ATTACHMENT 1 — QUALIFICATIONS RANKING

Committee members scored and ranked each Submittal under each individual Discipline using the evaluation forms included in the solicitation. Using these scores, each Committee member ranked the responses using “1” for the Response receiving the highest number of points. Responses with an equal number of points received the same numerical ranking (i.e., tie for second: 1, 2, 2, 4). The District totaled the numerical rankings for each Response and considered the Response with the lowest total to be the most highly qualified Respondent(s). This was done for each Discipline.
