This shall include persons employed or utilized by CONTRACTOR (including CONTRACTOR's agents, employees, and subcontractors). CONTRACTOR agrees to abide by all of the terms, conditions and requirements of the bid documents which are declared to be material part of this Agreement.

g. **Acceptance of work product, payment, and warranty.** Upon receipt of a periodic work product, or notice that work has progressed to a point of payment in accordance with Exhibit A attached or the Bid documents, if any, together with an invoice sufficiently itemized to permit audit, the COUNTY will diligently review same. When it finds the work acceptable under this Agreement the installment payment, found to be due to CONTRACTOR, will be paid to the CONTRACTOR within thirty (30) days after the date of receipt of the invoice, unless another payment schedule is provided in Exhibit A. CONTRACTOR warrants that the data utilized by the CONTRACTOR (other than as provided by the COUNTY) is from a source, and collected using methodologies, which are generally recognized in the CONTRACTOR's industry or profession to be a reliable basis and foundation for the CONTRACTOR's work product. The CONTRACTOR shall notify the COUNTY in writing should it appear, in the CONTRACTOR's professional judgement that the data or information provided by the COUNTY for use in the CONTRACTOR's work product is incomplete, defective or unreliable. The CONTRACTOR guarantees to amend, revise or correct to the satisfaction of the COUNTY any error appearing in the work as a result of the CONTRACTOR's failure to comply with the warranties and representations contained herein. Neither inspection nor payment, including final payment, by the COUNTY shall relieve the CONTRACTOR from its obligations to do and complete the work product in accordance with this Agreement.

[OR**]**

Acceptance, final payment, and performance guarantee. Upon receipt of written notice that the work is ready for final inspection and acceptance, the COUNTY will promptly make such inspection. When it finds the work acceptable under this Agreement and the contract fully performed, it will promptly issue a final certificate stating that the work provided for in this Agreement has been completed, and acceptance by the COUNTY under the terms and the conditions thereof, is recommended and the entire balance, found to be due the CONTRACTOR, will be paid to the CONTRACTOR within thirty (30) days after the date of said final certificate. Before issuance of final certificate, the CONTRACTOR shall submit an affidavit satisfactory to the COUNTY that all payrolls, subcontractors, materialmen, and other similar bills and indebtedness connected with the work have been paid. The CONTRACTOR guarantees to repair, replace or otherwise make good to the satisfaction of the COUNTY any defect in workmanship or material appearing in the work; and further guarantees the successful performance of the work for the service intended. Neither inspection nor payment, including final payment, by the COUNTY shall relieve the CONTRACTOR from its obligations to do

and complete the work in accordance with this Agreement. If the COUNTY deems it inexpedient to require the CONTRACTOR to correct deficient or defective work, an equitable deduction from the contract price shall be made therefore or in the alternative, the COUNTY may seek damages.

[**OR**]

Payment and performance guarantee. When the COUNTY finds the work acceptable under this Agreement, the monthly installment will be paid to CONTRACTOR. CONTRACTOR guarantees the successful performance of the work for the service intended. If the COUNTY deems it inexpedient to require CONTRACTOR to correct deficient or defective work, an equitable deduction from the contract price shall be made therefore or in the alternative, the COUNTY may seek damages.

h. **Public records.**

- i. The CONTRACTOR is a "Contractor" as defined by Section 119.0701(1)(a), Florida Statutes, and shall comply with the public records provisions of Section 119.0701(2), Florida Statutes.
- ii. "Public records" is defined in Section 119.011(12), Florida Statutes, and includes all documents, papers, letters, photographs, data processing software, or other material, regardless of the physical form, made or received in connection with this Agreement.
- iii. Should CONTRACTOR assert any exemptions to the requirements of Chapter 119 and related law, the burden of establishing such exemption, by way of injunctive or other relief as provided by law, shall be upon CONTRACTOR.
- iv. CONTRACTOR consents to the COUNTY's enforcement of CONTRACTOR's Chapter 119 requirements, by all legal means, including, but not limited to, a mandatory injunction, whereupon CONTRACTOR shall pay all court costs and reasonable attorney's fees incurred by COUNTY.
- v. Failure by CONTRACTOR to grant such public access shall be grounds for immediate unilateral cancellation of this Agreement by the COUNTY.

4. **Miscellaneous Provisions.** THAT the parties hereby agree to the following miscellaneous provisions:

- a. **Discrimination.** That CONTRACTOR shall assure that no person shall be excluded, on the grounds of race, color, creed, national origin, handicap, age or sex, from participation in, denied the benefits of, or be otherwise subjected to discrimination in any activity under, this Agreement. CONTRACTOR shall take all measures necessary to effectuate these assurances.
- b. **Severability.** That, should any term or provision of this Agreement be held, to any extent, invalid or unenforceable, as against any person, entity or circumstance during the term hereof, by force of any statute, law, or ruling of any forum of competent jurisdiction, such invalidity shall not affect any other term or provision of this Agreement, to the extent that the Agreement shall remain operable, enforceable and in full force and effect to the extent permitted by law.

[insert header here (name of Contractor)]

- c. **Entire Agreement.** That this Agreement states the entire understanding between the parties and supersedes any written or oral representations, statements, negotiations, or agreements to the contrary. CONTRACTOR recognizes that any representations, statements or negotiations made by the County staff do not suffice to legally bind the COUNTY in a contractual relationship unless they have been reduced to writing, authorized, and signed by the authorized County representatives.
- d. **Construction.** Should any provision of this Agreement be subject to judicial interpretation, it is agreed that the court interpreting or considering such provision will not apply the presumption or rule of construction that the terms of this Agreement be more strictly construed against the party which itself or through its counsel or other agent prepared the same, as all parties hereto have participated in the preparation of the final form of this Agreement through review by their respective counsel, if any, and/or the negotiation of specific language, and, therefore, the application of such presumption or rule of construction would be inappropriate and contrary to the intent of the parties.
- e. **Attorney's Fees.** In the event of any litigation to enforce the terms of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees and costs which are directly attributed to such litigation both at the trial and appellate level.
- f. **Waiver.** The indulgence of either party with regard to any breach or failure to perform any provision of this Agreement shall not be deemed to constitute a waiver of the provision or any portion of this Agreement, either at the time the breach or failure occurs or at any time throughout the term of this Agreement. The review of, approval of, or payment for any of CONTRACTOR's work product, services, or materials shall not be construed to operate as a waiver of any of the COUNTY's rights under this Agreement, or of any cause of action the COUNTY may have arising out of the performance of this Agreement.
- g. **Force Majeure.** Notwithstanding any provisions of this Agreement to the contrary, the parties shall not be held liable if failure or delay in the performance of this Agreement arises from fires, floods, strikes, embargos, acts of the public enemy, unusually severe weather, out break of war, restraint of government, riots, civil commotion, force majeure, act of God, or for any other cause of the same character which is unavoidable through the exercise of due care and beyond the control of the parties. This provision shall not apply if the "Scope of Work" of this Agreement specifies that performance by CONTRACTOR is specifically required during the occurrence of any of the events herein mentioned.
- h. **Headings.** All headings are for clarification only and are not to be used in any judicial construction of this Agreement or any paragraph.
- i. **Binding Nature of Agreement.** This Agreement shall be binding upon the successors and assigns of the parties hereto.
