Mailed or hand-delivered bids must be submitted in a sealed envelope showing the solicitation number on the outside of the envelope and must be addressed to Dorchester County Purchasing Services, 201 Johnston Street, 2<sup>nd</sup> Floor, Saint George, South Carolina 29477. Each sealed envelope containing a bid shall be marked on the outside with the Bidder's complete name, address, bid number, description of services requested by IFB (i.e., Elevator Maintenance, Road Construction), along with the due date and time. Failure to do so may result in premature opening of, or a failure to open, such bid.
- C. **Bids submitted after the "Opening" date and time are considered "Late Bids," and will not be opened or considered.**
- D. Bids may be withdrawn by written request received from the Bidder prior to the time set for opening of bid, but not thereafter.
- E. Bidders shall promptly notify the Dorchester County Purchasing Office, in writing, and no later than the last date and time for the submittal of written questions, of any ambiguity, inconsistency or error which they may discover upon examination of the IFB documents or the project premises and local conditions.
- F. Bidders requiring clarification or interpretation of the IFB documents shall make a written request which must be received at the Dorchester County Purchasing Office no later than the last date and time for submittal of written questions.
- G. Any interpretation, correction or change of the IFB documents will be made by addendum. It is your responsibility to monitor the Procurement website by selecting Bids/RFP Opportunities at [www.dorchestercountysc.gov](http://www.dorchestercountysc.gov) for any additional information, revisions, or addenda that may be posted.
- H. No substitutions will be considered after the Contract award except by amendment or change order.
- I. Failure to submit a bid on the form requested or inclusion of any alternates, unit prices, conditions, limitations or provisions not called for, will render the bid irregular; and shall be considered sufficient cause for rejection of a bid. Failure to complete entries in all blanks on the Bid Form shall be considered cause for rejection of a bid.
- J. In the interest of promoting small business economic development, as well as more effective and efficient service to the County, the County reserves the right to make multiple awards based on the capacity of each Bidder, beginning with the Lowest Responsible Bidder. In such case, the next-lowest bidder(s) will also be given the opportunity to be an awardee at their bid price, until the needs of the Agency are met. NOTE THAT contract performance will be closely monitored and Bidders that cannot

successfully perform according to the response times they identified may be terminated per Section 6.6, Failure to Perform.

**2. NON-COLLUSION OATH**

Every bid must be accompanied by a notarized affidavit of non-collusion, executed by the Bidder or in the case of a corporation, by a duly authorized representative of said corporation. The Non-Collusion Oath is provided herein.

**3. BIDDER REPRESENTATIONS**

Each Bidder by submitting a bid represents that:

- A. The Bidder has read and understands this IFB (including all specifications and attachments) and that their bid is made in accordance therewith.
- B. The Bidder has reviewed the IFB, has become familiar with the local conditions under which the Work is to be performed, and has correlated personal observations with the requirements of the proposed Contract Documents.
- C. The bid is based on the terms, materials, systems and equipment required by this IFB, without exception.
- D. The Bidder is qualified to provide the services and equipment required under this IFB and, if awarded the Contract, will do so in a professional, timely manner using Bidder's best skill and attention.

**4. AWARD OF CONTRACT**

- B. The County reserves the right to 1) reject any or all bids and any part of a bid; 2) waive informalities, technical defects, and minor irregularities in bids received; and 3) award the bid(s) received on the basis of individual items or groups of items or the entire list of items.
- C. The County shall be the sole judge of the suitability of the items or services to be provided pursuant to this IFB.

**5. NOTICE OF AWARD OF CONTRACT**

The successful Bidder will be notified of acceptance of bid by a written Notice of Award of contract. Again, Attachment C, Sample Contract, contains important legal provisions and is considered part and parcel of this IFB. Failure or refusal to sign aforesaid Contract shall be grounds for the County to revoke any Notice of Award which has been issued, forfeit bid security, and award the Contract to another Bidder.

- D. If at any time the Purchasing Services Manager determines that any subcontractor is incompetent or undesirable, the director shall notify the successful Bidder accordingly, and the successful Bidder shall take immediate steps for cancellation of the subcontract and replacement.
- E. Nothing contained in any contract resulting from this IFB shall create any contractual relationship between any subcontractor and the County.
- F. It shall be the successful Bidder's responsibility to ensure that all terms required in the attached Contract are incorporated into all subcontracts.

All materials shall be stored securely, protected from theft or damage.

#### **SECTION SIXTEEN**

##### **Inspection and Acceptance**

All Work shall be subject to inspection and test by the County at all reasonable times and places. The Contractor shall, without charge, correct any workmanship found by the County not to conform to the Contract requirements.

#### **SECTION SEVENTEEN**

##### **Conditions Affecting the Work**

The Contractor shall be responsible for having taken steps reasonably necessary to ascertain the nature and location of the Work, and the general and local conditions which can affect the Work or the cost thereof. Any failure by the Contractor to do so will not relieve it from responsibility for successfully performing the Work without additional expense to the County. The County assumes no responsibility for any understandings or representations concerning conditions made by any of its officers or agents prior to the execution of this Contract, unless such understandings or representations by the County are expressly stated in this Contract.

#### **SECTION EIGHTEEN**

##### **Cleanup Work: Repair of Damages**

During the performance of the Work, the Contractor shall continuously keep the Work Site and areas adjacent thereto in an orderly condition, free and clear from debris and discarded materials.

The Contractor will restore or replace, when and as directed by the County, any public or private property damaged or destroyed by the Contractor's work, equipment or employees to a condition at least equal to that existing immediately prior to the beginning of the Work.

**SECTION NINETEEN**  
**Actual Damages**

The Contractor expressly agrees that if the Work, or any part thereof, is not performed or completed in a timely or professional manner in accordance with this Contract or any amendment thereto, the Contractor and its sureties shall be liable to the County for actual damages which relate to the Contractor's failure to perform or complete the Work in the manner described above. If actual damages are agreed to by the County and the Contractor or awarded by the Court, the County shall have the right to deduct from and retain out of monies which may be then due or which may become due and payable to the Contractor, the amount of such actual damages; and if the amount so retained by the County is not sufficient to pay in full such actual damages, the Contractor and/or its sureties shall pay to the County the amount necessary to effect payment in full of such actual damages.

**SECTION TWENTY**  
**Liquidated Damages**

It is critical that the successful Bidder recognize that time is of the essence in completing the project. The successful Bidder agrees that, if the Work, or any part thereof, is not completed within the time agreed upon in a contract resulting from this IFB (or any extension thereof), the successful Bidder and its surety shall be liable to the County, in the amount of Two Hundred Fifty Dollars and 00/100 (\$250.00) per day for each and every calendar day Substantial Completion (as defined in the contract) is delayed beyond the contract time of Ninety (90) Calendar Days after the effective date stated in the Notice to Proceed, as further defined in the Contract.

The County, or its assignee, shall have the right to deduct from and retain out of monies which may be then due or which may become due and payable to the successful Bidder, the amount of such liquidated damages; and if the amount so retained by the County, or its assignee, is not sufficient to pay in full such liquidated damages, the Bidder shall pay to the County, or its assignee, the amount necessary to effect payment in full of such liquidated damages.

**SECTION TWENTY-ONE**  
**Suspension of Work**

The Purchasing Services Manager may order, in writing, the Contractor to suspend, delay, or interrupt all or any part of the Work for such period of time as he may determine to be appropriate for the convenience of the County. The County may suspend performance of its obligations under this Contract in good faith for the convenience of the County or to investigate matters arising in the Work.

The Purchasing Services Manager may order suspension of the Work in whole or in part for such time as he deems necessary because of the failure of the Contractor to comply with any of the requirements of this Contract, and the Contract's completion date shall not be extended on account of any such suspension of Work.

When the Purchasing Services Manager orders any suspension of the Work under the paragraph above, the Contractor shall not be entitled to any payment for Work with respect to the period during which such Work is suspended and shall not be entitled to any costs or damages resulting from such suspension.

The rights and remedies of the County provided in this Section are in addition to any other rights and remedies provided by law or under this Contract.

**SECTION TWENTY-TWO**  
**Modification of Contract**

The County's Purchasing Services Manager has the unilateral right to modify this Contract when the modification is in the best interest of the County, provided however, the Contractor is given written notice of any such modification and the County is responsible for paying the Contractor for any additional expenses incurred by the Contractor which relate to the modification. Subject to the above, the Contractor shall immediately notify the County in writing of any proposed adjustment in its fee. The Contractor is obligated to perform the revised contract when so directed by the Purchasing Services Manager and the County is obligated to pay for the work performed pursuant to the modification. No claim by the Contractor for an adjustment hereunder shall be allowed if asserted after Final Payment under this Contract.

**SECTION TWENTY-THREE**  
**Termination**

**A. For Convenience**

The Purchasing Services Manager, by advance written notice, may terminate this Contract when it is in the best interest of the County. If this Contract is so terminated, the Contractor shall be compensated for all necessary and reasonable direct costs of performing the Work actually accomplished. The Contractor will not be compensated for any other costs in connection with a termination for convenience. The Contractor will not be entitled to recover any damages in connection with a termination for convenience.

**B. For Default**

If the Contractor refuses or fails to perform the Work or any separable part thereof in a timely or workmanlike manner in accordance with the Contract Documents, or otherwise fails, in the sole opinion of the County, to comply with any of the terms and conditions of the Contract Documents deemed, in the sole opinion of the County, to be material (including, without limitation, the requirement that the Contractor obtain and maintain in force all necessary permits), such refusal or failure shall be deemed a default under this Contract.

In the event of a default under this Section, the County shall have the right to terminate forthwith this Contract by written notice to the Contractor. In the event of such default, the advance notice period for termination is waived and the Contractor shall not be entitled to any costs or damages resulting from a termination under this section.

Whether or not the Contractor's right to proceed with the Work is terminated, it and its sureties shall be liable for any damage to the County resulting from Contractor's default. Any wrongful termination for default shall be deemed by the Parties a termination for convenience.

**C. Termination for Non-Appropriation of Funds**

The Purchasing Services Manager, by written advance notice, may terminate this Contract in whole or in part in the event that sufficient appropriation of funds from any source (whether a federal, state, County or other source) are not made or sufficient funds are otherwise unavailable, in either case, to pay the charges under this Contract. If this Contract is so terminated, the Contractor shall be compensated for all necessary and reasonable direct costs of performing the Work actually provided to the date of such termination. The Contractor will not be compensated for any other costs in connection with a termination for non-appropriation. The Contractor will not be entitled to recover any damages in connection with a termination for non-appropriation, including, but not limited to, lost profits.

**D. Rights Cumulative**

The rights and remedies of the County provided in this Section are in addition to any other rights and remedies provided by law or under this Contract.

**SECTION TWENTY-FOUR**  
**Indemnification**

Except for expenses or liabilities arising from the negligence or intentional acts of the County, the Contractor hereby expressly agrees to indemnify and hold the County harmless against any and all expenses and liabilities arising out of the negligent performance, action or inaction of the Contractor in conduct of this Contract, as follows:

For matters other than those arising from the rendering or failure to render professional services, the Contractor expressly agrees to the extent that there is a causal relationship between its negligence, action or inaction, or the negligence, action or inaction of any of its employees or any person, firm or corporation directly or indirectly employed by the Contractor and any damage, liability, injury, loss or expense (whether in connection with bodily injury or death or property damage) that is suffered by the County and/or its officers or employees or by any member of the public, to indemnify and save the County and its officers and employees harmless against any and all liabilities, penalties, demands, claims, lawsuits, losses, damages, costs, and expenses arising out of the negligence, action or inaction of the Contractor, regardless of whether such liabilities, penalties, demands, claims, lawsuits, losses, damages, costs and expenses are caused in part by the County. Such costs are to include, without limitation, defense, settlement and reasonable attorney's fees incurred by the County and its employees. This promise to indemnify shall include, without limitation, bodily injuries or death occurring to the Contractor's employees and any person, directly or indirectly employed by the Contractor (including, without limitation, any employee of any subcontractor), the County's officers or employees, the employees of any other independent contractors, or occurring to any member of the public. When the County submits notice, the Contractor shall promptly defend any aforementioned action.

For matters arising out of the rendering or failure to render professional services, the Contractor will indemnify and save the County and its officers and employees harmless from and against all liabilities, penalties, demands, claims, lawsuits, losses, damages, costs and expenses arising out of or resultant from any negligent act, error or omission of the Contractor in the rendering or failure to render professional services under this Contract. Such costs are to include, without limitation, defense, settlement and reasonable attorneys' fees incurred by the County and its officers and employees. This promise to indemnify shall include, without limitation, bodily injuries or death occurring to the Contractor's employees and any person, directly or indirectly employed by the Contractor (including, without limitation, any employee of any subcontractor), the County's officers or employees, the employees of any other independent contractors, or occurring to any member of the public. When the County submits notice of claim that triggers the indemnity, the Contractor shall promptly defend any aforementioned action at its own cost.

The limits of insurance required in this Contract shall not limit the Contractor's obligations under this Section. The terms and conditions contained in this Section shall survive the termination of the Contract or the suspension of the Work hereunder. To the extent that any liabilities, penalties, demands, claims, lawsuits, losses, damages, costs and expenses are caused in part by the acts of the County, the Contractor's obligations shall be reduced in proportion to the County's fault. The obligations herein shall also extend to any actions by the County to enforce this indemnity obligation. The recovery of costs and fees all extend to those incurred in the enforcement of this indemnity.

**SECTION TWENTY-FIVE**

**Kickbacks.** It shall be unethical for any payment, gratuity, or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor, or to hire any subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order.

Violation of this clause may result in Contract termination.

**SECTION TWENTY-SIX**  
**Labor: Subcontractors**

No subcontracts shall be allowed without the prior written approval of the County. The Contractor shall not contract with a proposed person or entity to whom the County has made reasonable and timely objections. The Contractor shall enforce strict discipline and good order among its employees and other persons carrying out the performance of the Contract.

Employment of labor by the Contractor shall be affected under conditions which are satisfactory to the County. The Contractor shall remove or cause to have removed from the Work any employee or employees who are considered unsatisfactory by the County.

The Contractor assumes the responsibility for assuring that its working forces are compatible with the County employees and the Contractor is responsible for making itself aware of those forces. The Contractor will furnish a competent representative who is to be kept available to represent the Contractor for the purpose of receiving notices, orders and instruction.

**SECTION TWENTY-SEVEN**  
**Assignment**

The Contractor shall not assign in whole or in part the Contract without the prior written consent of the County or its Assignee. The Contractor shall not assign any money due or that may become due to it under said Contract without the prior written consent of the County or its Assignee. Each Party binds itself, its successors, assigns, executors, administrators or other representatives to the other Party hereto and to successors, assigns, executors, administrators or other representatives of such other Party in connection with all terms and conditions of the Contract.

**SECTION TWENTY-EIGHT**

The laws of South Carolina shall govern this Contract. All litigation arising under this Contract shall be litigated only in a nonjury hearing in the Court of Common Pleas, First Judicial Circuit, Dorchester County, South Carolina.

**SECTION TWENTY-NINE**  
**Entire Contract**

This Contract constitutes the entire understanding and Contract between the Parties hereto and supersedes all prior and contemporaneous written and oral contracts between the Parties and their predecessors in interest regarding the subject matter of this Contract. This Contract may not be changed, altered, amended, modified, or terminated orally, except as specifically provided, and any such change, alteration, amendment, or modification must be in writing and executed by the Parties hereto.

**SECTION THIRTY**  
**Severance**

Should any part of this Contract be determined by a Court of competent jurisdiction to be invalid, illegal, or against public policy, said offending Section shall be void and of no effect and shall not render any other Section herein, nor this Contract as a whole, invalid. Any terms which, by their nature, should survive the suspension, termination or expiration hereof shall be deemed to so survive.

**SECTION THIRTY-ONE**  
**Non-waiver**

Any waiver of any default by either Party to this Contract shall not constitute waiver of any subsequent default, nor shall it operate to require either Party to waive, or entitle either Party to a waiver of, any subsequent default hereunder.

**SECTION THIRTY-TWO**  
**Title VI Notice to Public**

It is the policy of Dorchester County Government to assure that no person shall, on the grounds of race, color, national origin or sex, as provided by Title VI of the Civil Rights Act of 1964, be excluded from participation in, be denied the benefits of, or be otherwise discriminated against under any of its federally funded programs and activities. **WHEREAS**, the Contractor has by written agreement dated \_\_\_\_\_ 20\_\_, entered into a Contract with Dorchester County for \_\_\_\_\_ in accordance with the Scope of Work (the “Work”) identified in the Contract which Contract is incorporated herein by reference and made a part hereof; and

**WHEREAS**, the Surety agrees that if the Contractor fails to perform the Work then it will complete and properly perform the Contract subject to the terms and conditions set forth herein.

**NOW, THEREFORE, THE CONDITION OF THIS OBLIGATION** is such that, if Contractor shall promptly and faithfully perform said Contract, then this obligation shall be null and void; otherwise it shall remain in full force and effect.

**SECTION I. PERFORMANCE AND WAIVER**

- A. Duty to Perform. Whenever the County declares the Contractor to be in default under the Contract, the Surety must promptly remedy the default, or promptly elect one of two options upon the County’s declaration of the Contractor’s default.

The Surety may elect Option 1 and complete the Contract in accordance with its terms and conditions. If the Surety selects Option 1, it may perform and complete the Contract itself, through its agents or through independent contractors; provided however, the Surety may not select the Contractor as its agent or independent contractor without the County's consent. If Option 1 is selected, the County may withhold consent to the selection of the option in its sole discretion, in which case the Surety must select Option 2. Notwithstanding the provisions of Option 1, the Surety may elect Option 2 and obtain a bid or bids for completing the Contract in accordance with its terms and conditions. Provided however, in the event Surety elects Option 2, the Surety must perform the Contract without interruption of Services to the County until Option 2 is implemented.

Upon determination by the Surety of the lowest responsive and responsible bidder, or, if the County elects, upon determination jointly by the County and the Surety of the lowest responsive and responsible bidder, the Surety shall arrange for a contract between such bidder and the County under the same terms and conditions for the performance and completion of the Contract, and/or in the sole discretion of the County in substantially similar or under the same terms and conditions for the performance and completion of the Contract. The new contract must be secured with a performance bond executed by the new vendor and a qualified surety equivalent to the bond issued on the initial Contract.

- B. Waiver of Rights. The Surety hereby waives notice of any modifications, alterations, or extensions of time made by the County to the Contract, whether unilateral or by mutual consent. No extension of time, change, alteration, modification, deletion, or addition to the Contract, or of the Work required therein shall release or exonerate the Surety on the Bond or in any way affect the obligations of the Surety to perform the Contract as changed, altered, or modified under this Bond. In addition, the Surety also waives any pre-performance objections or challenges to the validity of the County's notice or declaration of default under the Contract as a justification for the Surety's non-performance within the timeframe provided in Section III of this Agreement. Provided however, the Surety's performance hereunder shall not be construed as a waiver of any post-performance objection or challenge to the propriety of the County's declaration triggering the Surety's performance.

## **SECTION II. FINANCIAL OBLIGATIONS**

The Surety agrees to make available as Contract Work progresses (even though there should be a default or a succession of defaults under the Contract or contracts of completion arranged under this Performance Bond) sufficient funds to pay the cost of completion of the Contract or successor contracts. The Performance Bond Amount shall cover all costs invoiced by third party vendors to the County that exceed the cost in the Contract (to include phases) or costs already paid by the County to Contractor, but not exceeding the Performance Bond Amount (excluding other costs and damages for which Surety may

be liable hereunder).

The Surety's monetary obligation under this Bond is limited to the Performance Bond Amount identified herein, except as otherwise provided. In the event the entire Contract Price has been paid in whole or in part by the County and the Work is determined to be incomplete or defective in accordance with the terms of the Contract, the Surety is obligated to complete the Contract in an amount not to exceed the Performance Bond Amount, except as provided herein. Subject to these limits, the Surety's obligations under this Bond are commensurate with the obligations of the Contractor under the Contract. The Surety's obligations shall include, but are not limited to:

- A. The responsibilities of the Contractor to complete the Contract and/or to correct defective work;
- B. The responsibilities of the Contractor to pay damages under the Contract; and
- C. The cost of additional professional fees, and costs for all delays resulting from Contractor's default, and resulting from the Contractor's or Surety's actions or failure to act.

### **SECTION III. RIGHTS AND REMEDIES**

If the Surety does not proceed as provided in Section I within ten (10) days after receipt of written notice from the County to the Surety demanding that the Surety perform its obligations under this Bond, then the Surety shall be deemed to be in default on this Bond. If a Court of competent jurisdiction finds that the Surety is in breach hereunder, the Court shall award the County three times the actual damages sustained by the County as a result of the Surety's default, which amount shall not be limited to the Performance Bond Amount. At all times, the County shall be entitled to enforce any remedy available to the County under the laws of South Carolina.

Any suit under this Bond must be instituted before the expiration of two (2) years from the date on which final payment under the Contract falls due and is paid.

No right of action shall accrue on this Bond to or for the use of any person or corporation other than the County named herein or the heirs, executors, administrators or successors of the County.

### **SECTION IV. GENERAL PROVISIONS**

If any term or condition of this Performance Bond or the application thereof to any person(s) or circumstances is held invalid, this invalidity shall not affect other terms, conditions or applications which can be given effect without the invalid term, condition, or application. To this end, the terms and conditions of this Bond are declared severable.

This Performance Bond shall be governed by the laws of the State of South Carolina and any and all disputes arising out of this Bond shall, if it cannot be resolved without litigation, be litigated only in a non-jury hearing. Any such lawsuit shall be filed with the Circuit Court for the First Judicial Circuit, Dorchester County, South Carolina.

(For Contractors/Vendors Other Than Individuals)

Dorchester County requires compliance with State and Federal regulations governing Equal Employment Opportunity, External Equal Opportunities (EO), External On-the-Job Training (OJT), Title VI, and the Americans with Disabilities Act (ADA) programs.

*Sub-recipients of federal-aid contracts must include notifications in all solicitations for bids of work or material and agreements subject to Title VI of the Civil Rights Act of 1964 and other nondiscrimination authorities. Sub-recipients, contractors and subcontractors may not discriminate in their employment practices or in the selection and retention of any subcontractor.*

**By signing this document, the Contractor/Vendor hereby certifies its commitment to assure nondiscrimination in its programs and activities to the effect that no person shall on the grounds of race, color, national origin, sex, age, disability or income status be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination or retaliation under any federally or non-federally funded program or activity administered by the sub-recipient and/or its contractors.**

**DIVISION 10. - DORCHESTER COUNTY VENDOR PREFERENCE****Sec. 2-611. - Eligibility for Vendor Preference.**

A vendor shall be deemed a Dorchester County vendor for the purposes of this division if such vendor be an individual, partnership, association or corporation that is authorized to transact business within the state, has a physical business address located within the County of Dorchester, has had a valid Dorchester County business license or a valid business license issued by one of the municipalities located within Dorchester County for a period of 12 months or more prior to the bid opening date, and provides proof of payment of all applicable Dorchester County taxes and fees.

**Sec. 2-612. - Dorchester County vendor preference.**

The lowest responsive and responsible Dorchester County vendor, if any, who is within five percent (5%) of the lowest non-Dorchester County vendor which would be awarded the bid may be given the opportunity to match the bid submitted by the non-Dorchester County vendor and thus be awarded the bid for the provision of goods, supplies or construction services. This preference shall be applicable only to solicitations by Dorchester County for goods, supplies, and construction services which are \$75,000 or more in value. Should the lowest responsive and responsible Dorchester County vendor not exercise its right to match the bid as granted herein, the next lowest Dorchester County vendor shall have that right and so on. The right to exercise the right to match the bid shall be exercised within 24 hours of notification of the right to match the non-Dorchester County vendor's bid.

**Sec. 2-613. - Vendor preference affidavit.**

In order for a Dorchester County vendor to assert its right to the preference created in this article, the Dorchester County vendor must fully complete the affidavit claiming such preference, which is located online as well as published bid documents, at the time that its bid is submitted. Failure to provide such affidavit at the time the vendor submits its bid shall constitute a waiver of any claim for preference.

**Sec. 2-614. - Conditions and authorizing signatures.**

Should a solicitation, procurement, or request for bids be made by Dorchester County for goods, supplies, or construction services, which by state or federal guidelines prohibit or restrict the type of preference created in this division, this division granting such preference shall not apply to such solicitation, procurement, or request for bids. Likewise, should any solicitation, procurement, or request for bids by Dorchester County for goods, supplies, or construction services be funded in whole or in part with state or federal monies, the receipt of which by the county prohibits or restricts the use of the type of preference created in this division, this division granting such preference shall not apply to such solicitation, procurement, or request for bids. For example, 45 C.F.R. Section 92.36 (Code of Federal Regulations) generally requires that grantees and sub-grantees of federal funds conduct procurements in a manner that prohibits the use of statutorily or administratively imposed geographical preferences in the evaluation of bids or proposals. Thus, in such circumstances, this division granting the preference will not apply.
