- (b) BIDDER has familiarized itself with the nature and extent of the Contract Documents, Work, Site, Locality, and all local conditions and laws and regulations that in any manner may affect cost, progress, performance or furnishings of the Work.
- (c) BIDDER has studied carefully all reports and drawings of subsurface conditions and drawings of physical conditions which are identified in the Supplemental General Conditions as provided in paragraph 4.02 of the General Conditions, and accepts the determination set forth in the Supplemental General Conditions of the extent of the technical data contained in such reports and drawings upon which BIDDER is entitled to rely.
- (d) BIDDER has obtained and carefully studied (or assumes responsibility for obtaining and carefully studying) all such examinations, investigations, explorations, tests, and studies (in addition to or to supplement those referred to in (c) above) which pertain to the subsurface or

physical conditions at the site or otherwise may affect the cost, progress, performance or furnishing of the Work at the Contract Price, within the Contract Time and in accordance with the other terms and conditions of the Contract Documents, including specifically the provisions of paragraph 4.02 of the General Conditions; and no additional examinations, investigations, explorations, tests, reports or similar information or data are or will be required by BIDDER for such purposes.

- (e) BIDDER has reviewed and checked all information and data shown or indicated on the Contract Documents with respect to existing Underground Facilities at or contiguous to the site and assumes responsibility for the accurate location of said Underground Facilities. No additional examinations, investigations, explorations, tests, reports, or similar information or data in respect of said Underground Facilities are or will be required by BIDDER in order to perform and furnish the Work at the Contract Price, within the Contract Time and in accordance with the other terms and conditions of the Contract Documents, including specifically the provisions of Paragraph 4.04 of the General Conditions.
- (f) BIDDER has correlated the results of all such observations, examinations, investigations, explorations, tests, and studies with the terms and conditions of the Contract Documents.
- (g) BIDDER has given ENGINEER written notice of all conflicts, errors or discrepancies that it has discovered in the Contract Documents and the written resolution thereof by ENGINEER is acceptable to BIDDER.

4.01 BIDDER further represents that this Bid is genuine and not made in the interest of or on behalf of any undisclosed person, firm or corporation and is not submitted in conformity with any agreement or rules of any group, association, organization or corporation; BIDDER has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid; BIDDER has not solicited or induced any person, firm or corporation to refrain from bidding; and BIDDER has not sought by collusion to obtain for itself any advantage over any other Bidder or over OWNER.

5.01 BIDDER further declares that he understands the unit quantities shown in the Bid Schedule are approximate only, are subject to increase or decrease, and agrees that should the quantities of any of the items be decreased no claim will be made for anticipated profits nor will the OWNER honor such claims.

6.01 BIDDER agrees to perform all the work described in the CONTRACT DOCUMENTS for the following unit prices:

- Notes:
- 1. Bids shall include sales tax, where required, and all other applicable taxes and fees.
 - 2. All specific cash allowances are included in the price(s) set forth and have been computed in accordance with Paragraph 11.02 of the General Conditions.
 - 3. The City of Goodlettsville should be exempt from all taxes on materials used on this job. The City's tax number will be provided to the successful low bidder for the purpose of obtaining exemption.
