Question 1: For the Qualifications section of the proposal, are resumes of Speech Pathologists and their credentials required? If, so, how many are required and **do they count as part of the page limit of 60 pages?**

Response: Please refer to the updated Evaluation sheet that is attached to Addendum #1, as there are different requirements for Agencies and Individuals. For agencies, the resumes are required, and their credentials are not required, unless an award is made to your company. No, the resumes will not count against the page limit of 60 pages.
