VIII. RESPONSIBILITIES OF PROPOSER

- A. Contract Management Team - The District will require the following supervisory positions to be filled as the minimum acceptable to the District to manage this contract.
1. Project Manager – The Project Manager shall reside in Whitfield County area to represent the Contractor, and to be responsive to the Director of Facilities and Safety. This should be an executive position filled by an experienced manager. The Project Manager will supervise the Area Managers. The Director of Facilities and Safety shall report any problems or concerns with the Area Managers and Building Supervisors to the Project Manager. Project Manager must have a cell phone with a local number, email access and a work van or pick-up truck. Project Manager shall not oversee school buildings directly and be available for emergencies that require custodial response.
 2. Area Managers - Area Managers will be responsible for the total cleaning package for their assigned schools. The Area Managers shall be responsible for hiring, firing and training of all employees in their area. The Area Managers shall be responsible for maintaining supplies and equipment and inspecting the work in their area. All communications concerning their areas shall be directed to the Project Manager. Area Managers must each have a cell phone with a local number email access and a work van or pick-up truck. Area Managers must be available for emergencies that require custodial response.
 3. Building Supervisor - The proposer shall designate one person at each location as “supervisor” Communications from the principal shall be directed to the Proposer’s Building Supervisor. The supervisor at each location shall notify the principal or site manager of any condition, deterioration, damage, safety hazard, menace or inoperative device promptly upon discovery. The principal shall notify the Director of Facilities and Safety. The Proposer’s Building Supervisor shall be on-site to supervise all cleaning activity and the cleaning employee on that site, as well as perform cleaning duties.
- B. Safety - Proposer shall be familiar and in complete compliance with, OSHA, AHERA, SCDHEC, and EPA requirements and shall immediately report any loss or time of major injuries to the Director of Facilities and Safety.

The proposer shall be responsible for training his/her employees in the application of chemicals and the use of equipment to facilitate safe conditions for the employees, students, staff and faculty.

The proposer shall be responsible for training his/her employees in an approved Asbestos Awareness Program.

- C. Workmanship - The proposer’s employees shall be thoroughly experienced and/or trained and certified in the particular trade or class in which they are employed. All work shall be performed according to the specifications covering the class or type of work and shall meet the approval of the Director of Facilities and Safety. The proposer shall be responsible for providing the proper training for all of proposer’s employees regarding the proper handling of equipment and application of cleansers, polishes, waxes, and other chemical substances. Documented quarterly training of all employees in cleaning techniques and safety regulations will be required. Damages resulting from the improper application or use of chemical substances will be the responsibility of the proposer.

Additionally, the proposer is responsible for providing all training for his employees as required by AHERA, SCDHEC, OSHA, and EPA regulations. The proposer must have a semi-annual meeting with entire cleaning staff to discuss safety and district concerns. The Director of Facilities and Safety must be present at the meeting.

D. Chemicals, Materials and Equipment

1. The procurement and maintenance of all equipment, supplies, materials, and chemicals for the successful execution of this contractual obligation shall be the proposer's responsibility.
2. Materials shall be stored neatly in areas designated by the District or the Director of Facilities and Safety. School storage space will be provided as available at each individual school. Proposer shall be responsible for providing any extra storage space needed at the school. This may include but not limited to include storage containers, pods, etc. The District shall assume no responsibility for loss or damages of stored materials, chemicals and equipment. Damage to the District's storage facilities shall be the responsibility of the contractor.
3. District will provide locked storage spaces where available, but it shall not be responsible for losses that may be incurred due to theft and/or vandalism.
4. Proposer shall post a list of supplies, with minimum requirements, at each school. The proposer's Building Supervisor will be responsible for checking supplies daily and making sure they are replenished.
5. Chemicals and equipment must meet or exceed OSHA requirements and commonly recognized safety requirements. Proposer shall be responsible for maintaining Material Safety Data Sheets (MSDS) on each job site for all chemicals used in the cleaning process.
6. Vacuum cleaners used during the proposal period shall be HEPA approved. Proposer is responsible for proper operation and up keep of HEPA vacuums.
7. Proposer must furnish all needed safety equipment and protective devices necessary for the safety of all building occupants and property of the District.
8. Proposer shall maintain proposer's equipment to present a neat appearance, be free from hazards, and to perform in a "like new" manner. All cleaning equipment shall be cleaned after work is completed each day.

E. Telephones - The Project Manager and the area managers shall maintain a cell phone service with local or toll free service to the district.

F. Office and Storage Space

1. Proposer shall provide their own office space for operations and warehouse space for supplies and equipment storage.
2. All combustibles such as propane, gasoline etc. must be stored outside in wired cages. Proposer shall furnish wire cages to be placed in district approved areas.
3. The proposer, while performing his work, may utilize janitor closets in each school. Must maintain 4 ft. clearance for all cut offs, electrical panels, roof hatch, network cabinets, and other structures. Proposer must always maintain such room in a neat and sanitary condition. Mops shall be clean and hung to enhance drying; mop buckets shall be empty and clean when stored.

G. Project Coordination - The proposer shall coordinate and schedule his staff to complete the daily work in conjunction with the school schedule. The proposer shall plan the work in conjunction with the school principal to minimize the disruption of school operations. On Monday morning at 9:00am the proposer shall provide weekly inspection reports of all facilities under this proposal to the Director of Facilities and Safety. The proposer shall confer with principals and the Director of Facilities and Safety, as specified, but not less than once per week, in order to set up and maintain the facility in an acceptable state of

cleanliness and sanitation. Inspection forms must have district approval. Any substitute worker or newly assigned custodian shall report to the office immediately upon entering the school building.

H. Keys

1. All building keys except one (1) outside entry door key and alarm key shall be secured inside the building in a safe place assigned by the principal or site manager.
2. Keys, which may be distributed at the beginning of each work period, shall be returned to the appropriate supervisor at the end of each work period.
3. Two sets of keys will be furnished to the proposer for each facility by the District. The proposer will not have additional keys duplicated. If additional keys are needed, a request shall be made to the Director of Facilities and Safety. The District's representative will make these additional keys and the proposer will be billed for the cost. It is extremely important that the proposer be responsible and accountable for the keys and security of the building. Upon termination of the contract, the proposer shall return all keys to the Director of Facilities and Safety before the final payment is made. Proposer keys lost or stolen while in the possession of the proposer, will be replaced and all applicable locks re-keyed at the proposer's expense if it is determined that security of the facility has been compromised.
4. Employees shall not leave keys in doors or admit anyone into any building or office that is not a designated employee of the proposer.
5. It is the responsibility of the proposer to lock all exterior doors after students and teachers have left for the day. All exterior doors shall remain locked while the building is being cleaned. All doors which were unlocked upon entry will be immediately locked.

- I. Employee ID Badges – All proposer employees will be issued a Whitfield County School System ID badge. These badges have varying levels of access to the facilities via card readers. Proposer must notify Human Resources Department designee or Director of Facilities and Safety within 24 hours of lost or stolen ID badge. Lost, stolen or damaged ID badges will be replaced at a cost of \$25 payable at time of replacement.

- J. Security - The proposer shall be responsible for training employees in security requirements of the District and shall be responsible for the enforcement of the same. The District security requires that you provide them with a list of all employees hired by name, social security number, date of birth, sex, race, and address. The proposer shall have E-Verify checks of all applicants prior to employment. A copy of the E-Verify report must be issued to the Director of Facilities and Safety upon request. Additionally, each employee shall be informed of the following:

1. The proposer shall be responsible for safeguarding against loss, theft, or damage of all District's property, materials, equipment, and accessories that might be exposed to the proposer's employee.
2. The area managers, day and night porters will be trained to secure buildings and set alarms. The Project Manager will do this training with assistance from the Director of Facilities and Safety.
3. The Director of Facilities and Safety will provide the proposer the appropriate security code numbers for each building.
4. Guns, knives, or other dangerous weapons shall not be allowed on District property.
5. The proposer's employees working after normal school hours shall secure and keep all outside doors and windows locked while performing their duties, keep fire doors operable, and monitor unauthorized entry. The proposer's employees shall report any issues to the Principal or Site Manager immediately. Proposer's employees shall perform a "fire watch" function, shall upon completion of work secure doors and windows, turn

off general lighting and shall report to the principal or site manager actions of students that abuse the physical plant.

6. The proposer's Building Supervisor at each location shall secure the buildings.

K. Alarms

1. Some locations are protected by an electrical surveillance system. Procedures to arm and disarm the system will be explained and provided to the proposer's day porters and night crew supervisors. Security system codes will only be provided to those proposer's employees absolutely essential to have them.
2. Alarms caused by failure to disarm the system upon entry into the school or by carelessness on the part of the proposer's employees will result in a service fee of \$100.00 per occurrence to be deducted from the monthly contract payment.

L. Alarm Activation/Deactivation - The proposer's Building Supervisor may be required to insure the school/building alarm systems are deactivated and appropriate outside doors are unlocked at 6:00 a.m. each day Monday through Friday as directed by the Principal. The proposer's night crew supervisor must insure that all doors and windows in the school/buildings are locked. The proposer's night crew supervisor must make sure the building is vacant and the alarm system is activated (armed) before leaving the premises.

NOTE: Outside doors must be checked to insure that they can be locked before 4:00 p.m. each day. Problems encountered locking any exterior door must be called in to the Director of Facilities and Safety. The successful proposer shall be provided the telephone number.

M. Alarm Systems Problems - During the normal school day, problems with the security system should be reported to the Principal who will report it to the Maintenance Department. After school hours, the proposer's night crew supervisor shall report the problem to the Director of Facilities and Safety, if the problem cannot be corrected and the alarm system set.

N. Drug Free Workplace - All forms of tobacco products, alcohol, and drugs are prohibited on District property.

O. Damage or Theft - Proposer shall be responsible for the repair or replacement to the satisfaction of the District, any damage to the facility caused by any employee of the proposer. The proposer shall be responsible for any loss or damage to property including money, securities, merchandise, fixtures, and equipment belonging to the District or to any other person or organization to such extent as the District is legally liable for such loss or damage. If any such loss or damage was caused by the proposer or any employees thereof, while such employee is on the premises of the District as an employee of the proposer. Should it be determined that the proposer's employees are responsible, the proposer is legally liable. Proposer will always take a neutral position between employee and the District and investigate the matter in order to protect the relationship with the District.

P. Proposer's Employees

1. All matters pertaining to recruiting, screening, hiring, compensating, retaining, and terminating shall be the exclusive responsibility of the proposer. These matters shall be done fully in compliance with all state and federal statutes and regulations pertaining to affirmative action, non-discrimination, wage and hour, insurance, background checks, and any other stipulations prudent to employee management.
2. Only those employees who have been properly trained shall be assigned duties under this proposal.

3. Any employee whose work habits and/or conduct are deemed objectionable shall be removed from the School District upon request of the Director of Facilities and Safety.
4. The proposer agrees to be responsible for and shall provide general supervision of all his employees working under this proposal. Whenever any employee is working, there shall be a designated supervisor directing all work.
5. Any substitute worker or newly assigned custodian shall report to the main office immediately upon entering the school building.

Q. Procedures for Proposer Staff Changes

1. Proposer is to maintain current employee roster by name and school assignments. Employee changes should be reported to Director of Facilities and Safety within 24-48 hours of change. Proposer shall make notification by phone and follow up with a written notification by email. The proposer shall immediately return to WCS Human Resources designee the ID badges of terminated employees.
2. Proposer is to send current version of employee roster to WCS Human Resources designee by 2:00pm on Thursday of each week indicating any changes.
3. Proposer must schedule an appointment with Whitfield County School System Human Resources department for background check and badge issuance before new employees start work in WCS facilities.
4. Notification from Human Resources will be sent to Proposer stating whether the potential employee is eligible to work for Whitfield County School System.

R. Rules for Proposer's Employees - The proposer shall ascertain that all his employees abide by the following rules. Upon written request of the Director of Facilities and Safety to the proposer, any proposer's employee who fails to abide by these rules will be immediately removed from the School System and replaced.

1. All employees shall be dressed in a manner authorized by the proposer and in accordance with the Whitfield County School System Employee dress code which may be found at: <http://files.whitfield.k12.ga.us/support-services/WCS-Staff-Dress-Code.pdf>. The employee shall be neat and clean in appearance. Uniforms shall be worn which fully identify the employee as a member of the proposer's work force. Uniforms must be approved by the District prior to placing order. Picture identification badges must be worn at all times while on the premises.
2. Employees shall be of good integrity and character. Whitfield County School System policy requires that all contractors, consultants, or vendors providing services on Whitfield County School System premises be fingerprinted and submit to a criminal background check, initiated by Whitfield County School System, prior to providing services to the District. There is a fee associated with the background check that is payable online at time of registration for fingerprinting of each applicant. The payment of this fee is the sole responsibility the contractor, consultant, vendor or the employing company. Any contract awarded pursuant to this solicitation is contingent upon compliance with this requirement and a satisfactory background check as determined by Whitfield County School System.
3. Employees shall not disturb any papers, boxes, or other materials except that in trash receptacles or designated areas for trash or unless such material is properly identified as trash.
4. Employees shall report any property loss or damage to their supervisor immediately. The supervisor shall report such damage, within 24 hours to the district in writing, specifying the location and extent of the damage. Failure to report such damage, as required, may be construed as default of the contract.
5. Employees shall not open drawers, file cabinets or use any telephone except public pay phones, or use any equipment, kitchen or otherwise, unless given specific approval by the school principal or principal's designee.

6. Proposer's employees shall not clean or move copy machines, office computers, or other office machines except when specifically requested by the school principal or designee. The items may be dusted using a feather duster.
 7. Employees shall not engage in idle or unnecessary conversation with school employees, other employees of the proposer or visitors to the building.
 8. Employees shall not remove any article or materials from the premises, regardless of value. This is to include the contents of any item found in the trash containers in or around the premises. Trash items are to be placed in dumpsters or trash cans designated for that purpose.
 9. Employees shall abide by rules and regulations set forth by the District administration and policies set forth by the District Board of Education.
 10. The proposer's supervisors must possess the ability to communicate effectively, both orally and in writing, with the custodial staff and other employees. The proposer's supervisors shall make contact on a regular basis with the school principal to ensure adequate communication concerning the project. The proposer's supervisors are responsible for reporting maintenance problems as they arise as well as other problems of mutual concern.
 11. The use or possession of alcoholic beverages or other non-prescription drugs will not be permitted on the contracted property. Proposer's employees who report for work showing evidence of any impaired conditions must not be permitted to remain on the premises.
 12. Proposer's employees shall not use any part of the building and/or grounds other than for purposes expressly stated in this agreement.
 13. Proposer's employees shall not allow any unauthorized persons in the school buildings (children, friends, or anyone else not authorized by the District of the proposer).
- S. Utilities - The District shall provide the proposer with all normal utilities required for cleaning of buildings, excluding telephone, necessary for performing this proposal (electricity, lights, water, and gas). Upon written request from the Director of Facilities and Safety, the proposer will comply with energy conservation requirements initiated by the District. Mechanical, heating, air conditioning, and telephone equipment rooms are considered off limits to proposer's forces. No custodial supplies are to be stored in these areas. The Director of Facilities and Safety shall define exceptions. NO MECHANICAL EQUIPMENT WILL BE ADJUSTED OR OPERATED BY THE PROPOSER'S EMPLOYEES. In the event of failure or trouble noted in any such items, the matter must be referred to the school principal. During evening cleaning operations, lights will be off except in the area in which actual cleaning is taking place.
- T. Working Hours - Proposer's concentrated night cleaning must be undertaken after normal office/school hours. Normal hours are from 7:00 a.m. to 4:00 p.m. From time to time the school building or part thereof, are used for meetings or program fulfillment before and after normal working hours. It is the cleaning proposer's responsibility to perform all duties with the frequencies required by this proposal regardless of the time vacated. (School principal is to provide a monthly activity calendar to assist proposer with schedule.) Each school is to be manned daily by porter(s) who are to keep the building neat and attractive by providing light cleaning and whatever other duties the principal may assign. The porter shall be accessible during the entire school day. All evening work shall be started after 4:00 p.m. and ended at a minimum of 10:00 pm. at all schools. Times of evening hours must meet District approval.

Proposer shall provide full staff on all school staff work days, per school calendar, which will not be less than 190 days. This includes normal days of operation, furlough days and teacher work days.

- U. Inclement Weather - In case of inclement weather, the proposer's Project Manager will

directly contact the Director of Facilities and Safety and inform him of the status of cleaning in the facilities covered by this proposal. The Building Operational Manger will notify the proposer's Project Manager of the scheduled make-up day(s). The Director of Facilities and Safety will notify the proposer's Project Manager if school is cancelled due to inclement weather. If the Facilities Department reports to work, a proposer's representative will be expected to be at each school to assist with removing walkways and entranceways of snow and ice and to properly disperse ice melt in these areas.

- V. Project Coordination and Inspections - The proposer shall coordinate and schedule proposer's staff to complete the daily work. The proposer shall plan the work in conjunction with the school principal to minimize the disruption of school operations.

The proposer shall provide weekly inspections of all facilities under proposal and confer with principals and the Director of Facilities and Safety, as specified but not less than once per week, in order to set up and maintain the facility in an acceptable state of cleanliness and sanitation.

Monthly walkthrough inspections of facilities will be conducted with principal or site administrator using cleanliness checklist. See attachment "D".

The proposer's Project Manager shall accompany the Director of Facilities and Safety on periodic inspections of the work at any time during normal business hours of the school. The District reserves the right to make determination as to whether service is being performed satisfactory.

- W. Work Conferences - The proposer's Project Manager will meet upon request with the Director of Facilities and Safety.
- X. Performance Record - School employees are to send requests and complaints to the school office. Office employees will document complaint and send email detailing deficiency to Proposer's Project Manager who will address the issue. Proposer will be given 48 hours to resolve the issue to the satisfaction of school administrator or designee.

- Y. Complaints and Supply Requests - The proposer shall correct all complaints and supply requests for services within a reasonable time period. All complaints, both major and minor, shall be investigated within 48 hours. Any complaint, which cannot be corrected during the same working day of which, is considered unreasonable or which cannot be dealt with for reasons beyond the proposer's control shall be specifically reported to the Director of Facilities and Safety. Uncorrected complaints, if not considered unreasonable by the Director of Facilities and Safety, shall be cause for the following actions by the District.

In the event it becomes necessary for the school system to take corrective action based on contractual service failure, the incurred cost of labor and materials will be charged to the proposer.

- Z. Consumable Supplies - The proposer shall provide consumable supplies to perform all work functions. Consumable supplies include but are not limited to: trash bags, floor sealant, finish, stripper, detergents, disinfectants, foam hand soap with dispensers, hand sanitizer with dispensers, rags, carpet shampoo, mops, mop buckets, wet floor signs, dust mops, brooms, brushes, and wringers. All consumable supplies must meet district approval.

There must be a minimum of three cases of toilet tissue and paper towels in stock at

each school at all times. If site administrator is notified that a school is out of toilet tissues or paper towels, the Project Manager will be notified and will immediately have product taken to the schools.

AA. Extra Billing - It may become necessary for the cleaning proposer to perform duties over and above the scope of work outlined in this proposal. Prior to performing such duties, the proposer will develop an estimate of the cost of the work based on unit prices established within the cost proposal schedule. This estimate must be approved by the Director of Facilities prior to work being performed.

BB. Light Maintenance - Proposer will be required to accomplish minor maintenance within each individual facility. The responsibilities will be accomplished on an as required basis and will be at the specific instruction of the school Principal. All maintenance related supplies will be provided by Whitfield County School System. The following job responsibility outline is a sample overview for the nature of maintenance activities and responsibilities that will be required of and performed by the daytime custodians at each location.

1. Replace light bulbs and clean inside fixtures reachable with 8 foot ladder.
2. Replace ceiling tiles when damaged.
3. Clean all HVAC return and supply air grills in all classrooms and common areas on a quarterly basis.

CC. Special Cleaning and other Requirements to be Performed by Proposer

1. Any cleaning for, or any requirements for a porter being present during special events or activities in the schools sponsored by the school will be considered a part of the cleaning proposal.
2. Any outside group allowed to use the facilities by the District will be charged for cleanup and/or porter being present. The proposer will submit the invoice directly to the user. The unit price established in this proposal will be used.
3. Clean prior to and immediately after all home games and/or activities located at school athletic facilities when used. Areas include but are not limited to stadiums, ball fields, practice fields, press boxes, ticket booths, field houses and restrooms. Cleaning of areas must meet district approval. Proposer's employees shall not be removed from schools during normal working hours to perform this task.
4. The proposer must provide an 8-hour custodian at each location during all District or Operation's in-service days 7:30am – 4:00pm during the summer and any school break that is familiar with both the building and principal. Work activities during this time will be at the discretion of the principal.
5. Emergency and/or call service will be provided at an agreed upon rate.

IX. **QUALIFICATIONS**

A. Qualifications - Each proposer shall submit evidence of qualifications which would influence the ability to satisfactorily perform the custodial services defined elsewhere in this document (see evaluation criteria for additional pertinent details.)

1. Proposer must be licensed to do business in Whitfield County, Georgia.
2. Proposer must have been in the custodial services business for a minimum of five (5) years.
3. Proposer must currently have contracts, in satisfactory standing, with at least three school districts of a similar size to Whitfield County.
4. Proposer must demonstrate ability to manage a large school district with current references and management expertise.

5. Proposer must register and participate in the federal work authorization program to verify information for all new employees (E-Verify). A signed Whitfield County affidavit must accompany all proposals. (Attachment "B")
6. Proposers may be required to furnish evidence in writing that they maintain permanent places of business and have adequate equipment, finances, and personnel to furnish the service offered satisfactorily and expeditiously

E-VERIFY AFFIDAVIT

**Georgia Security and Immigration compliance Act:
e-Verify and SAVE Program Overview
[OCGA § 13-10-91]**

Pursuant to the "Georgia Security and Immigration Compliance Act," Whitfield County School System is required to have all of its contractors register and participate in the federal work authorization program to verify information of all new employees. Contractors or subcontractors cannot enter a contract with the School District for the physical performance of services unless the contractors or subcontractors register and participate in the federal work authorization program to verify information of all new employees. O.C.G.A. § 13-10-91. Each contractor is urged to complete the attached Affidavit.

Affirmative language will be included in contracts for the performance of services regarding the above requirement. The School System will require an affidavit from a contractor showing its compliance with the requirements of O.C.G.A. § 13-10-91 at the time a contract for the performance of physical services is executed. The contract shall include language referencing this obligation and providing that failure to supply an affidavit evidencing such compliance (or to continue to meet the statutory obligation during the life of the contract) shall constitute a material breach of the contract.

To register for the E-Verify Program, visit www.uscis.gov. Your bid will not be accepted without this e-verify number.

AFFIDAVIT

By executing this affidavit, the undersigned contractor verifies its compliance with O.C.G.A. § 13-10-91, stating affirmatively that the individual, firm or corporation which is contracting with Whitfield County School System, Dalton, Georgia, has registered and is participating in a federal work authorization program* (an electronic verification of work authorization program operated by the U.S. Department of Homeland Security or any equivalent federal work authorization program operated by the U.S. Department of Homeland Security to verify information of newly hired employees, pursuant to the Immigration Reform and Control Act of 1986 (IRCA), in accordance with the deadlines established in the referenced statute.

The undersigned further agrees that, should it employ or contract with any subcontractor(s) in connection with the physical performance of services pursuant to this contract with Whitfield County School System, contractor will secure from such subcontractor(s) similar verification of compliance with OCGA 13-10-91 on the Subcontractor Affidavit provided in Rule 300-10-01-.08 or substantially similar form. Contractor further agrees to maintain records of such compliance and provide a copy of each such verification the Whitfield County School System at the time of subcontractor(s) is retained to perform such services.

**The applicable federal work authorization program as of the effective date of the statute is the E-Verify program of the Systematic Alien Verification for Entitlements (SAVE) Program office of U.S. Citizenship and Immigration Service (USCIS).
