1.2. Bid Responses

- 1.2.1. Bid responses must be submitted in a sealed envelope that includes the bid title, bid opening date, bidder's name and bidder's contractor license number, expiration date and the classification applying to the bid for the prime contractor. Failure to provide this information on the envelope may result in the bid not being considered.
- 1.2.2. Pursuant to Tennessee Code Annotated Title 62, Chapter 6, Part 1, if a bid is \$25,000 or above, bidder must be a licensed Contractor as required by the Contractor's Licensing Act of 1976, Public Chapter No. 822 of the General Assembly of the State of Tennessee, as amended. **Bidder shall place their bid in an envelope showing the bidder's name, license number, expiration date and that part of classification applying to the bid for the prime contract and for the electrical, plumbing, heating, ventilation, and air conditioning contracts (if applicable), on the outside of the envelope containing the bid in accordance with T.C.A. §62-6-119.** Only one (1) contractor in each classification may be listed. Prime contractor bidders who are to perform electrical, plumbing, heating, ventilation and air conditioning, if applicable to the project, must be so designated upon the outside of the envelope. **Bids not conforming to this provision shall not be opened.**
- 1.2.3 Each bid must be accompanied by a bidder's bond in an amount of 5% of bidder's maximum bid price executed by the bidder and a surety company authorized to transact business in the State of Tennessee, or by a cashier's or certified check on a duly authorized bank made payable to the City of Murfreesboro as a guarantee that if the bid is accepted, the required contract will be executed and the required performance and payment bonds will be furnished. As soon as the bid prices have been compared, the Owner will return the bonds of all except the three lowest responsible bidders. When the agreement is executed, the bonds of the two remaining unsuccessful bidders will be returned. The bid bond of the successful bidder will be retained until the payment bond and performance bond have been executed and approved, after which the bid bond will be returned.
- 1.2.4 A performance bond, payment bond, cashier's check, or letter of credit in the total amount of the bid, along with a corporate surety approved by the Owner, will be required for the faithful performance of the Contract. Awarded Contractor should utilize the attached Bond for Performance and Payment or such bonds with equivalent language in a form acceptable to the City.

Attorneys-in-fact who sign the bid bonds and performance bonds must file with each bond a certified and effective dated copy of their power of attorney.

The party to whom the Contract is awarded will be required to execute the Agreement and obtain the Performance Bond and Payment Bond within fifteen (15) days from the date when notice of award is delivered to the Bidder. The notice of award shall be accompanied by the necessary agreement. In case of failure of the Bidder to execute the Agreement, the Owner may, at his option, consider the bidder in default, in which case the bid bond accompanying the proposal shall become the property of the Owner.

Within ninety (90) calendar days of receipt of acceptable performance bond, payment bond, and agreement signed by the party to whom the agreement was awarded, the Owner shall sign the agreement and return to such party an executed duplicate of the agreement. Should the Owner not execute the agreement within such period, the bidder may by written notice withdraw his signed agreement. Such notice of withdrawal shall be effective upon receipt of the notice by the Owner.

- 1.2.5 All bid responses should be typewritten. If not typewritten, they must be written in ink and clearly legible, and numbers must be expressed in both words and figures. All bids must be signed by an individual authorized to bind the bidder. Signatures are required where indicated; failure to comply with this requirement shall be cause for rejection of bid response. Erasures, white-outs and typeovers, and other modifications should be initialed. Bidders are cautioned to verify their bid response prior to submission. Failure of a bidder to sign a bid proposal removes that bid from consideration. A typed name will not be acceptable without the person's written signature.
- 1.2.6 Pursuant to T.C.A. §50-9-113, a Bidder must have a Drug-Free Workplace Program that complies with Tennessee Code Annotated, Title 50, Chapter 9 in effect at the same time of submission of its bid, at least to the extent required of governmental entities.

The City of Murfreesboro has a Drug-Free Workplace Program certified by the Tennessee Department of Labor and Workforce Development pursuant to Title 50, Chapter 9. The City of Murfreesboro Drug-Free Workplace Program is set forth in City of Murfreesboro Employee Handbook Sections 3005 and 3006 (copies are available without charge upon request). City of Murfreesboro Employee Handbook Sections 3005 and 3006 provide for the random testing, reasonable suspicion testing, pre-employment testing, promotion or transfer testing, post-accident testing, return-to-duty testing, and follow-up testing of all employees classified as safety sensitive or as CDL employees for alcohol and/or drugs. Additionally, City of Murfreesboro Employee Handbook Section 3005 provides for reasonable suspicion testing, return-to-duty testing and follow-up testing for non-safety sensitive employees for drugs and alcohol. Such testing is conducted using the same standards as in the United States Department of Transportation Regulations established for the drug and alcohol testing of CDL operators.

A bidder for construction services must submit an Affidavit that attests that such bidder operates a Drug-Free Workplace Program or other drug or alcohol testing program with requirements at least as stringent as that of the program operated by the City of Murfreesboro.

Bidder may satisfy this requirement by attaching a copy of a Certificate of Compliance with the applicable provisions of the Drug-Free Workplace Act from the Department of Labor and Workforce Development to the City to the required Affidavit.

Pursuant to T.C.A. §50-9-114(d), unless suit is filed in Chancery Court, bidders shall have seven (7) calendar days to contest a contract entered into by contractors subject to the provisions of this section. Bidders who do not contest such contracts within seven (7) calendar days of filing suit in Chancery Court waive any right to challenge such contract for violating the provisions of T.C.A. §50-9-113 and T.C.A. §50-9-114. Such suits shall be brought in the Chancery Court for Rutherford County.

- 1.2.7 Certain mistakes may be corrected so long as the intended correct bid response is clearly evident. In the event of a disagreement between unit price and extended price, the unit price will control.
- 1.2.8 Specifications furnished in the request for bid are intended to establish a desired quality or performance level, or other minimum requirements, which will provide the City with the best product available at the lowest possible price. Should the bidder wish to bid on items which exceed the minimum specifications, the bidder is encouraged to attach a separate sheet providing a description of such components.
- 1.2.9 Bidders must specify manufacturer's name for all products proposed and show the unit price on each individual item as specified. Prices quoted must be the price for new (not reconditioned or remanufactured) merchandise direct from the manufacturer that is free from defects. If bidding a substitute article, a bidder must provide the manufacturer's name, brand, model, make and catalogue reference, specifications for the substituted article, and/or other information that will enable the City to make the determination of similarity, serviceability and suitability of the substitute. The City reserves the right to be the sole judge in making such determination.
- 1.2.10 If bidding a substitute article, the bidder may, no less than five (5) working days in advance of the bid opening, request a determination from the City whether the substituted item is equal and/or better and of comparable quality as specified. The bidder will receive notice of City's determination no later than two (2) working days in advance of the bid opening. Bidder is not required to seek such pre-bid approval but the bid may be rejected for failure to meet specifications if the proposed substitute is unacceptable to City.
- 1.2.11 Where more than one item is listed, any item(s) not bid upon should be indicated "No Bid". Any and all items left blank will be considered a "No Bid" for that item.
- 1.2.12 A bidder desiring to bid "No Charge" for an item must so indicate by writing "no charge" or "N/C". Bidders shall not leave an item blank since it will be construed as incomplete and may be rejected.
- 1.2.13 Bid responses may only be withdrawn until bid opening after which time no bids may be withdrawn for a period of ninety (90) days after bid opening.
- 1.2.14 Bid responses may be modified by written notice received and acknowledged by the City Manager's Office prior to the date and time for public opening of bids. Late modifications cannot be considered.
- 1.2.15 The City will not be liable for any costs incurred by the bidder in preparing a response to this solicitation. Bidders will submit responses at their own risk and expense. All responses and their accompanying documentation will become the record of the City.
- 1.2.16 The City is exempt from federal and state taxes. Upon request, the City will provide a sales tax exemption certificate to the awarded bidder. Vendors doing business with the City shall not be exempted from paying sales tax to their suppliers for materials to fulfill contractual obligations to the City, nor shall any vendor be authorized to use the City's Tax Exemption Number in securing such materials.
- 1.2.17 Iran Divestment Act of Tennessee.

By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each bidder is not on the list created pursuant to §12-12-106. Bids not conforming to this provision shall not be opened. Failure of any bidder to comply therewith shall void such bid and such bid shall not be considered.

1.3.1 Any contract awarded pursuant to this ITB shall be awarded to the lowest responsive and responsible bidder whose bid response meets the requirements and criteria set forth in this ITB. A “responsive bidder” means a person who has submitted a bid response, which conforms in all material respects to the ITB. A “responsible bidder” means a person who has the capacity, reputation and experience in all respects to perform fully the contract requirements and the integrity and reliability, which will assure good faith performance within the time specified without delay or interference.

The City may make such investigations as deemed necessary to determine the ability of the bidder to provide the products and services required by the bid package.

1.3.2 This solicitation in no manner obligates the City to the purchase described, implied or which may be proposed, until confirmed by a written contract. Progress toward this end is solely at the discretion of the City and may be terminated at any time prior to the signing of a contract.

1.3.3 The successful bidder shall provide the various components of the **Retro reflective Pavement Marking Tape, Thermoplastic and Painted Lines, Symbols, and Legends**. **The bid price shall include all products, installation labor, accessories, traffic control devices and any other standard equipment necessary to safely install and make the pavement marking items function as intended.** If in the bidder’s opinion, additional equipment or services are necessary to make the equipment fully operational, this shall be included with explanation in the bid. It is requested that bidders raise any such questions in advance of submitting a bid to the City. To submit a bid implies consent to the terms as set forth in this bid.

1.3.4 Any items bid deemed not of equal and/or better and of comparable quality and similar in design as that specified shall be cause for rejection of bids. In addition to the price, the following aspects will also be considered in the award of a contract:

- b. Whether the bidder can perform the contract and provide the material, equipment, or service promptly or within the time specified without delay or interference;

- 1.3.6 No bidder may withdraw its response for a period of ninety (90) days after the date and time set for the opening of the responses. In the event the City shall award a contract to a bidder and if during such ninety (90) day period the City determines that such bidder will be unable to properly perform the contract, the City reserves the right to terminate the contract and award the contract to the next best offer without being required to re-advertise the Bid.
- 1.3.7 The contract awarded may be terminated upon any of, but not limited to, the following occurrences: a) bankruptcy or insolvency of the bidder or one or more of the bidder's principal owners; b) unauthorized substitution of products other than those identified in the specifications or specifically approved by the City as a substitute prior to award of the contract; c) unsatisfactory performance of products supplied by the bidder or services provided by the bidder; d) fraud and e) any other breach of the terms of the bid specifications or contract.
- 1.3.8 Bidder, by signing and making this bid, does further declare, in determining the prices and/or amounts of the bid, that bidder has not colluded with any other person, firm, corporation or association in arriving at said prices and/or amounts or in any way violated the terms, conditions and/or spirit of the provisions of 15 U.S.C. 1 through 7 (Sherman Anti-Trust Act).

- 1.4.3 The contract may be modified only by written amendment executed by all parties and their signatories hereto.
- 1.4.4 No waiver of any provision of the contract shall affect the right of any party thereafter to enforce such provision or to exercise any right or remedy available to it in the event of any other default.
- 1.4.5 Awarded bidder agrees that, in the event either party deems it necessary to take legal action to enforce any provision of the contract, and in the event the City prevails, awarded bidder shall pay all expenses of such action including the City's attorney fees, expenses, and costs at all stages of the legal action and/or alternative dispute resolution process, if any.

- 2.3. Waste and debris generated by this work shall be promptly and properly removed from the job site before the end of each working day.
- 2.4. Markings may be placed on streets either free of traffic or open to traffic. The installer shall adhere to the policies and procedures of Section 716 of the Tennessee Department of Transportation Standard Specifications for Road and Bridge Construction and the latest edition of the Manual on Uniform Traffic Control Devices (MUTCD) and the direction of the City's Traffic Engineer or representative for work zone safety procedures during all phases of the installation process. - c. For cause, by either party where the other party fails in any material way to perform its obligations under this Agreement. Termination under this subsection is subject to the condition that the terminating party notifies the other party of its intent to terminate, stating with reasonable specificity the grounds therefore, and the other party fails to remedy the problem within 15 days after receiving the notice.
- d. Should Contractor fail to fulfill in a timely and proper manner its obligations under this Agreement or if it should violate any of the terms of this Agreement, the City has the right to immediately terminate the Agreement. Such termination does not relieve Contractor of any liability to the City for damages sustained by virtue of any breach by Contractor.

- e. Should the appropriation for Contractor's work be withdrawn or modified, the City has the right to terminate the Agreement immediately upon written notice to Contractor.
3. **Compensation; Method of Payment.** Contractor will be compensated upon the completion of tasks as outlined in the Price Proposal and upon the completion of a Task and submission of an invoice to the City at its address for Notices.

5. **Insurance.** During the term of this Agreement, Contractor must maintain comprehensive general liability insurance with limits of not less than \$1,000,000, as well as automotive and workers' compensation insurance policies. Contractor will provide to the City: (i) a standard certificate of insurance evidencing this coverage prior to commencement of work and upon renewal or expiration of the policies reflected thereupon, (2) upon request, an endorsement naming the City as additional insured under the terms of the policy as follows: "The City of Murfreesboro, Tennessee, its officers, employees, contractors, consultants, and agents."
6. **Indemnification.**
 - a. Contractor must indemnify, defend, and hold harmless the City, its officers, agents and employees from any claims, penalties, damages, costs and attorney fees ("Expenses") arising from injuries or damages resulting from, in part or in whole, the negligent or intentional acts or omissions of contractor, its officers, employees and/or agents, including its subcontractors or independent contractors, in connection with the performance of this Agreement, and, Expenses arising from any failure of Contractor, its officers, employees and/or agents, including its subcontractors or independent contractors, to observe applicable laws, including, but not limited to, labor laws and minimum wage laws.
 - b. Pursuant to Tennessee Attorney General Opinion 93-01, the City will not indemnify, defend or hold harmless in any fashion Contractor from any claims arising from any failure, regardless of any language in any attachment or other document that Contractor may provide.
 - c. Copyright, Trademark, Service Mark, or Patent Infringement.
 - I. Contractor, at its own expense, is entitled to and has the duty to defend any suit which may be brought against the City to the extent that it is based on a claim that the products or services furnished infringe a copyright, Trademark, Service Mark, or patent. Contractor will indemnify, defend, and hold harmless the City against any award of damages and costs made against the City. The City will provide Contractor immediate notice in writing of the existence of such claim and full right and opportunity to conduct the defense thereof, together with all available information and reasonable cooperation, assistance and authority from the City in order to enable Contractor to do so. The City reserves the right to participate in the defense of any such action. Contractor has the right to

enter into negotiations for and the right to effect settlement or compromise of any such action provided (i) any amounts due to effectuate fully the settlement are immediate due and payable and paid by Contractor; (ii) no cost or expense whatsoever accrues to the City at any time; and (iii) such settlement or compromise is binding upon the City upon approval by the Murfreesboro City Council.

- II. If the products or services furnished under this Agreement are likely to, or do become, the subject of such a claim of infringement, then without diminishing Contractor's obligation to satisfy the final award, Contractor may at its option and expense:
 - a. Procure for the City the right to continue using the products or services.
 - b. Replace or modify the alleged infringing products or services with other equally suitable products or services that are satisfactory to the City, so that they become non-infringing.
 - c. Remove the products or discontinue the services and cancel any future charges pertaining thereto; provided however, Contractor will not exercise this option until Contractor and the City have determined that each of the other options are impractical.
- III. Contractor has no liability to the City if any such infringement or claim thereof is based upon or arises out of the use of the products or services in combination with apparatus or devices not supplied or else approved by Contractor, the use of the products or services in a manner for which the products or services were neither designated nor contemplated, or the claimed infringement in which the City has any direct or indirect interest by license or otherwise, separate from that granted herein.

9. Modification. This Agreement may be modified only by written amendment executed by all parties and their signatories hereto.

10. Relationship of the Parties. Nothing herein may in any way be construed or intended to create a partnership or joint venture between the parties or to create the relationship of principal and agent between or among any of the parties. None of the parties hereto

may hold itself out in a manner contrary to the terms of this paragraph. No party becomes liable for any representation, act, or omission of any other party contrary to this section.

11. **Waiver.** No waiver of any provision of this Agreement affects the right of any party thereafter to enforce such provision or to exercise any right or remedy available to it in the event of any other default.
12. **Employment.** Contractor may not subscribe to any personnel policy which permits or allows for the promotion, demotion, employment, dismissal or laying off of any individual due to race, creed, color, national origin, age, sex, veteran status, or any other status or class protected under federal or state law or which is in violation of applicable laws concerning the employment of individuals with disabilities.
13. **Non-Discrimination.** It is the policy of the City not to discriminate on the basis of age, race, sex, color, national origin, veteran status, disability, or other status or class protected under federal or state law in its hiring and employment practices, or in admission to, access to, or operation of its programs, services, and activities. 14. **Gratuities and Kickbacks.** It is a breach of ethical standards for any person to offer, give or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy or other particular matter, pertaining to any program requirement of a contract or subcontract or to any solicitation or proposal therewith. It is a breach of ethical standards for any payment, gratuity or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or a person associated therewith, as an inducement for the award of a subcontract or order. Breach of the provisions of this paragraph is, in addition to a breach of this Agreement, a breach of ethical standards which may result in civil or criminal sanction and/or debarment or suspension from being a contractor or subcontractor under the City contracts.

Except for the rights of money due to Contractor under this Agreement, neither this Agreement nor any of the rights and obligations of Contractor hereunder may be assigned or transferred in whole or in part without the prior written consent of the City. Any such assignment or transfer does not release Contractor from its obligations hereunder.
16. **Integration.** This Agreement sets forth the entire agreement between the parties with respect to the subject matter hereof and governs the respective duties and obligations of the parties.

17. **Force Majeure.** No party has any liability to the other hereunder by reason of any delay or failure to perform any obligation or covenant if the delay or failure to perform is occasioned by *force majeure*, meaning any act of God, storm, fire, casualty, unanticipated work stoppage, strike, lockout, labor dispute, civil disturbance, riot, war, national emergency, act of public enemy, or other cause of similar or dissimilar nature beyond its control.
31. **Governing Law and Venue.** The validity, construction and effect of this Agreement and any and all extensions or modifications thereof are governed by the laws of the state of Tennessee regardless of choice of law doctrine or provision in any attachment or other document that Contractor may provide. Any action between the parties arising from this agreement may only be filed in the courts of Rutherford County, Tennessee.
18. **Severability.** Should any provision of this Agreement be declared to be invalid by any court of competent jurisdiction, such provision will be severed and not affect the validity of the remaining provisions of this Agreement.
