### III. Background

In 2020, the City of Knoxville Police Department (KPD) and McNabb Center piloted a Co-Response Team. A model endorsed by the Substance Abuse and Mental Health Services Administration (SAMHSA) and the Crisis Intervention Team International, Inc. (CIT), co-response teams exist in a growing number of cities across the country and reflect a partnership between law enforcement and social service providers in order to promote public safety and strengthen a continuity of care for those experiencing a behavioral health crisis.

The Knoxville Co-Response program currently pairs a CIT-trained law enforcement officer with a behavioral health professional clinician to jointly respond to calls for service specific to individuals experiencing a behavioral health crisis. These two individuals, the Co-Response Team (CRT), ride together in the same vehicle for an entire shift and are dispatched directly to incidents or dispatched after another officer requests the team. The CRT began accepting calls for service in October 2020 and has responded to a total of 199 calls through May 4, 2021.

The City of Knoxville desires to continue and expand the Co-Response program, such that multiple teams may continue to foster community policing, increase stabilization of incidents, and reduce the criminalization of mental illnesses and addiction disorders. By increasing the number of CRTs working under the program, the City aims to:

- Improve response to calls appropriate for CRT response
- Reduce the number of mental evaluation transports by EMS for non-medical calls
- Expand the response to CRT-related calls
- Increase CRT coverage during peak call hours
- Reduce the time that patrol officers are involved in CRT calls
- Increase post-call follow-up to support improved outcomes

In order to support the continuation and expansion of the Co-Response program, the City of Knoxville is seeking to partner with a behavioral health services organization (“provider”) to manage and provide behavioral health clinicians for KPD’s Co-Response teams. The provider will also play a key role in tracking and reporting on program performance, advising the City of Knoxville about ways to improve the program, and working closely with KPD leadership to support management of the Co-Response teams. It is the intent of this procurement to identify a qualified, experienced provider in order to enter into a potential 3-year contract for services as described in more detail below.

Proposals will be received until 11:00:00 a.m. (Eastern Time) on July 16, 2021. Each proposal must be submitted in a sealed envelope addressed to:

Late proposals will not be considered. ## Diversity Business Enterprise Program (DBE) Program

The City of Knoxville strongly encourages prime contractors to employ diverse businesses in the fulfillment of contracts/projects for the City of Knoxville.

The City of Knoxville's Fiscal Year 2021 goal is to conduct 5.35% of its business with minority owned businesses, 9.5% of its business with women-owned businesses, and 38.4% with small businesses.

While the City cannot engage (pursuant to state law) in preferential bidding practices, the City does **strongly encourage** prime contractors to seek out and hire diverse businesses in order to help the City meet its goals as stated above. As such, the City encourages prime contractors to seek out and consider competitive sub-bids and quotations from diverse businesses.

For DBE tracking purposes, the City requests that prime contractors who are bidding, proposing, or submitting statements of qualifications record whether or not they plan to employ DBE's as sub-contractors or consultants. With that in mind, please fill out, sign and submit (with your bid/proposal) the following sub-contractor/ consultant statement.
