

June 13, 2022

Valley Center USD 262 is asking for bids for the following:

Playground Equipment and Renovation at Wheatland Elementary School, 800 Meadow, Valley Center, Kansas.

All bids should include all costs for the projects, including but not limited to costs of materials, equipment, shipping, removal/haul-off of any necessary items, and installation, as well as the anticipated date of installation. Please also include warranty information.

There are four parts of the project. Please bid each separately. Although we anticipate being able to complete all four projects, we do reserve the right to adjust the projects to be completed depending upon total costs.

Project Part 1-EWF Recharge

- Install Zeager Brothers Wood Carpet Engineered Wood Fiber ASTM F2075: Approximately 5839 square feet
- Recharge to 5" depth minimum, non-compacted
- Area outlined in location plan

Project Part 2- Music Area

- Concrete Pad Installation: approximately 360 square feet; 4" thick, wire reinforced, light-brush finish, saw cut joints on 15" centers
- Provide and install 1 Actively Play Spectrum Xylophone FM-1804
- Provide and Install 1 Actively Play Trilophone FM-1810
- Provide and install 1 Actively Play Bongo Drums FM-1812

Project Part 3- Funnel Ball Install

- Demo- cut two existing concrete pads and remove existing tether ball poles and footing for installation of new funnel ball system
- Provide and install 2 Action Play Systems Triple Shoot (funnel ball) 1 green, 1 orange
- Area noted in location plan

Project Part 4- Install Inclusive Swing Area

- Demo- Remove and dispose of existing pea gravel, wood border, and soil for concrete pad install; approximately 911 square feet
- Install concrete pad; approximately 911 square feet. 4" thick, wire reinforced, light-brush finish, saw cut joints on 15" centers
- Provide and install No Fault Safety Tile safety surfacing/rubber tiles; approximately 911 square feet; 2.25" thickness for 8' fall height; 24"x24" SBR squares with 8" ramp edges; color TBD

- Provide and install 1 Big Bend Inclusive Swing BSF-500801; 8' fall height with UFO Swing Seat

Project diagrams are included separately.

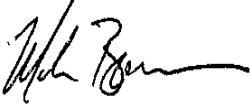

We encourage bidders to visually inspect the project areas. Please contact Mike Bonner to schedule a time.

All bids can be submitted electronically and *must* include your signature. Please submit your bid by **10:00 A.M. (CST) on June 30, 2022**, to Mike Bonner, Assistant Superintendent, via email at mike.bonner@usd262.net .

USD 262 Valley Center retains the right to accept or reject any or all bids.

Please feel free to contact me, or principal Rachel McClaran should you have any questions. I can be reached at 755-7000 or by email at mike.bonner@usd262.net . Rachel can be reached by email at rachel.mcclaran@usd262.net .

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Bonner", with a long horizontal flourish extending to the right.

Dr. Mike Bonner
Asst. Superintendent, Valley Center Schools
