Passenger Bus Transportation for Football Team

Invitation to Bid (ITB) –

2K17-06B

Alabama A&M University

Passenger Bus Transportation for Football Team

Bid No. 2K17-06B

INTRODUCTION

Alabama A&M University ("University") is seeking bids from qualified vendors to provide passenger bus transportation services for the Football Team for the Fall 2017 season. At any time during the contract term, Alabama A&M University reserves the right to terminate a contract for convenience or cause with 30 days prior notice to the vendor.

Alabama A&M University will issue the awarded vendor an open purchase order in the sum of the estimated total contract value. It is to be understood that due to force majeure schedule changes may occur and transportation needs may be canceled. The University reserves the right to cancel a trip at any time. For these reasons, the vendor will invoice actual fees incurred to be paid in reference to the open purchase order. It is to be understood that the quoted, estimated total contract value is to be considered the not to exceed price under the assumption no schedule changes occur. Therefore, a vendor may not actually receive the total estimated contract value as revenue.

Vendors are to itemize the total cost associated with each scheduled trip. Alabama A&M University understands that fuel costs and mileage are associated costs with travel and may not be known until after a trip has been completed. For those reasons, bidders are encouraged to provide their best estimate of the price for each trip.

The awarded vendor must follow Federal and State of Alabama laws and Alabama A&M University policies and procedures throughout the duration of the contract.

2. **Bid Preparation:** Alabama Agricultural and Mechanical University bid forms must be completed and returned as a part of the bid quote. Bids should be as thorough and detailed as possible so that AAMU may be able to properly evaluate a bidder's capabilities to provide the required products or services. All bidders must send descriptive literature and/or manufacturer's specifications along with any supplemental specifications necessary to compare the items bid with the requirements set forth in the bid form. All bids must be submitted within a sealed package with the bid number, opening date and time, and bidder's name and address clearly indicated on the envelope. Bidders are required to submit all items required in the bid package.

An authorized representative of the Bidding Agency shall sign ITB bid documents. All information requested must be submitted. Failure to submit all information requested may result in rejection of the bid. Mandatory requirements are those required by law or regulation or are such that they cannot be waived and are not subject to negotiation.

All supporting documentation submitted with the bid should be bound in that single volume.

Ownership of all data, materials, and documentation originated and prepared for the University pursuant to the ITB shall belong exclusively to AAMU and be subject to public review.

3. **Oral Presentation:** Bidders who submit a bid in response to this ITB may be required to give an oral presentation of their bid to the Awarding Authority. This will provide an opportunity for the Bidding Agency to clarify or elaborate on the bid but will in no way change the original bid. If an oral presentation is to be required, the Awarding Authority

will schedule the time and location of these presentations. Oral presentations are an option of the Awarding Authority and may not be required to be conducted.

4. **Bid Bonds:** It is required for any contract exceeding \$10,000 that the bidder submit with his or her bid a bid bond payable to Alabama A&M University in the amount not less than five percent (5%) of the base bid to not exceed \$10,000. Bid bonds must be submitted in a form of a cashier's check, certified check, postal money order, irrevocable letter of credit, or U.S. Treasury Notes in lieu of a bid bond. No personal checks or company checks will be accepted. If a bid bond, when required, is not included in a bid package, the bidder's bid package will not receive further consideration.

5. **Award:** Alabama Agricultural and Mechanical University ("AAMU", "the Awarding Authority") reserves the right to accept or to reject any or all bids and is not bound to accept the lowest bid if that bid is contrary to the best interests of the University. In making an award, intangible factors such as a bidder's service, integrity, conformity with specifications, transportation charges, terms of delivery, facilities, equipment, reputation, and past performance history will be weighed along with the quality displayed in the samples submitted (Ala. Code § 41-16-57 (a)). Bids may be awarded either item by item, in product groups, or all or none, whichever appears to be in the best interests of the University. Selection shall be made of one bidder deemed to be fully qualified and best suited among those bidders that submitted bids on the basis of the evaluation factors included in this ITB. Financial criteria shall be considered, but will not be the sole determining factor. After reviews have been conducted, the Awarding Authority shall select the Bidding Agency which has made the best bid and shall award the bid to that Bidding Agency. The Awarding Authority may cancel this ITB or reject any and all bids at any time prior to an award.

A bid accepted in error as the lowest responsible bid is null and void and AAMU, upon discovery of the error, may accept the lowest bid and award the contract to that bidder. (Attorney General's Opinion # 2002-071)

Under Ala. Code § 41-16-57 (c), the Awarding Authority may consider lifecycle costs in making its determination of the lowest responsible bidder.

Under Ala. Code § 41-16-57 (b), the Awarding Authority shall give preference to commodities produced in Alabama or sold by Alabama companies provided there is not a loss in price or quality. However, when the lowest bidder is a foreign entity, meaning that the vendor does not have a place of business within the State of Alabama, AAMU may award the contract to an "in-state" responsible bidder if his or her bid is within ten percent (10%) of the foreign entity's lowest responsible bid. AAMU may also award the contract to any of the following "in-state" responsible bidders that are within ten percent (10%) of the foreign entity lowest bidder:

- A. A woman-owned enterprise

- B. A small business enterprise

- C. A minority-owned business enterprise
- D. A veteran-owned business enterprise
- E. A disadvantaged-owned business enterprise

If an “in-state” vendor is not within ten percent (10%) of the foreign entity lowest responsible bidder, the contract will be awarded to the foreign entity.

6. **Second Lowest Responsible Bidder:** An Awarding Authority can award the bid to the second lowest responsible bidder if the lowest responsible bidder defaults on the contract after the award has been made, but only under any of the following circumstances:
- A. The lowest responsible bidder notifies the Awarding Authority in writing that he or she will no longer comply with the contract’s terms.
 - B. The Awarding Authority documents the default in writing.

The second lowest responsible bidder shall only receive the award given that he or she agrees to all the terms and conditions in the original bid.

7. **Bid Withdrawal:** No bids may be withdrawn without approval from Alabama Agricultural and Mechanical University’s Purchasing Department. Any requests for withdrawal must be in writing to the Purchasing Department within five (5) days after the bid opening date with justification or reason for the withdrawal. More than two (2) such requests could result in removal from our bid list. No bid may be withdrawn after the issuance of a purchase order. If a withdrawal is made after the purchase order is issued, the vendor will be considered in default. Refer to “Default of Contractor.”

Alabama Agricultural and Mechanical University may remove any vendor from the Bidders List after a vendor fails to respond to three consecutive Invitation to Bid (ITB) requests.

8. **Bid Rejection:** The Awarding Authority may reject any bid if the price is deemed excessive or the quality of the product inferior. (Ala. Code § 41-16-57 (c)) In the event only one bidder responds to an invitation to bid, the Awarding Authority may reject the bid and negotiate the purchase or contract, provided that the negotiated price is lower than the bid price and there are no change in specifications. (Ala Code § 41-16-50 (a) and Attorney General’s Opinion # 98-140). In the event only one bidder responds to an invitation to bid, the Awarding Authority may also advertise for and seek other competitive bids. Where only one responsible and responsive bid is received, AAMU may only negotiate for a price lower than the single bid received.

9. **Prices and Payment Terms:** Bidders should quote applicable cash discounts. The University will not take into consideration in the bid evaluation any cash discount of less than thirty (30) days of duration. However, we will take advantage of all discounts for which we are eligible. Identify these discounts in your bid response. Bids containing “payment in advance” or “cash on delivery (COD)” requirements may be rejected.
10. **Applicable Law:** It is agreed that this quotation is valid to the extent that it does not violate the constitution or the laws of the State of Alabama.

Bidder represents and warrants that all article and services covered by this bid meet or exceed the safety standards established and promulgated under the Federal, Occupational Safety and Health Act of 1970, No. 2006, and its regulations in effect or proposed as the date of this bid.

The furnishing of materials, supplies, equipment, or service to Alabama Agricultural and Mechanical University under this purchase order, contract, solicitation for bids, or construction specification constitutes assurance by the vendor or contractor of his compliance with applicable provisions of an pertinent regulations promulgated under Executive Order 11246, date September 28, 1965 issued by the President of the United States of America, and Public Law 88-352, 88th Congress, the “Civil Rights Act of 1964.”

11. **Non-Collusion:** Any agreement or collusion among bidders or prospective bidders in restraint of freedom of competition, by agreement to bid at a fixed price or to refrain from bidding, or otherwise, shall render the bids of such bidders void. Each bidder certifies that he has not been a party to such an agreement by signing this bid.
12. **New Products:** Unless specifically called for in the bid, all products for purchase must be new, never previously used, and the current model and/or packaging. No remanufactured or refurbished, demonstrator, used, or irregular product will be considered for purchase unless otherwise specified in the bid. The manufacturer’s standard warranty will apply unless otherwise specified in the bid. All requests should be supplied complete, ready to be installed, including all cabling and connectors, where applicable.
13. **Bonds:** Bid and performance security bond, when required will be indicated.
14. **Bid Submission:** Failure to submit a bid on the official Alabama Agricultural and Mechanical form provided for that purpose shall be a cause for rejection of the bid. Return of the complete document is required. Modification of or additions to any portion of the solicitation may be cause for rejection of the bid; however, AAMU reserves the right to decide, on a case-by-case basis, in its sole discretion, whether or not to reject such a bid as non-responsive.

All information shall be typewritten or handwritten in the appropriate spaces on the forms. Mistakes may be crossed out and corrections inserted before submission of your bid. Corrections shall be initialed in ink by the person signing the bid.

All bids must be signed. Failure to do so will result in rejection of the bid.

15. **Delivery:** Time of delivery shall be stated as the number of calendar days following receipt of the order by the vendor, to receipt of the goods by Alabama Agricultural and Mechanical University.

Delivery time may be a criterion in awarding bids. Specify earliest possible delivery after receipt of order. Failure to deliver within the time the vendor specified in the bid will constitute a default and may cause cancellation of the contract. Refer to "Default of Contractor."

All prices quoted are to include Free on Board (F.O.B.) shipping to Alabama Agricultural and Mechanical University, Central Receiving Building, 3409 Meridian Street, Huntsville, AL 35811 (unless another F.O.B. point is stated by the University on the bid form). The successful bidder must assume all responsibility for damage in transit. When installation is required, it will be stated in the bid requirements. If you are not quoting a delivered price, you must indicate your shipping provider / logistics carrier and all related transportation costs itemized in your bid for evaluation purposes.

16. **Bid Terms:** Bidders must show unit prices, extensions, and total price, where applicable. In the event of a discrepancy between the unit price and the extension, the unit price shall govern. Bids shall remain firm for a minimum of thirty (30) days from the date of bid opening and any exceptions must be clearly stated.

17. **Bid Opening:** Bidders may attend the bid opening, but no information or opinions concerning the ultimate award will be given at the bid opening or during the evaluation process. After the public opening of this bid, the results will not be available to bidders not attending the opening until after an award is made.

18. **Bids are Public Record:** All bids become a matter of public record at bid award. Alabama Agricultural and Mechanical University accepts no responsibility for maintaining confidentiality of any information submitted with bid whether labeled confidential or not.

19. **Standards of Quality:** When a material, article, or piece of equipment is identified in these specifications by reference to manufacturer's or vendor's name, trade name, catalog, and stock numbers, etc., it is intended merely to establish a standard; and, any material, article or equipment of other manufacturer and vendor which will perform equally the duties imposed by the general design, provided the material, article, or equipment proposed, is in the opinion of the Purchasing Agent of equal substance and

function. It shall not be purchased or installed by the contractor without the Purchasing Agents' written approval.

The bidder is responsible to clearly and specifically indicate the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable AAMU to determine if the product offered meets the requirements of the Invitation to Bid (ITB). Normally in competitive sealed bidding only the information furnished with the bid will be considered in the evaluation. Failure to furnish adequate data for evaluation purposes may result in declaring a bid non-responsive. Unless the bidder clearly indicates in its bid that the product offered is an "Equal" product, such bid will be considered to offer the brand name product referenced in the invitation. References to manufacturers, suppliers, catalog numbers, etc. are intended to establish quality standards and does not exclude bids from others as long as quality standards are met. Offers of equal items must state the brand and quality standard. Alabama Agricultural and Mechanical University will be the sole judge of Equal items bid.

20. **Vendor Authorization:** Vendor must be an authorized distributor/agent to sell products proposed in this bid request. When it is deemed to be in the best interest of the University, the Purchasing Department may request an on-site premise visit to examine the facility.
21. **Default of Contractor:** Where the University has determined the contractor to be in default, the University reserves the right to purchase any or all products or services covered by the contract on the open market and to charge the contractor with cost in excess of the contract price. Until such assessed charges have been paid, no subsequent bid from the defaulting contractor will be considered.
22. **Fiscal Funding Clause:** The continuation of this contract is contingent upon the appropriation of funds to fulfill the requirements of the contract by the legislature. If the legislature fails to appropriate sufficient monies to provide the continuation of a contract, the contract shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.
23. **Contract Cancellation:** The Purchasing Department has the right to cancel any contract, in accordance with Purchasing Rules and Regulations, for cause, including, but not limited to, the following: (1) failure to deliver within the agreed upon contract duration; (2) failure of the product or service to meet specifications, conform to sample quality, or to be delivered in good condition; (3) misrepresentation by the contractor; (4) fraud, collusion, conspiracy, or other unlawful means of obtaining any contract with the state; (5) conflict of contract provisions with constitutional or statutory provisions of state or federal law; and (6) any other breach of contract.
24. **Warranties:** Should merchandise described on this bid contain a manufacturer's warranty, bidders must state the warranty terms in the space provided on the bid. Bids offered for merchandise when no warranty applies must clearly state: "NO WARRANTY"

COVERAGE.” Warranty information may be criteria in making this award. Failure of bidders to furnish this data may cause rejection of the complete bid as being non-responsive.

25. **Disclosure Statement:** The successful bidder will be required to file with the Purchasing Department a disclosure statement of relationship between contractors/grantees and employees/officials of the University. This form must be completed prior to issuance of the Purchase Order by Alabama Agricultural and Mechanical University.
