Project Name: State Industrial Access Road serving L&W Engineering in Lebanon: Widen
Briskin Lane from Cainsville Road (SR-266) to Sparta Pike (SR-26)
PIN: 120850.00
FEDERAL PROJECT NUMBER: N/A
STATE PROJECT NUMBER: 95LPLM-S3-040

The City of Lebanon, Tennessee, an Equal Opportunity, Affirmative Action Employer, seeks to retain the services of a professional consultant engineering firm to provide Construction Engineering Inspection services of a State Industrial Access Road serving L&W Engineering in Lebanon to widen Briskin Lane from Cainsville Road (SR-266) to Sparta Pike (SR-26). A full RFP including a description of the project, detailed scope of work, and required proposal information may be obtained by contacting Regina Santana, P.E., Engineering Services Director, 200 N. Castle Heights Ave., Suite 300, regina.santana@lebanontn.org, or (615) 444-3647 ext. 2302. The project will include roadway widening of approximately 2,430 feet along Briskin Lane within the City of Lebanon. This includes roadway widening to a three-lane roadway with curb and gutter on Briskin Lane, a traffic signal at Briskin Lane and Sparta Pike, and turn lane improvements on Cainsville Road.

This project is partially funded by State Industrial Access funds and will be a locally managed TDOT project. The work of the successful firm shall conform to the current editions of *Local Government Guidelines for the Management of Federal and State Funded Transportation Projects*; *Tennessee Department of Transportation (TDOT) Standard Specifications for Road and Bridge Construction*; and all applicable American with Disabilities Act (ADA) Standards for Public Rights-of-Way. Firms, including sub-consultants must be on TDOT's current prequalified list with unlimited status or have a completed pre-qualification form filed with TDOT.

The successful firm will be determined using the Phase 1 and Phase II selection method specified in TDOT's Consultant Selection Policy (Local Government Guidelines Form 1-2). For Phase I Evaluation, Letters of Interest will be received until 2:00 p.m., February 24th, 2021 at the offices of the City of Lebanon Engineering Department, 200 N. Castle Heights Ave., Suite 300, Lebanon, Tennessee. Letters of Interest received by said time will be opened and reviewed for consideration. Letters received after said time will not be evaluated.

Letters of Interest should be mailed to Regina Santana, P.E., City of Lebanon Engineering Department, 200 N. Castle Heights Ave., Suite 300, Lebanon, TN 37087 or can be submitted electronically at regina.santana@lebanontn.org. The submitter shall be responsible for their early delivery. Mailed and hand-delivered Letters of Interest should be labeled "SIA – Briskin Lane CEI, Proposal Enclosed – 02/24/2021." Each firm shall provide two (2) copies of their submission. Electronically submitted Letters of Interest should be sent with the subject line "SIA – Briskin Lane CEI, Proposal Enclosed – 02/24/2021." to Regina Santana at regina.santana@lebanontn.org.
