- b. Each bidder should read carefully the information printed on the bid forms and the specifications on each item. Substitute items bid as equal to brand specified will be judged by RSD/CNS (Rockwood School District/Child Nutrition Services). RSD/CNS reserves the right to make final decisions on whether such substitute items are approved equals.
- c. The bidder bears the full responsibility to take the necessary steps to ensure its understanding of the needs of RSD/CNS by conducting site visits if necessary before the bid submission date. Since the bid is explicit, the bidder is expected to thoroughly read the bid documents and bears the responsibility to understand and meet all requirements.
- d. All factors including service, accuracy, price and other amenities will be considered when evaluating the bids. RSD/CNS will perform a cost or price analysis wherein independent estimates are created prior to issuing the request for proposal. RSD/CNS reserves the right to reject any or all bids based solely on RSD/CNS evaluation and to waive any technicalities. This does not obligate RSD/CNS to pay any costs incurred by vendors related to submission of proposals in response to this request for bids.
- e. It is the policy of the Rockwood School District to give preference to commodities manufactured, mined, produced, grown or otherwise substantially originated within the state of Missouri and to give preference to all firms, corporations, or individuals doing business as Missouri entities when quality, delivery and price are approximately the same.
- f. As per 2 CFR 200.321 (a) Rockwood Child Nutrition will take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. (b) Affirmative steps include: (1) Placing qualified small and minority businesses, and women's business enterprises on solicitation lists; (2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources; (3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises; (4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; (5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and (6) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in items (1) through (5) of this section.

2. Bid Submission Requirements

- a. Bids for Paper & Supplies, Grocery, Grocery NOI, and Small Equipment should be electronically sent to the Rockwood Child Nutrition Services office, in the **NutriKids** format, no later than the specific date and time listed on the second page of this document. - b. Bid shall be for the 2024-25 school year beginning July 1, 2024 and ending June 30, 2025. **The prices are to be firm for this period. If acts of God cause prices to increase, a written explanation is required with the bid.**

3. Bid Terms and Conditions

- a. In an emergency situation where an item is needed within a certain time frame and the vendor cannot provide the item within the delivery period, the Child Nutrition Department reserves the right to purchase the goods from another source with no penalty to either party.
- b. Rockwood CNS reserves the right to change products as needed throughout the contract and to remove items from the contract if no longer needed.
- c. The Rockwood School District reserves the right to purchase products off contract directly from growers or other suppliers if in the best interest of the Rockwood School District at no penalty to either party.

4. Contract Provisions

- a. **Force Majeure.** Neither party shall be liable for delays, or defaults in the performance of this contract due to a force majeure event including but not limited to Acts of God or the public enemy, riots, strikes, fires, explosions, accidents, Governmental actions of any kind or any other causes of a similar character beyond its control and without its fault or negligence.
- b. **Insurance.** The successful bidder must provide a certificate of insurance for general liability, including product liability in the amount of \$1,000,000 for the school year. The Rockwood School District should be listed as an “additional insured” on the policy. Such insurance is to be provided at the sole cost of the contractor. Duly authorized representatives of the Local Education Agency, State Agency, United States Department of Agriculture, or Comptroller General must have access to any books, documents, papers and records of the contractor which are directly pertinent to all negotiated contracts.

h. Termination for Cause or Convenience:

- i. RSD/CNS may terminate this Agreement with or without cause at any time by giving 30 days' prior written notice to the other party of its intention to terminate as of the date specified in the notice. Contractor shall be paid for Products delivered and accepted up to the date of termination. If RSD/CNS has paid Contractor for goods or services not yet provided as of the date termination, Contractor shall immediately refund such payments.
- ii. In the event of a breach of this Agreement by either Contractor or RSD/CNS, the non-breaching party shall give the breaching party written notice specifying the default, and the breaching party shall have 15 days within which to cure the default. If the default is not cured within that time, the non-breaching party shall have the right to then terminate this Agreement by providing written notice of such termination. At RSD/CNS's option and in addition to any other remedies it may have available, RSD/CNS may terminate the contract if Contractor fails to adhere to or violates any of the provisions of these Terms and Conditions, including the certifications. - iii. Notwithstanding any other provision of this Agreement, in the event of Vendor's default under or breach of any provision in the Contract, the District reserves the right to enforce the performance of the Contract in any manner prescribed by law or deemed to be in the best interest of the District or necessary or appropriate to protect or provide best value to the District.
 - iv. In the event the District terminates the Contract, in whole or in part, the District reserves the right to award the terminated contract, or any portion thereof, to the next bidder the District determines to provide best value to the District.
 - v. The district will not be liable to Vendor for any damages (including, but not limited to, loss of profits or loss of business, or any special, consequential, exemplary, or incidental damages) resulting from termination based on Vendor's default or breach of contract.
- i. **Equal Employment Opportunity.** Except as otherwise provided under 41 CFR Part 60, all purchases or contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Vendor agrees that such provision applies to any purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and Vendor agrees that it shall comply with such provision.
 - j. **Davis-Bacon Act.** When required by Federal program legislation, Vendor agrees that, for all construction contracts/purchases in excess of \$2,000, Vendor shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146- 3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, Vendor shall pay wages not less than once a week. Current prevailing wage determinations issued by the Department of Labor are available at wdol.gov. Vendor agrees that, for any purchase to which this requirement applies, the award of the purchase to the Vendor is conditioned upon Vendor's acceptance of the wage determination.

Vendor further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or sub recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

- k. **Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708).** Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

- l. **Rights to Inventions Made Under a Contract or Agreement.** If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

- m. **Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended.** Vendor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

- n. **Energy and Conservation Act.** Contractor is required to recognize mandatory standards and policies related to energy efficiency which are contained in the Missouri State Energy Plan dated October 2015 issued in compliance with the Energy Policy and Conservation Act (PL 94-165).

- n. **Debarment and Suspension (Executive Orders 12549 and 12689 Debarment and Suspension (Executive Orders 12549 and 12689).** A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Vendor certifies that Vendor is not currently listed on the government-wide exclusions in SAM, is not debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. Vendor further agrees to immediately notify the District with pending purchases or seeking to purchase from Vendor if Vendor is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

- o. **Byrd Anti-Lobbying Amendment (31 U.S.C. 1352).** Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. As applicable, Vendor agrees to file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 USC 1352).
- p. **Domestic Preferences for Procurements.** As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award. For purposes of this section: "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.
- q. **Procurement of Recovered Materials:** A Non-Federal entity that is a State agency and its contracts must comply with section 6002 of the Solid Waste Disposal Act. This guideline applies to all procuring agencies and to all procurement actions involving items designated by the Environmental Protection Agency (EPA) at 40 CFR Part 247 where the procuring agency purchases \$10,000 or more worth of one of these items during the course of a fiscal year, or where the cost of such items purchased during the preceding fiscal year was \$10,000 or more. The \$10,000 threshold applies to procuring agencies as a whole rather than to agency subgroups such as regional offices or sub-agencies of a larger department or agency. Bidder agrees to comply with §200.322.

5. Specifications

- a. Brand names are used as a point of reference. Specifications used are intended to be open and non-restrictive. The use of brand names should not be interpreted as exclusive, unless clearly specified. Order limitations after award will not be accepted. In the event that minimum orders cannot be met by the Child Nutrition Department, the award may go to the second vendor for that item if the additional cost of shipping raises the cost per case.

6. Condition and Quality of Goods

- a. All products on which bids are submitted must conform to the “Best American Provision” of Public Law 100-237. It will be the bidder’s responsibility to supply information to verify products submitted for purchase are domestically produced where possible. All proposed price adjustments with supporting documentation must be received by the RSD/CNS Child Nutrition Services Director 30 days prior to the requested date of a price change. A copy of the manufacturer's old and new price list may be requested. Price decreases will not require any proof from the manufacturer. Commodity Net Off Invoice products included in this bid are not eligible for mid-year price adjustments.
- b. The district will not incur any costs or deposits related to equipment (cases, coolers, racks, trays, etc.) supplied by bidder.
- c. All bids shall be deemed final, and no bid shall be subject to correction or amendment for error or miscalculation.

- b. All deliveries shall be accompanied by legible delivery tickets or packing slips. Tickets shall contain the following information for each item delivered: Name of Article, Item Number, Quantity, Date and the Name of the Vendor. If you are unable to maintain bid pricing as a secondary vendor, please state this information with your bid.
- b. RSD/CNS shall have the right to reject any or all products furnished, which in its sole opinion, are not in strict conformity with the requirements of the bid specifications.
- c. The award will be made by the Board of Education, or its authorized representatives. The District reserves the right to reject any or all bids, waive any informalities in the bids received and to award the bid on the basis of any single bid or any combination of bids that best conform to the bid conditions and specifications, and will be most advantageous to the District, price and all other factors considered.
- d. Award(s) will be made to the lowest, responsive, responsible bidder(s) whose bid(s) is deemed to be most advantageous to the District, considering overall price based on projected usage, compliance with bid terms, quality of products, references and customer service. The purpose of the letter is to advise the vendor that a contract has been awarded to their company. The award letter is not a guarantee that products will be ordered.

- g. Director may be contacted to finalize details on accepted brands and estimated usage quantities after awards.
- h. RSD/CNS may wish to visit Supplier's facilities, warehouse(s), or other facilities and may use the visitation as a basis for accepting or rejecting proposals. Supplier(s) shall, upon request and at no charge, accompany RSD/CNS personnel.

 - 1) Clear indication that the communication is a formal, written protest
 - 2) Name, address and phone number of the protestor

If the protest is sustained, available remedies include canceling the award.

Instructions for Certification

1. By signing and submitting this proposal, the prospective recipient of Federal assistance funds is providing the certification as set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of Federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Department of Labor (DOL) may pursue available remedies, including suspension and/or debarment.
3. The prospective recipient of Federal assistance funds shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective recipient of Federal assistance funds learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective recipient of Federal assistance funds agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the DOL.
6. The prospective recipient of Federal assistance funds further agrees by submitting this proposal that it will include the clause titled "certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may but is not required to check the List of Parties Excluded from Procurement or No procurement Programs.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the DOL may pursue available remedies, including suspension and/or debarment.
