RIVERWALK - I-24 UNDERPASS

CALL TO ARTISTS

Deadline: August 17, 2017, by 4:00 p.m., EST

Artwork Budget: \$220,000

OVERVIEW:

Public Art Chattanooga (PAC) and the Chattanooga Department of Transportation (CDOT) seek artists' qualifications for the commission, design and installation of an artwork that transforms and enlivens the I-24 Underpass which spans across a section of the recently opened Tennessee Riverpark Extension in Chattanooga, TN. This opportunity is open to artists and/or artist led teams in the U.S. Artist led teams including architects, landscape architects, engineers, lighting and sound designers are encouraged to

apply. The receipt deadline is August 17, 2017, by 4:00pm EST. This project is made possible by generous grants from the Benwood and Lyndhurst foundations. For more information about Public Art Chattanooga visit: www.publicartchattanooga.com

(FUTURE) ARTWORK VISION:

The City of Chattanooga and the Public Art Committee hope to transform an otherwise unattractive and uncomfortable space along the Riverwalk into a destination and gateway, connecting South Chattanooga to Downtown.

(FUTURE) ARTWORK / DESIGN GOALS:

The selected artist/team should consider the following goals in their design of the public artwork and space:

- Visually enhance and enliven the space through color, light, sound and/or other creative elements.
- Serve as a connection and/or gateway between the westside Riverwalk extension and Downtown;
- Fit well within the context of the site (in terms of scale and design or theme);
- Consider existing street art/ graffiti (either incorporate or deter future tagging);
- Consideration of all audiences (pedestrians, cyclists, families, passing motorists, outdoor enthusiasts, park users, etc.);
- Design should not interfere with structural integrity of the overpass;
- Materials and finishes for artwork shall be of the highest quality and should be designed and fabricated for durability as well as for relatively low maintenance;
- Public safety should be considered for both daytime and evening use;
- Consider opportunities to engage the local artist community in the project.

(FUTURE) ARTWORK / DESIGN PARAMETERS:

The artwork must not obstruct pedestrian right of ways and must generally meet the safety standards of TN Department of Transportation, Hamilton County and the City of Chattanooga. As this is an intensively used public space, artwork elements must be constructed of materials that are highly resistant to theft and vandalism as well as appropriate for Chattanooga's four season climate. The artwork should be designed for permanent installation.

ARTIST ELIGIBILITY:

This is a national competition open to professional artists and teams; all members of the team must be over 18 years old, practicing, professionals residing in the United States. The artist member shall be the lead designer. Multi-disciplinary teams are encouraged to apply. Other trades, such as multi-media, lighting, sound designers and/or engineers are encouraged to collaborate as well.

ARTWORK BUDGET: \$220,000

The budget includes expenses related to the design, fabrication and installation of a completed artwork, including (but not limited to) professional fees, site preparation and restoration, engineering and technical consultation, travel to the site, artwork fabrication, insurance, installation, permit fees,

documentation, all applicable taxes, etc.

PROJECT BACKGROUND:

Chattanooga's TN Riverpark has been recognized as one of the best in the nation. CNN Travel named the Riverpark among the World's 10 Best City Running Trails and Thrillist.com placed the Riverpark among their list of 10 of America's Coolest Urban Running Trails. Consisting of eleven miles of a paved, scenic, urban greenway that follows the curve of the Tennessee River, it will ultimately connect Lookout Mountain to the west of downtown and the Chickamauga Dam to the east. Used by cyclists, joggers, skaters and walkers, the popularly named "Riverwalk" connects neighborhoods and business districts within Chattanooga and Hamilton County via numerous trailheads.

In 1985, The Tennessee Riverpark Master Plan was released and since that time, Hamilton County and the City of Chattanooga have guided and managed Chattanooga's award-winning riverfront, which is a source of community pride and catalyst for economic development. The U. S. Department of the Interior recognized it as one of America's thirteen best urban parks and community green spaces. The success of the Tennessee Riverpark is a reflection of the strong public – private partnership that nurtured its creation and continued growth.

A recently completed portion of the Riverpark extends from Ross' landing to South Broad St, adding three miles to the existing eleven-mile park. The extension represents the first concerted effort to redevelop the brownfields on a long-neglected segment of our riverfront and provide a new gateway to our community on Interstate-24. The Wheland Foundry Trailhead park space will connect the next phase of the riverwalk extension to the base of Lookout Mountain and will also be linked to Southside Community Park, with the planned Alton Park Greenway, utilizing an abandoned railroad. The park is located at the terminus of Central Ave.

SELECTION PROCESS AND CRITERIA:

One artist or team will be selected to proceed with a concept proposal, final design, fabrication and implementation of the completed artwork. The concept proposal phase shall include travel for at least one site visit as well as a complete and thorough site specific proposal including a detailed budget and timeline.

SELECTION COMMITTEE:

The Selection Committee may include, but is not limited to, one artist, one architect, two Public Art Committee representatives and staff members from the City of Chattanooga and TN Department of Transportation.

EVALUATION CRITERIA:

Artist team's statement of interest, professional work history and portfolio will be evaluated by the selection committee. The committee will review applicants on the basis of:

- Artistic excellence and professional experience of the design team.
- Expressed sensitivity to the site and context.
- Ability to complete the project within the given timeframe.
- Demonstrated ability of the team to work collaboratively with professionals.
- Demonstrated ability to successfully execute a project of this scale under the criteria developed and within the budget set forth.
- Experience with and expressed desire to work collaboratively with a team to create an integrated artwork/ landscape for and in the public realm.
- Previous experience working with Government agencies.

Affirmative Action Plan

The City of Chattanooga is an equal opportunity employer and during the performance of this Contract, the Contractor agrees to abide by the equal opportunity goals of the City of Chattanooga as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, or handicap. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, national origin, or handicap. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay, or other forms of compensation, and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
2. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin, or handicap.
3. The Contractor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice advising the said labor union or workers' representative of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. In all construction contracts or subcontracts in excess of \$10,000 to be performed for the City of Chattanooga, any contractor and/or subcontractor is further required to file in duplicate within ten (10) days of being notified that it is the lowest responsible bidder, an affirmative action plan with the EEO Director of the City of Chattanooga. This plan shall state the Contractor's goals for minority and women utilization as a percentage of the work force on this project.
5. This Plan or any attachments thereto shall further provide a list of all employees annotated by job function, race, and sex who are expected to be utilized on this project. This plan or attachment thereto shall further describe the methods which the Contractor or Subcontractor

will utilize to make good faith efforts at providing employment opportunities for minorities and women.

During the term of this contract, the Contractor upon request of the City, will make available for inspection by the City of Chattanooga copies of payroll records, personnel documents and similar records or documents that may be used to verify the Contractor's compliance with these Equal Opportunity provisions.

6. The Contractor will include the portion of the sentence immediately preceding paragraph 1 and the provisions of paragraphs 1 through 6 in every subcontract so that such provisions will be requested of each subcontractor. The Contractor agrees to notify the City of Chattanooga of any subcontractor who refuses or fails to comply with these equal opportunity provisions. Any failure or refusal to comply with these provisions by the contractor and/or subcontractor shall be a breach of this contract.
