QUESTIONS

1. On page 16 of quote, Drug-free Workplace form, on the third line it says “and it is also that _____”, is it correct that we leave it blank if we don’t have anyone else working for us?
 - a. Yes, that is correct.
2. And in the same section in question 1, do we leave the line blank in the middle of page that asks for name of subcontractor?
 - a. Yes, you do not have to include a subcontractor’s name if there is not one.
3. On page 17, Addenda Acknowledgment, should we still sign and include with the bid if there are no additions?
 - a. There will be an addendum as evidenced by this document so you will need to print this addendum and sign that you have read it.
4. On pages 19, 20 and 21; Save Affidavit and e-verify, should we still include these pages blank with bid if this does not apply to us due to having less than 11 employees?
 - a. Yes, include them as blanks so we can know that you saw this part of the bid documents and could have filled it out if it was relevant to your company.
