Request for Proposals # 1708-0050

City of Goodlettsville Traffic Flow Improvements and Traffic Signal Upgrades – Phase II

The City of Goodlettsville has identified the need to upgrade and enhance the existing City of Goodlettsville advanced traffic signal control systems. The City is requesting proposals for non-professional services from qualified Offerors for equipment and services to serve as the City Signal System Software and Local Controllers / ATC Cabinet Hardware standard for use by the City of Goodlettsville in future installations and traffic signal upgrades.

The City will be accepting sealed proposals at the office of Charlie Ballard, City of Goodlettsville, 105 South Main Street, Goodlettsville, TN 37072, until 2:00 p.m. CST on May 16, 2018, at which time they will be opened.

Proposal instructions, with required forms and format information, Scope of Work and related contract information are available on the City's website www.goodlettsville.gov.

The City reserves the right to reject any and all bids, to waive informalities and to accept the bid or bids judged to be in the best interest of the City.

The City of Goodlettsville does not discriminate on the basis of age, race, sex, color, national origin, religion or disability in admission to, access to, or operation of its programs, services or activities, nor does it discriminate in its hiring, employment or purchasing practices. Contact the City Manager at (615) 851-2200 with questions, concerns, complaints and with requests for ADA accommodations.
