7. **BRAND NAMES.** Where a brand-name or equal specification is used in a solicitation, the use of a brand name is for the purpose of describing the standard of quality, performance and characteristics desired and is not intended to limit or restrict competition. If a vendor proposes an "equal" to scope of work/specifications, APS is the sole interpreter of the scope of work/specifications and sole judge as to whether the "equal" proposed complies with the scope of work/specifications. If an "equal" is proposed, APS may request a sample at the bidder's expense.

Albuquerque Public Schools reserves the right to purchase items referenced under this agreement using any other method and from any other vendor as deemed necessary and in the best interest of the District.
