Subject: Motorola Radio Communications Products and Services

Dear Major Hood:

To meet Highlands County's objective of enhancing the existing APCO Project 25 (P25) communications system, Motorola Solutions, Inc. is supplying you with Project 25 Equipment.

This letter confirms that the components of this Project 25 system are sole-source items and may only be purchased through the factory direct Motorola sales department.

Motorola values the opportunity to continue to serve Highlands County by providing world class, life-critical solutions. Questions or inquiries may be directed to the local Motorola Manufacturing Representative, Chas Elliott at (863) 381-0504.

Sincerely:  
MOTOROLA SOLUTIONS, Inc.
