Each Bid must be accompanied by a Bid Bond, prepared on the form of Bid Bond attached to the Contract Documents or a Surety Company's Standard Bid Bond, duly executed by the Bidder as principal and having as surety thereon a surety company licensed to do business in the State of Tennessee and listed as a certified company in the latest issue of U.S. Treasury Circular 570, in the amount of five percent of the Bid.

The contract time shall be 300 calendar days. The 300 calendar days include 120 days for submittals review, material/equipment procurement, development of construction sequence, etc., and 180 days for work to be executed on site. The Owner may grant permission to commence work on site early if some of the required components have been procured and are ready for installation. However, commencement of work on site will also initiate the 180-day on-site construction portion of the overall contract time.

No bid may be withdrawn within 120 calendar days after the scheduled time for receipt of bids.

All bidders must be licensed and shall comply with all requirements of the State of Tennessee Contractor's Licensing Act.
