LAFAYETTE, GA 30728**

Walker County Schools has requested bid proposals for some of our custodial supplies for our district-wide warehouse. Some of those items should be certified Green because we have one school that is LEED certified. Please be sure to read every page of the bid packet to ensure compliance with the bid requirements and product specifications.

Please bring your samples of your product/products requested in the samples requested memo to this mandatory pre-bid meeting if you are interested in participating in the bid process. Your product/products will not be considered if you do not attend the pre-bid meeting.

The pre-bid meeting will be to provide details about the bid process and answer any questions that you may have. Samples should be brought to the pre-bid meeting. Specifications of products, Safety Data Sheets, and secondary labels meeting the Globally Harmonized System requirements will also need to be provided for all chemical products if you are awarded the bid.
