Re: City Hall Rebuild Project #2001  
Request for Qualifications for Architectural & Engineering Services

On Monday, February 4, 2019, the City received a massive response to our Request for Qualifications (RFQ) for our City Hall Rebuild Project.

The Project Review Committee (PRC) was tasked with the responsibility to thoroughly review each proposal. While we were extremely pleased with the quality of all proposals received, the following 5 firms are selected by the PRC for interview at this time:

- ADW
- Creech & Assoc
- GBA
- SMHa Inc
- Tych & Walker

It is with sincere appreciation that we say thank you to each firm that took the time and effort to respond to our request.
