SUBJECT: Addendum #2 to Request for Proposals 39294 – Unarmed Security Guard and Monitoring Services

As a result of inquiries received regarding the response provided in Addendum 1 pertaining to a site visit/walk-through, the following revised response is provided. Please make any necessary changes to your solicitation copy.

1. Question: Is it possible to conduct a site visit/walk-through prior to submitting the bid so that we can familiarize ourselves with the work areas and conduct a risk assessment?

REVISED Response: Unfortunately, due to recent Information Technology system issues that prevented timely issuance of further addenda and to meet Governing Board deadlines in December, a scheduled site visit/walk-through will not be available for this solicitation.

**NOTE: The response due date for this solicitation remains as 2:00 pm, November 17, 2023.**

Please acknowledge receipt of this Addendum on the BID FORM provided in the Invitation for Bids document.
