“Contractor” shall mean successful supplier.

“Determination” shall mean the written documentation of a decision of a procurement manager including findings of fact required to support a decision. A determination becomes part of the procurement file to which it pertains.

“Desirable” the terms “may”, “can”, “should”, or “prefers” identify a desirable or discretionary item or factor.

“District” shall mean Albuquerque Public Schools.

“Mandatory” the terms “must”, “shall”, “will”, “is required”, or “are required”, identify a mandatory item or factor. Failure to meet a mandatory item or factor will result in the rejection of the bid.

“Responsible Bidder” shall mean a bidder who submits a responsive bid and who has furnished, when required, information and data to prove that its financial resources, production or service facilities, personnel, service reputation and experience are adequate to make satisfactory delivery of the services or items of tangible personal property described in the bid.

“Responsive Bid” shall mean a bid, which conforms in all material respects to the requirements set forth in the bid.

15. Any exceptions to the scope of work and/or specifications shall be listed separately in the submitted bid and unless otherwise stated, specifications attached are the minimum requirements.

16. The District reserves the right in its sole discretion to waive minor informalities in bids submitted provided that such informalities have no effect on price, quality, quantity, fitness, delivery or any matter to be evaluated in making a selection and confer no material advantage on the Bidder whose non conformity is waived.

17. This bid may be canceled or may be rejected in whole or in part when it is in the best interest of Albuquerque Public Schools.

18. Any sole response that is received may be rejected by the District depending on available competition and timely needs of the District. The District reserves the right to award the contract to the responsible bidder submitting responsive bid with resulting agreements most advantageous and in the best interest of the District.
19. All costs incurred by a Bidder in connection with responding to this Bid, the selection process undertaken in connection with this procurement, and any negotiations with the District will be borne by the Bidder.
20. This procurement in no manner obligates Albuquerque Public Schools until a valid signed Price Agreement or valid Purchase Order is executed.
21. The bid will be awarded to the lowest responsible and responsive Bidder that meets or exceeds the specifications/scope of work outlined in the Bid Documents. Albuquerque Public Schools reserves the right to the sole judge to determine “meets or exceeds”.
22. The District reserves the right to eliminate any Bidder who submits incomplete or inadequate responses or is not responsive to the requirements of this Bid.
23. The buyer, after review of the bids may request clarifications on information submitted by any and all bidders in a written format, with a specified deadline for response.

Confidential data is normally restricted to confidential financial information concerning the Bidder’s organization and data that qualifies as trade secret in accordance with the Uniform Trade Secrets Act, 57-3A-1 to 57-3A-7 NMSA 1978. The price of products offered or the cost of services proposed shall not be designated as proprietary of confidential information.
26. Where a brand-name or equal specification is used in a solicitation, the use of a brand name is for the purpose of describing the standard of quality, performance and characteristics desired and is not intended to limit or restrict competition. If a vendor proposes an “equal” to scope of work/specifications, APS is the sole interpreter of the scope of work/specifications and sole judge as to whether the “equal” proposed complies with the scope of work/specifications.
27. APS will not select from multiple offers on a single document. If bidder offers more than one brand/price per item, the (1) as specified or the (2) most expensive will be considered as the primary bid. Other offers will not be evaluated unless the primary bid is a low bid in its own right. If you wish to offer an alternate bid in addition to your regular bid, make extra copies of the necessary pages (including the signature pages) and submit as “Bid #2”. Each bid must stand alone and comply with the terms and conditions of the contract. 32. Albuquerque Public Schools reserves the right to award by item, group of items, or total bids; to reject any and all bids in whole or in part, if it is in the best interests of Albuquerque Public Schools. Additionally, the District reserves the right to reject any or all bids for any reason that the District determines prudent. Such rejection shall not result in any penalty to the District, but shall be deemed a cost of doing business by the bidder.
33. The District reserves the right to increase or decrease the quantity of any item called for, add additional related items as the District deems necessary, or to eliminate any item entirely.
34. It is mutually understood and agreed that the successful bidder(s) shall not assign, transfer, convey, sublet or otherwise dispose of the purchase order, contract, or his/her right, title of interest therein, or power to execute such purchase order or contract to any other person, company or corporation without the previous written consent of APS.
35. If this bid results in a non-exclusive discount pricing agreement, more than one award may be made. No commitment is made by the District as to quantity and frequency of purchase. Albuquerque Public Schools reserves the right to purchase items referenced under this agreement using any other method and from any other vendor as deemed necessary and in the best interest of the District.
36. Any resulting purchases under the bid will be made by Albuquerque Public Schools purchase order or procurement card. CAMPAIGN CONTRIBUTION DISCLOSURE FORM

Pursuant to the Procurement Code, Sections 13-1-28, et seq., NMSA 1978 and NMSA 1978, § 13-1-191.1 (2006), as amended by Laws of 2007, Chapter 234, any prospective contractor seeking to enter into a contract with any state agency or local public body **for professional services, a design and build project delivery system, or the design and installation of measures the primary purpose of which is to conserve natural resources** must file this form with that state agency or local public body. This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars (\$250) over the two year period.

Furthermore, the state agency or local public body may cancel a solicitation or proposed award for a proposed contract pursuant to Section 13-1-181 NMSA 1978 or a contract that is executed may be ratified or terminated pursuant to Section 13-1-182 NMSA 1978 of the Procurement Code if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

The state agency or local public body that procures the services or items of tangible personal property shall indicate on the form the name or names of every applicable public official, if any, for which disclosure is required by a prospective contractor.

THIS FORM MUST BE INCLUDED IN THE REQUEST FOR PROPOSALS AND MUST BE FILED BY ANY PROSPECTIVE CONTRACTOR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

The following definitions apply:

“Applicable public official” means a person elected to an office or a person appointed to complete a term of an elected office, who has the authority to award or influence the award of the contract for which the prospective contractor is submitting a competitive sealed proposal or who has the authority to negotiate a sole source or small purchase contract that may be awarded without submission of a sealed competitive proposal.

“Campaign Contribution” means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official's behalf for the purpose of electing the official to statewide or local office. “Campaign Contribution” includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

“Family member” means spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law of (a) a prospective contractor, if the prospective contractor is a natural person; or (b) an owner of a prospective contractor.

“**Pendency of the procurement process**” means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals.

“**Prospective contractor**” means a person or business that is subject to the competitive sealed proposal process set forth in the Procurement Code or is not required to submit a competitive sealed proposal because that person or business qualifies for a sole source or a small purchase contract.
