General Information

1. Background and Intent

- a. Knoxville's Community Development Corporation (KCDC) is the public housing and redevelopment agency for the City of Knoxville and for Knox County in Tennessee. KCDC's affordable housing property portfolio includes 20 sites with approximately 3,525 dwelling units. Several of the properties include Low Income Housing Tax Credits units and KCDC is both the General Partner and the management company for those sites. Those properties include Eastport LP, Five Points 1, LP; Five Points 2, LP; Five Points 3, LP; Five Points 4, LP; Lonsdale Homes, LP; Northridge Crossing, LP and The Vista at Summit Hill, LP. KCDC also oversees approximately 3,958 Section 8 Vouchers, 82 Moderate Rehabilitation units and 20 Redevelopment areas. KCDC has issued this solicitation for itself and on the behalf of the various properties that it now provides "management services" as detailed above. Any resulting awards are either for KCDC itself or are on behalf of those properties which KCDC provides "management services."
- b. The intent of this solicitation is to hire a supplier to provide 'Print on Demand/As Needed" printing services for KCDC as detailed herein. Each of KCDC's properties use various forms and the quantity of forms needed for each property may vary.
- c. It is understood that KCDC intends to use the successful supplier for these products or services. However, KCDC reserves the right to purchase these products or services elsewhere if it is in KCDC's best interest.

2. Changes after Award

It is possible that after award KCDC will need to revise the service needs or requirements specified in this document. KCDC reserves the right to make such changes after consultation with the supplier. Should additional costs arise, the supplier must document increased costs. KCDC reserves the right to accept and negotiate these charges.

3. Contact Personnel

It shall be essential to the success of this award to develop a good working relationship with the successful supplier. It is imperative that the KCDC account be handled efficiently and professionally. The supplier will assign no more than two contacts to handle billing inquiries and service related issues. In the event one or both contacts leave the KCDC account, the supplier will introduce the new contacts to KCDC personnel. These contacts must be knowledgeable of KCDC's account to avoid any interruption of service.

4. Contact Policy

Only contact KCDC's Procurement Division about this solicitation from the issuance of this solicitation until award. Information obtained from an unauthorized officer, agent or employee will not affect the risks or obligations assumed by the bidder or relieve the bidder from fulfilling any of the conditions of the resulting award for the purpose of this solicitation. Such contact can disqualify the bidder from the solicitation process.

5. **Delivery**

- a. Printer will offer two options for delivery.
 - Delivery to 901 N. Broadway, Knoxville, TN 37917 on a monthly basis with order submittal and delivery date at the printer's discretion as noted on Solicitation Document D Cost.
 - Delivery to individual sites on an as needed basis. Orders may be shipped to individual sites with a minimum order requirement for free delivery or predetermined delivery fees for those orders not meeting the minimum requirement as noted on Solicitation Document D Cost. Please see Solicitation Document E for KCDC site addresses and contact information.
- b. Deliveries are accepted between 7:30 a.m. and 3:30 p.m. (may vary for individual sites) each business day.
- c. A delivery/packing list shall accompany each printing job and shall show the purchase order number, form number, quantity per package and cost.
- d. Orders shall be individually packaged per instructions shown on Solicitation Document D.
- e. All forms are to be shrink-wrapped or boxed.

6. **Entrance to Sites**

Supplier's employees are not to be on KCDC premises unless they are working on a KCDC project. Acquaintances, family members, assistants or any person not working on KCDC's behalf will not accompany employees on KCDC sites.

7. **Evaluation**

KCDC alone determines (using NIGP's definition and other relevant sources as appropriate) the supplier's "responsive" and "responsible" status prior to award.

Responsible means a business with the financial and technical capacity to perform the requirements of the solicitation and subsequent award. A responsive bid is one that fully conforms in all material respects to the solicitation document and all of its requirements, including all form and substance. KCDC reserves the right to request additional information to assist in the evaluation process; this includes references and business capacity information.

8. **General Instructions**

KCDC does not insert "General Instructions to Suppliers" in solicitation documents. These instructions are at www.kcdc.org. Click on "Procurement" and the link to the instructions. The supplier's submittal means acceptance of the terms and conditions set forth in KCDC's "General Instructions to Suppliers."

These paragraphs in the "General Instructions" document do not apply to this solicitation:

11, 15, 23, 42, 50, 65, 67

9. **Identification**

The supplier's employees shall have proper identification displayed, at all times, while on KCDC property. All employees must wear a company uniform or have photo identification badges or other company identification at all times.

10. **Invoicing/Ordering**

- a. Until a purchase order is in place, work is not to be performed nor are goods to be delivered. KCDC has no legal obligation to pay for work performed prior to the issuance of a purchase order.
- b. Suppliers are asked to email invoices with 10 days following work completion and are required to submit invoices within 90 days following the delivery of the goods or services. KCDC may deny invoices submitted after the 90 day threshold.
- c. KCDC pays by electronic transfer (ACH). Supplier's accounts receivable staff must use KCDC's Vendor Portal to ascertain payments made and to which invoices they apply. Suppliers will set up an account in KCDC's Vendor Portal so that they receive an email with each payment detailing the invoice number and the amount paid. KCDC is not able to routinely offer payment history assistance and so if the supplier is unable or unwilling to use KCDC's Supplier Portal to track payments, consider whether or not to submit a response to this solicitation.
- d. The purchase of goods and services for use by KCDC owned properties are exempt from Tennessee sales and use tax pursuant to Tennessee Code Annotated 67-6-329(a) (4) and KCDC is generally exempt from the Federal Excise tax. Upon the placement of a purchase order or the award, KCDC will provide a State of Tennessee Sales Tax Exemption form to the supplier. KCDC will not pay taxes on invoices for its tax exempt properties. However certain properties are not exempt from taxation and their invoices should include applicable taxes. These are: Eastport LP, Five Points 1, LP; Five Points 2, LP; Five Points 3, LP; Five Points 4, LP; Lonsdale Homes, LP; Northridge Crossing, LP and The Vista at Summit Hill, LP.
- e. Since KCDC is the managing partner for nine separate corporations under the KCDC umbrella, those separate corporations must receive separate invoices. Thus the supplier will generally:
 - Bill each specific site for work performed or goods delivered.
 - Create separate invoices for Eastport LP, Five Points 1, LP; Five Points 2, LP; Five Points 3, LP; Five Points 4, LP; Lonsdale Homes, LP;; Northridge Crossing, LP and The Vista at Summit Hill, LP showing them as the "Owner" or "Bill To" entity.
- f. Invoices must:
 - Be numbered
 - List a date on them that is after the work is completed or goods delivered
 - List the purchase order number
 - Breakdown pricing according to the award structure
- g. KCDC requires that invoices be submitted via email.

11. **Length of Award**

The length of the award will be twelve months with four optional annual renewals that KCDC may exercise at its discretion.

12. **Price Structure**

- a. At the end of each twelve month period, the awarded supplier may request a change to the percentage and/or specific item charged to KCDC. The supplier must provide proof of increased Producer Price Index (Knoxville) to the Procurement Division. Suppliers may lower prices at any time with or without notice. KCDC will decide whether to accept a price increase. If the price increase is accepted, the solicitation file will be so noted. If the price increase is not accepted, the supplier may:
- Continue with the existing pricing.
 - Suggest an alternative price increase.
 - End the award.
- b. KCDC does not pay fuel surcharges.
- c. Suppliers may decrease prices at any time with or without notice.

13. **Section 3 of the HUD Act of 1968**

Section 3 is a provision of the Housing and Urban Development Act of 1968 which requires that programs of direct financial assistance administered by the U.S. Department of Housing and Urban Development (HUD) provide, to the greatest extent feasible, opportunities for job training and employment to lower income residents in connection with projects in their neighborhoods. Further, to the greatest extent feasible, awards in connection with these projects are to be awarded to local businesses. Section 3 is a tool for fostering local economic development, neighborhood economic improvement and individual self-sufficiency.

- a. Recipients and suppliers must make a good faith effort to utilize Section 3 area residents as trainees and employees in connection with the project. Targeted recruitment and the selection of Section 3 area residents for available positions are two examples of good faith efforts to meet this requirement.
- b. Recipients and suppliers must make a good faith effort to award to Section 3 business concerns for work in connection with the project. An example of a good faith effort to meet this requirement is the implementation of an affirmative action plan, which includes targets for the number and dollar value for awarding to Section 3 business concerns.
- c. Recipients and suppliers must keep records and submit reports to HUD documenting the good faith efforts taken and the results of these actions. Examples of such documentation include letters to community organizations, employment development and business development centers, copies of solicitations for bids or proposals; and copies of affirmative action plans.

- d. How can businesses find Section 3 residents to work for them? This can be accomplished by recruiting in the neighborhood and public housing developments to tell about available training and job opportunities.
Distributing flyers, posting signs, placing ads, and contacting resident organizations and local community development and employment agencies to find potential workers are a few effective ways of getting jobs and people together.
- e. All awards are subject to Section 3 requirements. Supplier shall seek to fill all positions that are unfilled with KCDC residents. The successful supplier will give KCDC job announcements for any position that must be filled as a result of the award of KCDC work. Additionally the successful supplier will supply the same job announcement to the Knoxville-Knox County Committee Action Committee's Workforce Connections group. These can be faxed to 544-5269. For additional information, go to <http://www.hud.gov/offices/fheo/section3/Section3.pdf>
- f. A Section 3 resident is one who lives within a public housing authority's site. It is also people who live in an area with a HUD assisted program and whose income is below HUD's low income requirements.
- g. A Section 3 business is one that:
- Is at least 51% owned by a Section 3 resident; or
 - Employs Section 3 residents for at least 30% of its employee base; or
 - Makes a commitment to sub contract at least 25% of the project's dollars to a Section 3 business.
- h. Upon award, the successful supplier will supply two documents to KCDC:
- A Section 3 Business determination provided one is not already on file.
 - A Section 3 Business plan for this work.

14. **Smoking Policy**

KCDC has a Smoke Free policy that applies to you, your employees and all subcontractors. This policy mandates:

- No smoking on KCDC's property
- No e-vape or similar usage on KCDC's property
- The Smoke Free policy applies in personal or corporate vehicles on KCDC's property

HUD definitions include:

- "Smoking" means inhaling, exhaling, burning or carrying any lighted or heated cigar, cigarette or pipe, or any other lighted or heated tobacco or plant product intended for inhalation, including hookahs and marijuana, whether natural or synthetic, in any manner or in any form.
- "Smoking" also includes the use of an electronic smoking device which creates an aerosol or vapor, in any manner or in any form.

- “Electronic Smoking Device” means any product containing or delivering nicotine or any other substance intended for human consumption that can be used by a person in any manner for the purpose of inhaling vapor or aerosol from the product.
- The term includes any such device, whether manufactured, distributed, marketed or sold as an e-cigarette, e-cigar, e-pipe, e-hookah or vape pen or under any other product name or descriptor.
- Property means all KCDC owned buildings, parking lots, streets, structures and land. Should supplier staff be observed violating these requirements, KCDC’s Procurement Division will notify the corporate level contact about the problem. Should there be recurrences, KCDC may ask the supplier to not send the employee to owner’s property. Repeated offenses may result in forfeiture of your award.

15. **Use of Solicitation Forms**

Suppliers are to complete the solicitation forms contained in the solicitation package. Failure to complete these forms may result in rejection of your response. Do not alter the solicitation forms without KCDC’s approval. Suppliers are asked to use the MS Word version of the pricing pages to eliminate difficulties in reading handwritten text.
