

ADDENDUM NO. 2

FEBRUARY 17, 2021

PROJECT: Chromebook Purchase
20-21-109

The clarifications, modifications, changes, additions, and/or deletions contained herein shall be incorporated within the construction documents for the project. Such information shall take precedence over that previously published.

QUESTIONS AND CLARIFICATIONS:

Question: We are currently working on quoting RFP 20-21-109 and noticed that C-VUSD may purchase varying quantities of different types of devices. However, the provided Attachment A only allows one type of device for us to fill out on the pricing table. Please advise on how to proceed.

Clarification: Fill out a separate attachment A form for each specification category that you are proposing with a quantity of 3,000 each. The District shall select any quantity of any specification category, so please consider that in your proposal pricing.
