**GENERAL – BIDDER’S QUESTIONS**

- G1 QUESTION:** Is there a laydown area designated for this project?  
G1.1 **Answer:** Yes, we can find an area, likely in the upper parking lot, but the Contractor will be responsible for securing it.
- G2 QUESTION:** Will the power be made accessible?  
G2.1 **Answer:** Yes.
- G3 QUESTION:** Will the water be made available?  
G3.1 **Answer:** Yes.
- G4 QUESTION:** Can demolished concrete be stockpiled on site for removal in full truck loads?  
G4.1 **Answer:** Yes, All debris will need to be managed so that it does not pose a safety hazard to staff and their vehicles.
- G5 QUESTION:** Do the E-Verify certification, OSHA training affidavit and drug free workplace certification letter need to be submitted with the Bid?  
G5.1 **Answer:** No. E-Verify certifications, OSHA training affidavits and drug free workplace certification letters shall be submitted within 14 days after Award of Contract and only when required by Kansas City Kansas Public Schools.
