

NOTICE TO CONSULTANT ENGINEERS REGARDING A REQUEST FOR QUALIFICATIONS AND LETTERS OF INTEREST

February 28, 2020

City of Knoxville, an Equal Opportunity, Affirmative Action Employer, seeks to retain the services of a professional consultant engineering firm to provide planning and design services and additional related technical services to the Papermill Drive Corridor Study. This plan will be used to guide public investment for developing pedestrian, bicycle, and vehicular improvements to Papermill Drive between N Weisgarber Road and Kingston Pike (US-11). The study shall be accomplished in accordance with TDOT Local Programs guidelines and the final deliverable shall be a Transportation Investment Report for submittal to TDOT. The professional consultant engineering consulting firm must be on TDOT's pre-approved list or have a completed pre-qualification form filed with TDOT by the deadline for the Letters of Interest. The prequalified firm must have unlimited status.

Project Description

The scope of services for this project will include evaluating the Papermill Drive transportation corridor between N Weisgarber Road and Kingston Pike (US-11) to improve multimodal transportation capacity. Work shall include:

- Data Collection – Consultant is responsible for conducting all necessary traffic studies to determine the existing usage of the transportation network and forecast future needs.
- Public Input – The consultant will be responsible for developing a public input process that may include: open houses, public surveys, community meetings and interviewing stakeholders.
- Final Product – Professionally sealed engineering report with conceptual plans shall be the deliverable. The consultant shall evaluate a variety of multimodal cross sections and provide cost estimates which include construction costs, professional services, impacts to adjacent property owners and permitting requirements.

Schedule for Evaluation

The City requires a submittal of six (6) printed copies of each Letter of Interest and qualifications

and one (1) electronic copy on CD format. Label outside of envelope with project name: Papermill Drive Corridor Study.

Phase I Evaluation

For Phase I evaluations firms shall submit letters of interest with firm contact information including name, address and e-mail of primary contact. The LOL's shall be limited to a maximum of five (5), single-sided pages, with a minimum font size of 10. The letters of interest shall also include:

- Work experience in the required disciplines with the City, TDOT and other clients.
- Experience of proposed team assigned to the project in the required disciplines
- Relevant licensures and certifications
- TDOT prequalification status

From the letters of interest, the City of Knoxville will select three (3) qualified firms to submit Phase II qualifications. From this list the top ranked consultant will be selected.

Phase II Evaluation

City of Knoxville will evaluation the firms on the following criteria (relative weight):

1. **Firms Qualifications and Experience on Similar Contracts.** The firm(s) involved should be able to cite projects of similar scope and size that have been successfully completed, and that have involved team members identified in the submittal in order to demonstrate success in project management. This includes evidence of good communication with all involved parties, a record of working successfully with clients and regulatory agencies, use of creative problem solving, and the ability to manage staff, budgets, and timelines in order to meet project goals and minimize the necessity for project change orders (30%).
2. **Project Approach/Methodology.** Describe in detail how this project will be approached. Describe any innovative or progressive approached that would used in this project. Clearly show why the firm(s) should be superior to other proposing firms in the delivery of the scope of services (25%).
3. **Key Project Personal Qualifications & Experience.** Respondents should clearly identify the principal-in-charge and include in that person's qualifications a description of project management expertise. Additionally, the names of persons, their respective titles/roles, vitae, and dedication of time should be provided for any team member playing a significant role in the project (25%).
4. **Firms Availability.** List location of key staff and their ability to meet with City personnel or conduct site visits as required (20%).

The consultant evaluation committee holds the ability to conduct interviews based on scoring as Phase III Evaluation.
