

## Bid Specifications

The scope of work shall consist of supplying a minimum of two (possibly more) of the specified vehicles to Daphne Utilities. Selection criteria will not be solely based on price. Daphne Utilities will consider a variety of factors such as mileage, options, vehicle reliability, availability, etc. to select vehicles that meet our needs. The following specifications are meant to be general guidelines for submissions. **If you have vehicles that meet most of the specifications, submit the vehicles for consideration.**

### 4WD Crew Cab Pickup/Work Truck

- V8 gas engine, 5.3L, Dynamic Fuel Management
- 2024 Model
- WHITE
- Mileage less than 10 miles
- Crew cab (4 full size doors)
- 10-Speed Automatic Transmission
- Trailer Tow Package
- Trailer Brake Controller
- 4-Wheel Drive
- Back-Up Camera
- Keyless Remote Entry
- Lane Assist/Departure Warning
- Heavy Duty Air Filter-K47
- Vinyl interior
- Full Vinyl/Rubber Floor Cover
- 3 Years of OnStar Remote Access

The vendor must comply with standard record keeping and reporting requirements. Payment will be made by Daphne Utilities after the goods and services have been received, accepted, and properly invoiced with the purchase order number. Any defects in the work performed or product delivered must be corrected before invoices are eligible for payment.
