kept unopened. No Bid, Quote, or Proposal received after the scheduled time for opening will be considered. Bidders are cautioned to allow ample time for transmittal of Bids, Quotes, or Proposals by mail or otherwise. Bidders are urged to secure information relative to the probable time of arrival and distribution of mail at the place where bids are to be opened. Failure of the U.S. Mail or any carrier of delivery service to deliver the bids timely shall not be considered due cause for the scheduled time of the bid opening to be extended.
5. All information requested in the Bid, Quote, or Proposal form with regard to each item against which a Bid, Quote, or Proposal is submitted shall be given to constitute a regular Bid, Quote, or Proposal.
6. The Terrebonne Parish School Board reserves the right to select any part of the Bid, Quote, or Proposal or the whole Bid, Quote, or Proposal as well as reject any and all Bids, Quotes, or Proposals in whole or part and to award Bids, Quotes, or Proposals in whole or part as indicated in the Bid, Quote, or Proposal document. Further, the Terrebonne Parish School Board reserves the right to use State or Government contract pricing when it is lower than Bid, Quote, or Proposal prices received.
7. Bids, Quotes, or Proposals may be submitted for all or part of total quantities or for any or all agency requirements listed in the Bid, Quote, or Proposal, **unless otherwise specified** in the Bid, Quote, or Proposal.
8. Alternate Bids, Quotes, or Proposals may be considered, unless specifically indicated otherwise in the Bid, Quote, or Proposal document (See paragraph 62 of this document).

9. Unless qualified by the provision "No Substitute," the use of a specification, manufacturer, brand, make, or catalog designation in specifying an item does not restrict bidder to that manufacturer, brand, make, or catalog designation identification. This is used simply to indicate the character, quality, and/or performance equivalence for the commodity desired, but the commodity on which Bid, Quote, or Proposal is submitted must be of such character, quality, and/or performance equivalence that it will serve the purpose for which it is to be used equally well as that specified. In submitting a Bid, Quote, or Proposal on a commodity other than as specified, the bidder shall furnish complete data and identification with respect to the alternative commodity proposed. Consideration will be given to Bids, Quotes, or Proposals submitted on alternative commodities to the extent that such action is deemed to serve best the interest of the Terrebonne Parish School Board. If the bidder does not indicate that the commodity proposed is an alternative commodity, it will be construed to mean that the bidder proposed to furnish the exact commodity described.
10. If the bidder proposes to furnish any item of a foreign make or product, the word "foreign", together with the name of the originating country must be written opposite of such item on the Bid, Quote, or Proposal. All items not so designated will be considered to be of domestic origin.
11. Prices must be extended in decimals, not fractions; to be net, and shall have transportation and delivery charges fully prepaid by the contractor to the destination specified in the Bid, Quote, or Proposal, and subject to only cash discounts.
12. Terrebonne Parish School Board is not subject to State or Terrebonne Parish Sales Tax. All applicable taxes including ad valorem taxes shall be the responsibility of the bidder and are to be added in to the offer. This responsibility shall be inclusive of, but not limited to, all levies, impost, duties, charges or withholding whatsoever, all applicable sales, use, personal property, franchise (howsoever calculated), and other tax whatsoever (together with any penalties and fines thereon) whether assessed, levied, or imposed by any governmental or taxing authority (whether foreign, federal, state, or local) against or upon the bidder or otherwise, with respect to any item(s) or the purchase, acquisition, ownership, delivery, leasing, possession, use, operation, control, or other disposition thereof, of the rents, receipts, or earnings arising therefrom, with respect to any resultant lease or purchase of this Bid, Quote, or Proposal.
13. If there is a discrepancy between the unit price and extension, the unit price shall prevail.

14. All bidders declare that the Bid, Quote, or Proposal is not made in connection with any other bidder submitting a Bid, Quote, or Proposal for the same commodity or commodities, and is in all respects fair, and without collusion or fraud.
15. All Bids, Quotes, or Proposals will be opened, publicly acknowledged, read aloud, and are subject to public inspection. Bidders may be present or represented at all openings. Abstracts of Bids, Quotes, or Proposals received are not prepared for distribution by the Purchasing Department.

### SAMPLES

16. All specifications are minimum standards and the acceptable Bid, Quote, or Proposal samples do not supersede specifications for the quality unless the Bid, Quote, or Proposal sample is judged superior, in which case deliveries must have the same identity and quality as the accepted Bids, Quotes, or Proposal sample. Unless specifically requested in the Bid, Quote, or Proposal, samples are not required. These items are preapproved; however, **all bid specifications / requirements must be met** such as – packaging, cutouts, literature, composite analysis, forms, etc.
17. Samples, when required, must be submitted strictly in accordance with instructions included within each Bid/Quote/Proposal. If samples are not required, but determined to be needed, they shall be delivered within seven (7) days following the written request. Samples must be furnished free of charge and may be accompanied by a descriptive memorandum indicating if the bidder desires a return, provided they have not been used or made useless by tests. Award samples may be held for comparison with deliveries. Samples may be returned upon request at the bidder's risk subject to their expense.
18. When the Bid, Quote, or Proposal indicates that an item to be purchased is to be equivalent to a specified brand, make or model, the alternate item offered must be truly equal in quality, character, and performance to that specified. The Terrebonne Parish School Board's agent shall be the sole judge as to whether an alternate offered item is equal to the item(s) specified.

### EXCLUSION/REJECTION OF BIDS

19. The Terrebonne Parish School Board, after the opening of bids, shall require each bidder or bidding entity to attest or submit an attestation that the sole proprietor, partner, incorporator, director, manager, officer, or other like individual who owns at least ten percent (10%) of the bidding entity, has not been convicted of, or has not entered a plea of guilty or nolo contendere (not contest) to any of the crimes or equivalent federal crimes listed in LA R. S. Ann. 38:2227.

20. In awarding bids or contracts, the Terrebonne Parish School Board shall be authorized to reject the lowest bid from a business in which any individual with ownership interest of five percent (5%) or more has been convicted of, pled guilty or nolo contendere to any state felony crime or equivalent federal crime committed in the solicitation or execution of a contract or bid under the state laws governing public contracts; professional, personal, consulting, and social services procurement; or the Louisiana Procurement Code.
21. Any contract between the Terrebonne Parish School Board and a person or entity entered into as a result, of fraud, bribery, corruption, or other criminal acts, for which a final conviction has been obtained, shall be null and void.

#### AWARD

23. Bid, Quote, or Proposal Awards will be to the lowest responsible and responsive qualified bidder, with consideration given to the quality of the articles to be supplied, conformity with specifications, suitability to the requirement of the Terrebonne Parish School Board, and the delivery terms.
24. The Terrebonne Parish School Board reserves the right to award by item, part thereof, groups of items, or parts thereof, or all items of the Bid, Quote, or Proposal, and to award contracts to one or more bidders submitting identical Bids, Quotes, or Proposals as to price; to reject any and all Bids, Quotes, or Proposals in whole or in part for just cause; to waive technical defects, irregularities and omissions, such reservations shall comply with governing laws and shall be in the best interest of the Terrebonne Parish School Board.

The Terrebonne Parish School Board reserves the right to make awards within forty-five (45) calendar days from the date Bids, Quote, or Proposals are opened, unless otherwise specified in the Bids, Quotes, or Proposals. During this period, Bids, Quotes, or Proposals shall be withdrawn unless the bidder distinctly states in his/her Bid, Quote, or Proposal that acceptance thereof must be made within a shorter specified time. Should an award, in whole or in part, be delayed beyond the period of forty-five (45) calendar days or an earlier date specified by the bidder in the bid/quote/proposal, such award shall be conditioned on an agreement by the successful bidder to extend the Bid, Quote, or Proposal award for one or more thirty (30) calendar day periods.
26. The bidder, if requested, must be prepared to present evidence of experience, ability, service facilities, and financial standing necessary to meet satisfactorily the requirements set forth or implied in the Bid, Quote, or Proposal.

27. The quantities listed in the Bid, Quote, or Proposal schedule may be increased or decreased by the Purchasing Agent to meet new or amended requirements of the Terrebonne Parish School Board between the time the Bid, Quote, or Proposal is issued and the time the award is made, subject to the bidder's acceptance.
28. Preference will be given to commodities produced, assembled, or manufactured in the State of Louisiana in accordance with state statutes. It shall be the responsibility of the bidder to declare any preference eligibility for any item(s) submitted with a Bid, Quote, or Proposal. Bids, Quotes, or Proposals being equal, preference will be given to resident bidders of Terrebonne Parish.
29. Cash discounts may be offered by bidder for prompt payment of bills, but such cash discounts will not be taken into consideration in determining the low bidder except in the case of tie Bids, Quotes, or Proposals and then, only provided such discount is based on payment of invoice not less than thirty (30) days after satisfactory delivery and/or receipt of invoice, whichever is later.
30. The Terrebonne Parish School Board reserves the right to reject the Bid, Quote, or Proposal of any bidder in default of any prior contract or guilty of misrepresentation, or of any company having as its sales agent or representative, or member of the firm, any individual in default or guilty of misrepresentation.
31. The apparent low bidder shall furnish the certificate of insurance and any other information or documentation no later than ten (10) days after notification by Terrebonne Parish School Board of such. If the apparent low bidder does not submit the proper information or documentation as required within the ten-day period, such bidder shall be declared non-responsive, and Terrebonne Parish School Board may award the bid to the next lowest bidder, and afford the next lowest bidder ten (10) days from the date the apparent low bidder is declared non-responsive to submit the proper information and documentation as required by the bidding documents, and may continue such process until Terrebonne Parish School Board either determines the low bidder or rejects all bids.

### CONTRACT

32. Each Bid, Quote, or Proposal will be received with the understanding that the **ACCEPTANCE** in writing by the school board agent of the offer to furnish any or all of the commodities or services described therein shall constitute a contract between the bidder and the Terrebonne Parish School Board, which shall bind the bidder to furnish and deliver the commodities or services at the prices given and in accordance with conditions of said accepted bid/proposal, specifications, standard bid/proposal contract terms and conditions, and the Terrebonne Parish School Board, on its part to order from such contractors, except for causes beyond

reasonable control, subject to the availability of appropriate funds, and to pay for at the contract prices, all commodities or services ordered and delivered. The school board reserves the right to order up to ten (10) percent more or less, than the quantity listed in the bid/proposal or as amended in the award. The right of order percentage may exceed the reserved right of the ten percent upon agreement by the bidder.

The above referenced *ACCEPTANCE* is not an order to shop. By acceptance of a purchase order, the awarded vendor agrees to defend and hold harmless the Terrebonne Parish School Board from any or all claims made in connection with the completion of the goods and/or services listed on the purchase order. The vendor further agrees to waive any right of recovery for expenses incurred in defending and/or payment of any judgment imposed on the vendor.

35. Contracts will remain in force for the full period specified and until all articles ordered before date of termination shall have been satisfactorily delivered and/or accepted (and thereafter until all terms and conditions have been met), unless:

38. The placing in the mail to the address given in the Bid, Quote, or Proposal or delivery of a notice of award to a bidder will constitute notice of acceptance of contract; **validity shall be contingent upon insurance compliance, as per bid specifications.** (Reference 44. H.) When so requested, by the Agent, the contractor shall execute a formal contract with the Terrebonne Parish School Board for the complete performance specified therein.
39. **The contract may be canceled or annulled by the Agent** if the Terrebonne Parish School Board, due to budget constraints, does not appropriate funding for the contract or upon nonperformance of contract terms. Any unfulfilled deliveries against such contract may be purchased from other sources at the contractor's expense.
40. Failure of a contractor to deliver within the time specified or within reasonable time as interpreted by the agent, or failure to make replacement of rejected commodities when so requested (immediately or as directed by the Agent) will constitute authority for the Agent to purchase rejected on undelivered commodities in the open market. The Agent reserves the right to authorize immediate purchase in the open market against rejections or excess overdue deliveries on any contract when necessary. On all such purchases, the contractor agrees promptly to reimburse the Terrebonne Parish School Board for excess costs associated by such purchases. However, should public necessity demand it, the Terrebonne Parish School Board reserves the right to use or consume commodities delivered which are substandard in quality, subject to an adjustment in price to be determined by the Purchasing Agent.
41. When commodities are rejected, they must be removed by the contractor from the premises of the school board within forty-eight (48) hours after notification, unless public health and safety require immediate destruction or other disposal of such rejected delivery. Rejected items left longer than forty-eight (48) hours will be considered abandoned, and the Terrebonne Parish School Board shall have the right to dispose of them as its own property.
42. Orders with contractors will be placed by agencies directly with the contractor. All orders shall be in writing and shall bear the contract number and/or purchase order number, and approval of the Terrebonne Parish School Board's Agent. Contractors making a delivery without a formal written order does so at his/her own risk.

NOTE: Each responsive bidder must include this certification statement with it's bid on each contract equaling or exceeding \$25,000 or any contract for audit services regardless of amount.

1. By signing and submitting this form, the prospective lower tier participant is providing the certification set out on the reverse side in accordance with these instructions.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms *covered transaction*, *debarred*, *suspended*, *ineligible*, *lower tier covered transaction*, *participant*, *person*, *primary covered transaction*, *principal*, *proposal*, and *voluntarily excluded*, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the U. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

## INSTRUCTIONS FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether subawardee or prime Federal recipient, at the initiation or receipt of a covered Federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.
2. Identify the status of the covered Federal action.
3. Identify the appropriate classification of this report. If this is a followup report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last previously submitted report by this reporting entity for this covered Federal action.
4. Enter the full name, address, city, State and zip code of the reporting entity. Include Congressional District, if known. Check the appropriate classification of the reporting entity that designates if it is, or expects to be, a prime or subaward recipient. Identify the tier of the subawardee, e.g., the first subawardee of the prime is the 1st tier. Subawards include but are not limited to subcontracts, subgrants and contract awards under grants.
5. If the organization filing the report in item 4 checks "Subawardee," then enter the full name, address, city, State and zip code of the prime Federal recipient. Include Congressional District, if known.
6. Enter the name of the federal agency making the award or loan commitment. Include at least one organizational level below agency name, if known. For example, Department of Transportation, United States Coast Guard.
7. Enter the Federal program name or description for the covered Federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans, and loan commitments.
8. Enter the most appropriate Federal identifying number available for the Federal action identified in item 1 (e.g., Request for Proposal (RFP) number; Invitations for Bid (IFB) number; grant announcement number; contract, grant, or loan award number; application/proposal control number assigned by the Federal agency). Include prefixes, e.g., "RFP-DE-90-001."
9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.
10. (a) Enter the full name, address, city, state and zip code of the lobbying entity engaged by the reporting entity identified in item 4 to influence the covered Federal action.  
(b) Enter the full names of the individual(s) performing services, and include full address if different from 10(a). Enter Last Name, First Name, and Middle Initial (MI).
11. Enter the amount of compensation paid or reasonably expected to be paid by the reporting entity (item 4) to the lobbying entity (item 10). Indicate whether the payment has been made (actual) or will be made (planned). Check all boxes that apply. If this is a material change report, enter the cumulative amount of payment made or planned to be made.
12. Check the appropriate box(es). Check all boxes that apply. If payment is made through an in-kind contribution, specify the nature and value of the in-kind payment.
13. Check the appropriate box(es). Check all boxes that apply. If other, specify nature.
14. Provide a specific and detailed description of the services that the lobbyist has performed, or will be expected to perform, and the date(s) of any services rendered. Include all preparatory and related activity, not just time spent in actual contact with Federal officials. Identify the Federal official(s) or employee(s) contacted or the officer(s), employee(s), or Member(s) of Congress that were contacted.
15. Check whether or not a SF-LLL-A Continuation Sheet(s) is attached.
