General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

No waiver of any provision of this Agreement shall be valid or enforceable unless such waiver is in writing and signed by the party granting such waiver.

Article 13 Severability

If any term or provision of this Agreement shall to any extent be held invalid or illegal by a court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby, and each term and provision of this agreement shall be valid and be enforced to the fullest extent permitted by law.

Article 14 Governing Law

This Agreement shall be construed in accordance with and governing by the laws of the State of Florida. Exclusive venue for any litigation shall be in Miami-Dade County, Florida.

Article 15 Waiver

The failure of either party to this Agreement to object to or to take affirmative action with respect to any conduct of the other which is in violation of the terms of this Agreement shall not be construed as a waiver of the violation or breach, or of any future violation, breach or wrongful conduct. No waiver by the Village of any provision of this Agreement shall be deemed to be a waiver of any other provisions hereof or of any subsequent breach by Contractor of the same, or any other provision or the enforcement thereof. The Village's consent to or approval of any act by Contractor requiring the Village's consent or approval shall not be deemed to render unnecessary the obtaining of the Village's consent to or approval of any subsequent consent or approval of Contractor, whether or not similar to the act so consented to or approved.

Article 16 Notices/Authorized Representatives

Any notices required or permitted by this Agreement shall be in writing and shall be deemed to have been properly given if transmitted by hand-delivery, by registered mail with postage prepaid return receipt delivery, by registered or certified mail with postage prepaid return receipt requested, or by Federal Express addressed to the parties at the following address:

Village:

Contractor:

Village of Palmetto Bay
9705 E. Hibiscus Street
Palmetto Bay, FL 33157

Either party shall have the right to change its address for notice purposes by sending written notice of such change of address to the other party in accordance with the provisions herein.

Article 17 Independent Contractor

Contractor is and shall remain an independent Contractor and is not an employee or agent of the Village. Services provided by Contractor shall be by employees of Contractor and nothing in this Agreement shall in any way be interpreted or construed to deem said employees to be agents, employees, or representatives of the Village. Contractor shall be responsible for all compensation, tax responsibilities, insurance benefits, other employee benefits, and any other status or rights of its employees during the course of their employment with Contractor. The rights granted to Contractor hereunder are nonexclusive, and the Village reserves the right to enter into agreements with other persons or Contractors to perform services including those hereunder.

Article 18 Assignment

The Contractor shall not assign, transfer, convey, sublet or otherwise dispose of this Contract, including any or all of its right, title or interest therein, or his or its power to execute such Contract to any person, company or corporation without prior written consent of the Village. The Contractor shall not assign, transfer or pledge any interest in this contract without the prior written consent of the Village; provided, however, that claims for money by the Contractor from the Village under this Contract may be assigned, transferred or pledged to a bank, trust company, or other financial institution without the Village's approval. Written notice of any assignment, transfer or pledge of funds shall be furnished within 10 days by the Contractor to the Village. None of the work or services under this Contract shall be subcontracted unless the Contractor obtains prior written consent from the Village. Approved Sub-Contractor shall be subject to each provision of this Contract and the Contractor shall be responsible and indemnify the Village for all Sub-Contractor's acts, errors or omissions.

Article 19 Prohibition Against Contingent Fees

Contractor warrants that it has no employees or retained any Contractor or person, other than a bona fide employee working solely for Contractor, to solicit or secure this Agreement, and that it has not paid or agreed to pay any person(s), Contractor, corporation, individual or Contractor, other than a bona fide employee working solely for Contractor, any fee, commission, percentage, gift, or any other consideration, contingent upon or resulting from the award or making of this Agreement.

Article 20 Attorneys Fees

Should any dispute arise hereunder, the Village shall be entitled to recover against the Contractor all costs, expenses and attorney's fees incurred by the Village in such dispute, whether or not suit be brought, and such right shall include all of

such costs, expenses and attorney's fees through all appeals or other actions. Neither party shall be entitled to prejudgment interest.

Article 21 Conflict of Interest

Contractor agrees to adhere to and be governed by the Village's Conflict of Interest Ordinance 2-121, et seq, which is incorporated by reference herein as if fully set forth herein, in connection with the Agreement conditions hereunder.

Article 22 Binding Effect

All of the terms and provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto, their respective assigns, successors, legal representatives, heirs and beneficiaries, as applicable.

Article 23 Entire Agreement

No statements, representations, warranties, either written or oral, from whatever source arising, except as expressly stated in this Agreement, shall have any legal validity between the parties or be binding upon any of them. The parties acknowledge that this Agreement contains the entire understanding and agreement of the parties. No modifications hereof shall be effective unless made in writing and executed by the parties hereto with the same formalities as this Agreement is executed.

Article 24 Captions and Paragraph Headings

Captions and paragraph headings contained in this Agreement are for convenience and reference only and in no way define, describe, extend or limit the scope and intent of this Agreement, nor the intent of any provisions hereof.

Article 25 Joint Preparation

The preparation of this Agreement has been a joint effort of the parties, and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other. It is the parties' further intention that this Agreement be construed liberally to achieve its intent.

Article 26 Counterparts

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same agreement.

Article 27 Exhibits are Inclusionary

All exhibits attached hereto or mentioned herein which contain additional terms shall be deemed incorporated herein by reference. Typewritten or handwritten

provisions inserted in this form or attached hereto shall control all printed provisions in conflict therewith.

Article 28 Jurisdiction And Venue

For the purposes of this contract, Florida law shall govern the terms of this contract. Venue shall be in Miami-Dade County, Florida.

Article 29 Sovereign Immunity And Attorney's Fees.

The Village does not waive sovereign immunity under 768.28, Florida Statutes, for any claim for breach of contract or for an award of prejudgment interest; provided, however, that in any action arising out of or to enforce this contract, the prevailing party shall be entitled to its reasonable attorney's fees and costs in any state or federal administrative, circuit court and appellate court proceedings. In the event of any litigation arising out of this agreement or project agreement, each party hereby knowingly, irrevocably, voluntarily, and intentionally waives its right to trial by jury.

Article 30 Permits, Licenses and Filing Fees

The Contractor shall procure all permits and licenses, pay all charges and fees, and file all notices as they pertain to the completion of the Contractor's work.

Article 31 Safety Provisions

The Contractor shall conform to the rules and regulations pertaining to safety established by OSHA and the California Division of Industrial Safety.

Article 32 Public and Employee Safety

Whenever the Contractor's operations create a condition hazardous to the public or Village employees, it shall, at its expense and without cost to the Village, furnish, erect and maintain such fences, temporary railings, barricades, lights, signs and other devices and take such other protective measures as are necessary to prevent accidents or damage or injury to the public and employees.

Article 33 Preservation of Village Property

The Contractor shall provide and install suitable safeguards, approved by the Village, to protect Village property from injury or damage. If Village property is injured or damaged resulting from the Contractor's operations, it shall be replaced or restored at the Contractor's expense. The facilities shall be replaced or restored to a condition as good as when the Contractor began work.

Article 34 Immigration Act of 1986

The Contractor warrants on behalf of itself and all sub-Contractors engaged for the performance of this work that only persons authorized to work in the United States pursuant to the Immigration Reform and Control Act of 1986 and other applicable laws shall be employed in the performance of the work hereunder.

Article 35 Contractor Non-Discrimination

In the award of subcontracts or in performance of this work, the Contractor agrees that it will not engage in, nor permit such sub-contractors as it may employ, to engage in discrimination in employment of persons on any basis prohibited by State or Federal law.

Article 36 Accuracy of Specifications

The specifications for this project are believed by the Village to be accurate and to contain no affirmative misrepresentation or any concealment of fact. Contractors are cautioned to undertake an independent analysis of any test results in the specifications, as Village does not guaranty the accuracy of its interpretation of test results contained in the specifications package. In preparing its proposal, the Contractor and all sub-contractors named in its proposal shall bear sole responsibility for proposal preparation errors resulting from any misstatements or omissions in the specifications that could easily have been ascertained by examining either the project site or accurate test data in the Village's possession. Although the effect of ambiguities or defects in the specifications will be as determined by law, any patent ambiguity or defect shall give rise to a duty of Contractor to inquire prior to proposal submittal. Failure to so inquire shall cause any such ambiguity or defect to be construed against the Contractor. An ambiguity or defect shall be considered patent if it is of such a nature that the Contractor, assuming reasonable skill, ability and diligence on its part, knew or should have known of the existence of the ambiguity or defect. Furthermore, failure of the Contractor or sub-contractors to notify Village in writing of specification defects or ambiguities prior to proposal submittal shall waive any right to assert said defects or ambiguities subsequent to submittal of the proposal.

To the extent that these specifications constitute performance specifications, the Village shall not be liable for costs incurred by the successful Contractor to achieve the project's objective or standard beyond the amounts provided therefore in the proposal.

In the event that, after awarding the contract, any dispute arises as a result of any actual or alleged ambiguity or defect in the specifications, or any other matter

whatsoever, Contractor shall immediately notify the Village in writing, and the Contractor and all sub-Contractors shall continue to perform, irrespective of whether or not the ambiguity or defect is major, material, minor or trivial, and irrespective of whether or not a change order, time extension, or additional compensation has been granted by Village. Failure to provide the hereinbefore described written notice within one (1) working day of Contractor's becoming aware of the facts giving rise to the dispute shall constitute a waiver of the right to assert the causative role of the defect or ambiguity in the plans or specifications concerning the dispute.

Article 37 Warranty Of Authority

The signatories to this contract warrant that they are duly authorized by action of their respective Village commission, board of directors or other Village to execute this contract and to bind the parties to the promises, terms, conditions and warranties contained in this contract.

Article 38 Miscellaneous Provision

In the event a court must interpret any word or provision of this agreement, the word or provision shall not be construed against either party by reason of drafting or negotiating this agreement.
