The bidder also recognize the expense and difficulties involved in a legal or arbitration proceeding. Only one Subcontractor shall be listed for each division of the Work. The Village may make a determination regarding the responsibility and qualifications of each Subcontractor. To demonstrate qualifications to perform the Work, each Subcontractor must be prepared to submit, within five (5) days of Village's request, written evidence of the types set forth in the Request for Letter of Interest, such as financial data, previous experience, licensing, certification, and evidence of authority to conduct business in the Village. from the performance of the Contract to the extent caused by negligence, reckless or wrongful conduct in the performance of the Contract by the bidder or its employees, agents, servants, partners, principals or Subcontractors. The bidder shall pay all claims and losses in connection therewith, and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the Village, against the Village, and shall pay all costs, judgments and attorney's fees at trial and appellate levels which may issue as a result of the bidder's negligence. One Percent (1%) of the Contract amount shall represent the consideration to be provided for this Indemnification. Nothing contained herein shall be deemed a waiver of Sovereign Immunity provided to the Village by Section 768.28, Florida Statutes. The Village shall not be liable for any damages or claims of any type including but not limited to lost profits, special damages, consequential damages, punitive damages or business interruption on account of the Village's decision to terminate this Contract. In the event that there is insufficient time to grant such extensions prior to the completion date of the Contract, the Village Manager may, at the time of acceptance of the work, waive liquidated damages that may have accrued for failure to complete on time, due to any of the above.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

• An individual who is a U.S. citizen or U.S. resident alien,

- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

Termination or cancellation of the Contract will not relieve the Company of any deliverables and Work product due prior to the termination of the Contract, including but not limited to reports, statements of accounts, payments due the Village and any other records requested by the Village prior to the termination of the Contract, or after termination in the Village's discretion if needed for a post contract audit. Termination of the Contract will not relieve the Company of any obligations or liabilities resulting from any acts committed by the Company prior to the termination of the Contract.

B. Termination with Cause

Without waiving the right to terminate without cause, a Party may issue a written notice to the other claiming that the other Party is in breach of Contract and giving the other Party ten (10) calendar days to cure the

default. If the alleged breach of Contract is not cured, then the Party serving the notice may terminate the Contract and be excused from further performance following termination. They also recognize the expense and difficulties involved in a legal or arbitration proceeding. The Company acknowledges and agrees that the actual damages which the Village will suffer in the event of delay in achieving Substantial Completion or Final Completion of the Work are difficult, if not impossible, to determine and that the liquidated damages described are a fair and reasonable estimate of the delay damages which the Village is expected to suffer in the event of such delay. Accordingly, as actual damages cannot be ascertained, the Parties agree that as liquidated damages for delay, but not as a penalty, the Company shall pay the Village the amount of One Thousand and 00/100 Dollars (\$1,000.00) for each day after the time specified in the Documents for Substantial Completion until the Work is substantially complete.

Liquidated damages shall be deducted from the Company's applications for payment. The Company shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the Village, against the Village in all, and shall pay all costs, judgments, and attorney's fees at trial and appellate levels which may issue as a result of the Company's negligence. Nothing contained herein shall be deemed a waiver of Sovereign Immunity provided to the Village by Section 768.28, Florida Statutes. The Village shall not be liable for any damages or claims of any type including but not limited to lost profits, special damages, consequential damages, punitive damages or business interruption on account of the Village's decision to terminate this Contract. Additionally, the Company agrees that in the event this Contract is terminated for the Village's breach, the damages that the Company may have against the Village shall be limited to actual compensatory damages.
