Information about the PBA Procurement Division may be obtained on the internet at <https://www.ktnpba.org/doing-business-with-pba>.
- 1.2 ACCEPTANCE:** Suppliers shall hold their price firm and subject to acceptance by PBA for a period of ninety (90) days from the date of the proposal closing, unless otherwise indicated in their proposal.
- 1.3 ALTERNATIVE PROPOSALS:** PBA will not accept alternate proposals (those not equal to specifications) unless authorized by the Request for Proposals (RFP).
- 1.4 AWARD:** Award will be made to the most responsive, responsible supplier(s) meeting specifications, who presents the product(s) or service(s) that is in the best interest of PBA. PBA reserves the right to award this RFP on an item-by-item basis, a schedule basis, an all or none basis, or by multiple award, whichever is in the best interest of the PBA. PBA reserves the right to not award this solicitation. Award will be made in accordance with the evaluation criteria specified herein.
- 1.5 CLOSURES:** During periods of closure due to unforeseen circumstances in Knox County or closures at the direction of PBA's Administrator/CEO, the Procurement Division will enact the following procedures in regard to solicitations and closures:
- If the Administrator/CEO closes the administrative offices prior to the time set for a solicitation opening/closing on any business day, all solicitations due that same day will be moved to the next operational business day.
  - Other unforeseen circumstances will be at the sole discretion of the PBA Director of Finance.
  - PBA will not be liable for any commercial carrier's decision regarding deliveries during any unforeseen circumstances.
- 1.6 CONFLICTS OF INTEREST:** PBA has adopted a resolution regarding conflicts of interest for employees and contractors. When submitting a response to the RFP, each supplier must certify that the submission is not the result of, or affected by, any unlawful act of collusion with any other person or company engaged in the same line of business or commerce or any other fraudulent act punishable under the laws of the United States of America or the State of Tennessee. Please see Attachments A, B, and C.
- 1.7 CONTRACTOR DEFAULT:** PBA reserves the right, in case of contractor default, to procure the articles or services from other sources and hold the defaulting contractor responsible for any excess costs occasioned thereby. Should contractor default be due to a failure to perform or because of a request for a price increase, PBA reserves the right to remove the contractor from PBA's bidders' list for twenty-four (24) months.
- 1.8 COOPERATIVE PURCHASING:** Suppliers must indicate whether it is permissible for other governments in Tennessee to purchase these items or services at the same price. Freight charges can be adjusted to reflect differences in delivery costs.

- 1.9 COPIES:** PBA requires that proposals being submitted by hand be submitted with one (1) marked original and one (1) exact copy. **Suppliers must submit with their written response an exact electronic version of their proposal in one (1) single, complete .pdf file on a CD-ROM or flash drive format.** PBA requests that proposals be concise with no duplication of answers. If submitting electronically using PBA's online portal, no additional copies are needed.
- 1.10 DECLARATIVE STATEMENTS:** Any statement or words (e.g.: must, will, shall) are declarative statements and the supplier must comply with the condition. Failure to comply with any such condition may result in their proposal being deemed non-responsive and disqualified.
- 1.11 ELECTRONIC TRANSMISSION OF PROPOSALS:** PBA's Procurement Division will accept electronically transmitted proposals through PBA's On-Line Procurement System. PBA prefers that all documents for an electronic submittal be merged into a single .pdf document prior to uploading them in Vendor Registry. Facsimile and email submission are strictly prohibited.
- 1.12 ENTRANCE TO PBA SITES:** Only PBA badged employees of the successful contractor(s) are allowed on the premises of PBA buildings and projects. Contractor employees/subcontractors are NOT to be accompanied in their work area by acquaintances, family members, assistants or any unauthorized person. Only the contractor's personnel, having passed the security background check and issued a PBA badge, are authorized to be onsite. All authorized personnel are required to wear and display their PBA issued badge at all times while on PBA property.
- 1.13 EVALUATION OF TIE SOLICITATIONS:** A tie exists when two or more suppliers offer goods and/or services that meet all specifications, terms, and conditions at identical prices, including cash discount offered and any other value-based factors. A tie for quotes or bids will be broken by the following methods, in descending order of preference:
- 1.13.1** Life Cycle Costing techniques would be utilized to determine the lifetime cost of the item from each supplier. If either item was more expensive over its lifetime, it would not be considered.
  - 1.13.2** Delivery factors such as lead times, schedules and cost could be considered.
  - 1.13.3** Locality would be a factor of the decision. If either supplier was local or if one supplier was in the state of Tennessee and the other one was not, the award can be made to the supplier having local ties.
  - 1.13.4** If no other method of breaking the tie is useful, a publicly witnessed drawing of lots or coin toss can be utilized.
  - 1.13.5** The responses could be rejected, and the item re-solicited.
- In the event that a proposal evaluation process results in two or more proposals receiving evaluation scores that tie for the rank of highest score, PBA will request best and final cost proposals from only those suppliers with scores that tie. PBA will then evaluate the best/final proposals from the tied suppliers to make a selection.
- 1.14 HOW TO DO BUSINESS:** PBA utilizes a web-based procurement software system, Vendor Registry. The system provides our clients with a more enhanced and end-user friendly means of accessing our services. The system allows for on-line supplier registration and maintenance as well as on-line retrieval and submittal of quotes, bids, and proposals for our supplier-clients. When doing business with PBA we ask that you to please go to our website at <https://www.ktnpba.org/doing-business-with-pba>, click the link to register as a supplier in our on-line portal if you have not done so and whenever possible to conduct your business with PBA through this site. If you have any questions, please contact the Procurement Division Representative listed in Section 1.1 of this document.
- 1.15 INCURRED COSTS:** PBA will not be responsible for any costs incurred by the supplier in the preparation of their proposal.
- 1.16 MINORITY-OWNED, WOMEN-OWNED & DISADVANTAGED BUSINESSES:** PBA encourages the meaningful participation of minority-owned businesses. It is the intent of PBA to maintain a minimum procurement goal of 10% participation from minority-owned, women-owned, small businesses, and/or disadvantaged businesses.
- 1.17 MULTIPLE PROPOSALS:** PBA will consider multiple proposals that meet specifications.
- 1.18 NO CONTACT POLICY:** After the date and time that the supplier receives this solicitation, any contact initiated by any supplier with any PBA representative, other than the Procurement Division representative listed herein, concerning this RFP, is strictly prohibited. Any such unauthorized contact may cause the disqualification of the supplier from this procurement transaction.

- 1.19 NON-COLLUSION:** Suppliers, by submitting a signed proposal, certify that the accompanying proposal is not the result of, or affected by, any unlawful act of collusion with any other person or company engaged in the same line of business or commerce, or any other fraudulent act punishable under Tennessee or United States law.
- 1.20 PATENTS & COPYRIGHTS:** The successful contractor(s) must pay all royalties and assume all costs arising from the use of any invention, design, process, materials, equipment, product or device in performance of the work, which is the subject of patent rights or copyrights. The contractor(s) must, at their own expense, hold harmless and defend PBA against any claim, suit or proceeding brought against PBA which is based upon a claim, whether rightful or otherwise, that the work, or any part thereof, furnished under this Agreement, constitutes an infringement of any patent or copyright of the United States. The contractor(s) must pay all damages and costs awarded against PBA.
- 1.21 PAYMENT METHOD:** PBA utilizes two (2) methods of placing orders for products. The first is the use of Purchase Orders (P.O.). P.O.s will be issued from the PBA Procurement Division via email. The P.O. will detail the quantity, specific item(s) and the contracted price for each item. Orders placed using a P.O. will be paid by Electronic Funds Transfer (EFT). Successful contractor(s) will be asked to submit a new/updated EFT Authorization Form to confirm that PBA has correct banking information on file prior to the contract being fully executed.
- The second method is the use of the PBA Credit Card (MasterCard). Orders placed on the credit card will list the same information as the P.O. Contractors will be given the card information and approval to process the transaction for the requesting department. Suppliers must indicate in their proposal if they will accept the PBA Credit Card (MasterCard) as a form of payment. Contractors are prohibited to charge PBA any type of merchant fee from their financial institution to accept this type of payment.
- 1.22 POSSESSION OF WEAPONS:** All contractors and their employees and their agents are prohibited from possessing any weapons on PBA property without prior written consent from PBA. In the case of a contractor whose contract requires possession of firearms or other weapons to successfully complete their contract, contractor must provide personnel who are bonded to bear said weaponry.
- 1.23 PROCESSING TIME FOR PAYMENT:** Contractors are advised that a minimum of thirty (30) days is required to process invoices for payment when the invoicing instructions herein are followed.
- 1.24 PROOF OF FINANCIAL AND BUSINESS CAPABILITY:** Contractors must, upon request, furnish satisfactory evidence of their ability to furnish products or services in accordance with the terms and conditions of these specifications. PBA will make the final determination as to the contractor's ability.
- 1.25 PROPOSAL DELIVERY:** PBA requires suppliers, when hand delivering proposals, to time and date stamp the envelope before submitting their response to the Procurement Division representative. The time clock in the Procurement Division will become the official record of time. Electronic submissions are recorded electronically. PBA will not be responsible for technical difficulties experienced by suppliers trying to register or submit their response electronically less than twenty-four (24) hours prior to the proposal closing time.
- Solicitations must be in a sealed envelope/box prior to entering the Procurement Division office. Procurement Division personnel are not allowed to see the submittal nor assist in placing documents in an envelope/box. Additionally, the Procurement Division is not responsible for providing materials (e.g.: envelopes, boxes, tape) for submittals.**
- 1.26 PROPOSAL FORMAT:** This solicitation is in the Request for Proposals (RFP) format. At the specified date and time, each supplier's name will be publicly read aloud. No further information will be given at that time. Evaluation of the proposals will proceed as expeditiously as possible and successful, as well as unsuccessful, notification will be given.
- 1.27 RECYCLING:** PBA, in its continuing efforts to lessen the amount of landfill waste and to further recycling efforts, requests that proposals be sent electronically using PBA's online portal. Proposals being submitted on paper must:
- 1.27.1** Be submitted on recycled paper;
- 1.27.2** Not include pages of unnecessary advertising.
- 1.28 RESTRICTIVE OR AMBIGUOUS SPECIFICATIONS:** It is the responsibility of the prospective supplier to review the entire RFP packet and to notify the Procurement Division if the specifications are formulated in a manner that would unnecessarily restrict competition.

Any such protest or question regarding the specifications or solicitation procedures must be received by the Procurement Division no later than **4:30 p.m. Eastern Time on August 23, 2022**. These requirements also apply to specifications that are ambiguous.

- 1.29 SIGNING OF PROPOSALS:** In order to be considered all proposals must be signed. **Please sign the original in blue ink.** By signing the proposal document, the supplier acknowledges and accepts the terms and conditions stated in the document and will legally bind the supplier to PBA's request for goods and/or services. The submission of your electronic response will be the acknowledgement of signature.
- 1.30 SUPPLIER REGISTRATION:** Prior to the closing of this RFP, **ALL PARTICIPATING SUPPLIERS** must be registered with the PBA Procurement Division. Supplier Registration may be completed online at [www.kntpba.org/doing-business-with-pba](http://www.kntpba.org/doing-business-with-pba). Select the Register as a Vendor link to complete the registration process. There is a link for a "How To" guide on the website for your reference.
- 1.31 TAXES:** PBA purchases are not subject to taxation. Tax exemption certificates will be provided upon request.
- 1.32 TERM CONTRACTS:** If this solicitation results in a term contract, PBA must receive all general price decreases that other similar customers receive.
- 1.33 TITLE VI:** It is the policy of PBA that all its services and activities be administered in conformance with the requirements of Title VI. Contractors must comply with the President's Executive Order Nos. 11246 and 11375 which prohibit discrimination in employment regarding race, color, religion, sex, or national origin. Contractors must not maintain or provide for their employees any facilities that are segregated on the basis of race, color, religion, or national origin. Contractors must also comply with Title VI of the Civil Rights Act of 1964, Copeland Anti-kickback Act, the Contract Work Hours and Safety Standard Act, Section 402 of the Vietnam Veterans Adjustment Act of 1974 and Section 503 of the Rehabilitation Act of 1973, all of which are incorporated by reference.
- All contractors must comply with Title VI of the Civil Rights Act of 1964 as codified in 42 U.S.C. 2000d. The successful contractor(s) must follow Title VI guidelines in all areas including, but not limited to, hiring practices, open facilities, insurance, and wages. PBA reserves the right to review all compliance records to be completed by a contract compliance officer designated by PBA.
- 1.34 USE OF PROPOSAL FORMS:** Suppliers must complete the proposal forms contained in the solicitation package. Failure to complete the proposal forms may result in rejection of their proposal.
- 1.35 WAIVING OF INFORMALITIES:** PBA reserves the right to waive minor informalities or technicalities when it is in the best interest of PBA.

## **SECTION II OBLIGATIONS, RIGHTS AND REMEDIES**

These terms and conditions shall be part of the contract. PBA reserves the right to negotiate other terms and conditions it deems appropriate and necessary under the circumstances to protect the public's trust.

- 2.1 ALTERATIONS OR AMENDMENTS:** No alterations, amendments, changes, modifications or additions to this contract shall be binding on PBA without the prior written approval of PBA.
- 2.2 APPROPRIATION:** In the event no funds are appropriated by PBA for the goods or services in any fiscal year or insufficient funds exist to purchase the goods or services, then the contract shall expire upon the expenditure of previously appropriated funds or the end of the current fiscal year, whichever occurs first, with no further obligations owed to or by either party.
- 2.3 ASSIGNMENT:** Contractor shall not assign or sub-contract this agreement, its obligations or rights hereunder to any party, company, partnership, incorporation or person without the prior written specific consent of PBA.
- 2.4 AWARD PROTEST PROCEDURES:** Occasionally there may be complaints from suppliers asserting the award process for a solicitation has been unfair in some manner. Any supplier who claims to be aggrieved in connection with a specific solicitation may pursue the following process for resolution. Suppliers who believe there has been a problem with the process or decisions should contact the buyer listed in Section 1.1 of the solicitation in question. Typically, the buyer will be able to explain PBA's rationale for the decision and the supplier will be satisfied. However, if the supplier is still not satisfied, the following steps may be taken.

The supplier may notify the Director of Finance, in writing, within seven calendar days after the notice of the award or intent to award the contract is issued whichever is earlier. **PBA will not consider complaints filed electronically.** Complaints received more than seven calendar days after the notification of the award decision has been made will not be considered for review. The envelope in which the protest is mailed should be clearly marked "Protest of Award Decision." The written protest should include:

- 2.4.1 The name, address, and phone number of the protestor and the name of the supplier represented;
- 2.4.2 The solicitation name, solicitation number, date, and any other pertinent information;
- 2.4.3 A statement of reason for the protest and the resolution requested;
- 2.4.4 Any supporting documents, exhibits, or evidence to substantiate the protest; and
- 2.4.5 The original signature of the protestor.

The Director of Finance will review the protest and announce a decision in writing. Recognizing that delaying the procurement process any longer than necessary is detrimental to the interests of PBA, the Director of Finance will announce their decision as soon as possible. The decision will be made and the protestor will be notified within five business days of the receipt of the protest.

If the protestor still is not satisfied, there is a final appeal process. The concerned protestor may file an appeal with the Administrator/CEO of PBA. This appeal must be filed within three business days from the issuance of the Director of Finance's decision. The Administrator/CEO will again review the information and the previous decisions. A decision will be made and issued within five business days.

In those cases where delaying the procurement process would endanger the health of the public served, cause additional and/or extensive damage to PBA or would adversely affect PBA programs, PBA will not stop the process. All documentation regarding the protest shall become part of the solicitation file.

- 2.5 **BACKGROUND CHECKS:** A Knox County Sheriff's Office (KCSO) background check will be required for any and all employees of the successful contractor's staff and their subcontractors providing on-site services to PBA. The successful contractor(s) will submit the completed KCSO records check to the PBA Director of Security. The PBA Director of Security will perform additional background checks and will determine whether the proposed employee meets suitability standards for unescorted access to PBA managed property. The successful contractor(s) should allow up to five business days for an employee to be approved or denied for unescorted access within any PBA managed facility. Certain background checks may require additional time. PBA will notify the successful contractor(s) upon final determination. Under no circumstances shall a contractor's or Subcontractor's employee begin work on a PBA property prior to receiving authorization by PBA.

PBA reserves the right to alter the requirements for background checks on a project-by-project basis; these include, but are not limited to, finger printing and checks that will satisfy the requirements of T.C.A. § 49.5.113. PBA reserves the right to waive certain background checks. Certain felony convictions will prohibit individuals from providing services unescorted at PBA facilities. All costs associated with background checks will be the responsibility of the contractor.

- 2.6 **BOOKS AND RECORDS:** Contractor shall maintain all books, documents, accounting records and other evidence pertaining to the goods and services provided under this Contract and make such materials available at its offices at all reasonable times during the contract period and for three (3) years from the date of the final payment under this agreement for inspection by PBA or by any other governmental entity or agency participating in the funding of this agreement, or any authorized agents thereof; copies of said records to be furnished if requested. Such records shall include those books, documents and accounting records that represent the contractor's costs of manufacturing, acquiring or delivering the products and services governed by this agreement.
- 2.7 **CHILD LABOR:** Contractor agrees that no products or services will be provided or performed under this contract which have been manufactured or assembled by child labor.
- 2.8 **COMPLIANCE WITH ALL LAWS:** Contractor is assumed to be familiar with and agrees to observe and comply with all federal, state, and local laws, statutes, ordinances, and regulations in any manner affecting the provision of goods and/or services, and all instructions and prohibitive orders issued regarding this work and shall obtain all necessary permits.
- 2.9 **CONFLICTING PROVISIONS:** In the event of inconsistent or conflicting provisions of the contract and any documents related thereto (including but not limited to the Request for Proposals, the proposal, the award, the special terms and conditions, the general terms and conditions, the specifications and the drawings) the provision that grants the PBA the greater rights and/or imposes the greater obligations on the contractor shall prevail.

- 2.10 DEFAULT:** If contractor fails to perform or comply with any provision of this contract or the terms or conditions of any documents referenced and made a part hereof, PBA may terminate this contract, in whole or in part, and may consider such failure or noncompliance a breach of contract. PBA expressly retains all its rights and remedies provided by law in case of such breach, and no action by PBA shall constitute a waiver of any such rights or remedies. In the event of termination for default, PBA reserves the right to purchase its requirements elsewhere, with or without competitive solicitation.
- 2.11 GOVERNING LAW:** The resulting contract from this solicitation shall be governed by the laws of the State of Tennessee, and all obligations of the parties are performable in Knox County, Tennessee. The Chancery Court and/or the Circuit Court of Knox County, Tennessee, shall have exclusive and concurrent jurisdiction of any disputes which arise hereunder.
- 2.12 INCORPORATION:** All specifications, drawings, technical information, Request for Proposals, Proposal, Award and similar items referred to or attached or which are the basis for this contract are deemed incorporated by reference as if set out fully herein.
- 2.13 INDEMNIFICATION/HOLD HARMLESS:** Contractor shall indemnify, defend, save and hold harmless PBA, its officers, agents and employees from all suits, claims, actions or damages of any nature brought because of, arising out of, or due to breach of the agreement by contractor, its subcontractors, suppliers, agents, or employees or due to any negligent act or occurrence or any omission or commission of contractor, its subcontractors, suppliers, agents or employees.
- 2.14 INDEPENDENT CONTRACTOR:** Contractor shall acknowledge that it and its employees serve as independent contractors and that PBA shall not be responsible for any payment, insurance or incurred liability.
- 2.15 INSPECTION AND ACCEPTANCE:** Warranty periods shall not commence until PBA inspects and formally accepts the goods and/or services. The terms, conditions and timing of acceptance shall be determined by PBA. PBA reserves the right to reject any or all items or services not in conformance with applicable specifications, and contractor assumes the costs associated with such nonconformance. Acceptance of goods or services does not constitute a waiver of latent or hidden defects or defects not readily detectable by a reasonable person under the circumstances.
- 2.16 IRAN DIVESTMENT ACT:** By submission of this proposal, each supplier and each person signing on behalf of any supplier certifies, and in the case of a joint proposal each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each supplier is not on the list created pursuant to Tennessee Code Annotated § 12-12-106.
- 2.17 LIMITATIONS OF LIABILITY:** In no event shall PBA be liable for any indirect, incidental, consequential, special or exemplary damages or lost profits, even if PBA has been advised of the possibility of such damages.
- 2.18 NON-DISCRIMINATION AND NON-CONFLICT STATEMENT:** Contractor agrees that no person on the grounds of handicap, age, race, color, religion, sex or national origin shall be excluded from participation in, or be denied benefits of, or be otherwise subjected to discrimination in the performance of this agreement or in the employment practices of contractor. Contractor shall upon request show proof of such non-discrimination and shall post in conspicuous places available to all employees and applicants notices of non-discrimination. Contractor covenants that it complies with the Fair Wage and Hour Laws, the National Labor Relations Act, and other federal and state employment laws as applicable. Contractor covenants that it does not engage in any illegal employment practices. Contractor covenants that it has no public or private interest and shall not acquire directly or indirectly any interest, which would conflict in any manner with the provision of its goods or performance of its services. Contractor warrants that no part of the total contract amount provided herein shall be paid directly or indirectly to any officer or employee of PBA as wages, compensation, or gifts in exchange for acting as officer, agent, employee, subcontractor or consultant to contractor in connection with any goods provided or work contemplated or performed relative to the agreement.
- 2.19 PUBLIC RECORDS ACT:** PBA is subject to the Tennessee Public Records Act § 10-7-503 et seq. Suppliers are cautioned that all documents submitted on behalf of this RFP will be open to the public for viewing and inspection after the completion of the evaluation, and PBA will comply with all legitimate requests.
- 2.20 REMEDIES:** PBA shall have all rights and remedies afforded under the U.C.C. and Tennessee law in Contract and in tort, including but not limited to rejection of goods, rescission, right of set-off, refund, incidental, consequential and compensatory damages and reasonable attorney's fees.

- 2.21 RIGHT TO INSPECT:** PBA reserves the right to make periodic inspections of the manner and means the service is performed or the goods are supplied.
- 2.22 SEVERABILITY:** If any provision of this contract is declared illegal, void or unenforceable, the remaining provisions shall not be affected but shall remain in force and in effect.
- 2.23 TAX COMPLIANCE:** Contractor hereby acknowledges, by submission of its proposal and signature that it is current in its respective federal, state, county, and city taxes of whatever kind or nature and is not delinquent in any way. Delinquent status must be disclosed or risk debarment by the PBA Procurement Division.
- 2.24 TERMINATION:** PBA may terminate this agreement with or without cause at anytime. In the event of termination by either party, fees due for services satisfactorily performed or goods accepted prior to the termination date shall be paid.
- 2.25 WARRANTY:** Contractor warrants to PBA that all items delivered and all services rendered shall conform to the specifications, drawings, solicitation and/or other descriptions furnished and/or incorporated by reference, and will be fit for the particular purpose purchased, of merchantable quality, good workmanship, and free from defects. Contractor extends to PBA all warranties allowed under the U.C.C.

Contractor shall provide copies of warranties to PBA. Return of merchandise not meeting warranties shall be at contractor's expense.

### **SECTION III SPECIAL TERMS AND CONDITIONS**

- 3.1 INTENT:** PBA intends for this solicitation to set forth and convey to prospective contractors the general type, character, and quality of Chemicals, Equipment, and Services as desired by PBA. Award will be based on Best Value. Best Value means more than low cost. It includes initial cost, service quality and other factors detailed herein.
- 3.2 ACCEPTANCE:** Contractors are advised that the payment of an invoice does not necessarily constitute as an acceptance of services that are provided. Acceptance requires a specific written action by PBA so stating.
- 3.3 ACCOUNT SET-UP:** The successful contractor(s) **will be required** to set up separate accounts for each PBA division that may use this term contract. Upon award of the contract, a list of all departments with the associated agency will be provided to the successful contractor(s). The successful contractor(s) will be required to invoice, as well as post payment, to the proper agency.
- 3.4 ADDITION/DELETION OF LOCATIONS AND/OR GOODS/SERVICES:** PBA may, but will not be required to, request the supplier to add locations and/or goods/services for PBA. The successful supplier agrees that upon written designation by PBA, it will add such locations and/or goods/services under the contract. Pricing for any additional locations and/or goods/services will be negotiated with the supplier. Approvals must be in writing; there will be no verbal authorizations. PBA may delete from the contract locations and/or goods/services in the pricing sheet without terminating the entire contract.
- 3.5 AGENCY CONTACTS:** Contractor(s) will be given a list of key personnel directly associated with the service to be performed for contact information. Only the PBA Procurement Division will have the authority to make changes during the term of this agreement and in compliance with the resulting contract.
- 3.6 AWARD LENGTH:** PBA intends to issue a one (1) year award with the option to renew upon mutual consent of both parties. The term agreement may be renewed for four (4) one-year periods, one (1) year at a time, for a possible total of five (5) years. The renewal option is at the discretion of PBA. PBA reserves the right to purchase these services from other sources if the need arises.
- PBA reserves the right to revoke the award if a pattern of unavailability or other service issues arise with the contractor(s). Should PBA desire not to renew, no reason needs to be given.
- 3.7 CERTIFICATION:** Contractor's equipment operators must be certified in the proper operation of the equipment they will use under this term contract (e.g. CDL license). Certifications of technicians **must be included** in the response package. It will be the awarded contractor's responsibility to maintain current certifications with the PBA Procurement Division for the duration of the contract.

Contractor(s) must obtain, at the contractor's expense, and submit copies with their proposal all permits and licenses (e.g. the Tennessee Department of Agriculture C14 – Microbial Pest Control) required by law or ordinance and maintain the same in full force and effect for the full term of the contract.

- 3.8 CHANGES AFTER AWARD:** It is possible after award that PBA may change its needs or requirements. PBA reserves the right to make such changes after consultation with the contractor(s). Should additional costs arise, PBA reserves the right to consider accepting these charges provided the contractor(s) can document the increased costs. PBA also reserves the right to accept proposed service changes from the contractor(s) if they will lower the cost to PBA and/or provide improved service.
- 3.9 COMMUNICATIONS:** The successful execution of this contract will require extensive communication between all parties involved. While information may be transmitted via telephone, it should always be followed up with a fax transmission or email. It is essential that the contractor have an efficient and properly working fax machine as well as email capabilities. The contractor will be required to submit a list of individuals, along with direct phone number, cell phone numbers, fax numbers and email addresses to the agency contracts. These individuals must be familiar with the PBA contract and have the authority to make adjustments as requested by PBA.
- 3.10 COMPLIANCE WITH ALL APPLICABLE REGULATIONS:** Contractor agrees and covenants that the supplier, its agents and employees will comply with all city, county, state and federal codes, laws, rules and regulations applicable to the business to be conducted under this contract. If the contractor performs any work knowing it to be contrary to such laws, ordinances, rules, and regulations, the contractor will bear all costs arising from them.
- 3.11 CONTACT PERSONNEL:** It will be essential to the success of this contract to develop a good working relationship with the contractor(s). It is imperative that the PBA account be handled efficiently and professionally. PBA should be assigned no more than two (2) contractor contacts to handle billing inquiries and service-related issues. In the event one (1) or both contacts leave the PBA account, the contractor will formally introduce the new contacts to PBA personnel. These contacts must be knowledgeable of PBA's account to avoid any interruption of service.
- 3.12 CONTRACT EXECUTION:** The award of this RFP may result in a contract between PBA and the successful contractor(s). Depending on the contract price, the contract may require the approval of the PBA Board of Directors. The PBA Procurement Division will draft the contract. The PBA Procurement Division **will not** accept any contractor's contract. If these types of Master Agreements, Service Agreements, Terms of Agreements or other submitted contract agreements are submitted, they **will** be rejected. Contractors are hereby cautioned that no contract will be binding on PBA unless signed by the PBA Administrator/CEO, as appropriate.
- 3.13 CONTRACTOR'S DUTIES:** All work performed under this contract must be performed in accordance with all provision of these specifications. By submitting a proposal, the owner or their representative acknowledges and accepts this clause. The contractor will be presumed to have made a reasonable inspection of the premises prior to the time of proposal and will be held responsible for all information available through such inspections. The contractor will immediately upon discovery, bring to the attention of PBA any conflicts that may occur among the various provisions of the specifications. PBA will resolve such conflicts and will be responsible for any costs reasonably incurred by the contractor due to such conflict. Failure of the contractor to bring conflicts or exceptions to the attention of the PBA will allow the PBA to require any changes deemed necessary before acceptance by the PBA.
- 3.14 DELIVERY TIME:** Suppliers must state the number of calendar days until delivery after receipt of a signed Purchase Order for the products included in this solicitation. Suppliers shall state accurate lead times as PBA reserves the right to cancel orders with no obligation when delivery time is exceeded. Supplier must state the number of calendar days, not a range of calendar days. For example, an unacceptable answer is "1 – 3 calendar days." Suppliers must be specific and state either "1 calendar day" or "3 calendar days." If supplier states a range of calendar days, PBA will base their answer on the maximum number of calendar days provided.
- Failure of a supplier to deliver within the time specified, or within reasonable time as interpreted by PBA, or failure to make replacements of rejected items when so requested, immediately or as directed by the participating agency's Administrators, shall constitute authority for the participating agency to purchase from the open market items of comparable grade to replace the items rejected or not delivered. On all such purchases the supplier shall reimburse PBA, within a reasonable time specified by the agency, for any expense incurred in excess of the contract price.
- 3.15 DESTINATION AND DELIVERY:** Suppliers must include all destination and delivery charges in their price. **There will be no extra hidden charges.** Delivery must be "free on board" to the PBA department.

Contractor will ensure that it is in compliance with Public Acts, 2000, Chapter No. 918.

**3.17 EVALUATION CRITERIA:** PBA will evaluate the submitted proposals and make a determination of the supplier, or suppliers, with which negotiations will ensue. The factors that will be considered in the evaluation of Proposals are:

Cost/Discounts	40 Points
Methodology of Services/Locality/Availability	25 Points
Experience/Qualifications of Staff	20 Points
Key Personnel	10 Points
References	5 Points

PBA reserves the right to ascertain whether or not the prices submitted are realistic and within the competitive range for these products and this type of service. PBA will consider past experiences and/or concerns with companies during the evaluation stage.

When an evaluation committee is used, the total of all scores received for each category will be averaged for a total amount not to exceed the maximum total score assigned for each category each criterion.

The award will not be based solely on the lowest price or the highest evaluation score on the above stated criteria. The award will be based on Best Value, which will be determined by PBA based on not only the price, the evaluation scores, but also all other factors stated in this RFP and each supplier's responses thereto.

**3.18 EVALUATION REVIEW AND PROCEDURES:** PBA will incorporate the following review procedures in the evaluation of the submitted proposals.

- 3.18.1** PBA reserves the right to eliminate proposals that are clearly non-responsive to the stated requirements.
- 3.18.2** Each proposal received will be evaluated to determine if the supplier meets the minimum criteria and the degree to which the proposal is responsive to the requirements of this document. Therefore, suppliers must exercise particular care in reviewing the Proposal Format required for this RFP.
- 3.18.3** The detailed evaluation that follows the initial examination may result in more than one finalist. At that point, PBA may request additional information or presentations by suppliers and/or carry out contract negotiations for the purpose of obtaining best and final offers.
- 3.18.4** PBA reserves the right to visit the office(s) and or site(s) of the supplier(s) in order to inspect the facilities and meet key personnel.
- 3.18.5** PBA reserves the right to withdraw this RFP at any time and for any reason, and to issue such clarifications, modifications, and/or amendments as it may deem appropriate.
- 3.18.6** Receipt of a proposal by PBA or a submission of a proposal to PBA offers no rights upon the supplier nor obligates PBA in any manner.
- 3.18.7** PBA reserves the right to waive minor informalities in proposals, provided that such action is in the best interest of PBA. Any such waiver will not modify any remaining RFP's requirements or excuse the supplier from full compliance with the RFP's specifications and other contract requirements if the supplier is awarded the contract.

**3.19 EVALUATION REVIEW:** PBA reserves the right to use all pertinent information that might affect the PBA's judgment as to the appropriateness of an award to the best evaluated supplier(s). This information may be appended to the proposal evaluation process results. Information on a service provider from reliable sources, and not within the service provider's submittal, may also be noted and made part of the evaluation file. PBA will have sole responsibility for determining a reliable source. PBA reserves the right to conduct written and/or oral discussions/interviews after the proposal closing. The purpose of such discussions/interviews is to provide clarification and/or additional information to make an award that is in the best interest of PBA.

**3.20 EXCEPTIONS TO SPECIFICATIONS:** Suppliers taking exception to any part or section of these specifications must indicate such exceptions in their submittal. Failure to indicate any exceptions will be interpreted as the supplier's intent to fully comply with the specifications as written. Conditional or qualified offers are subject to rejection in whole or in part. Any exceptions must be included in Tab VIII of the submittal. Do not strike through or in any other way alter the RFP. Exceptions listed within other sections of the submittal will not be reviewed or considered.

**3.21 FEDERAL TRANSPORTATION ADMINISTRATION PROCUREMENTS:** The successful contractor(s) must understand that any/all procurements made for and paid with Federal Transportation Administration (FTA) grant funding must comply with certain additional FTA Clauses. The contractor(s) will be notified prior to quoting a project if the procurement must meet additional FTA Terms and Conditions. PBA will compile the appropriate document containing the FTA Terms and Conditions for contractor compliance authorization. Attached as Attachment J is a list of possible FTA Terms and Conditions and where the explanations of each can be found within the FTA Purchasing Code.

**3.22 FORCE MAJEURE:** The successful contractor(s) will not be held responsible for acts beyond the control of the parties to which a contract is awarded. PBA recognizes that national and/or international occurrences, unforeseen and beyond control of the contractor, may impact distribution costs. The pricing offered as a result of this RFP is to be based upon known and calculated expenses; therefore, should unexpected occurrences (e.g.: natural disasters, drought, war) happen as stated above, the contractor(s) may request relief only for the duration of said occurrence.

**3.23 GRATUITIES AND KICKBACKS:** It will be a breach of ethical standards for any person or supplier to offer, give, or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept, or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim, or controversy or other particular matter, pertaining to any program requirement of a contract or sub-contract or to any solicitation or proposal therefore.

It will be a breach of ethical standards for any payment, gratuity or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or a person associated therewith, as an inducement for the award of a subcontract or order. Breach of the provisions of this paragraph is, in addition to a breach of this contract, a breach of ethical standards which may result in civil or criminal sanction and/or debarment or suspension from being a contractor or subcontractor under PBA contracts.

**3.24 INSURANCE:** The successful contractor(s) must carry the insurance as indicated on the Insurance Attachment hereto. As proof the contractor's willingness to obtain and maintain the insurance, the supplier must complete, sign and have their insurance agent sign the attachment and submit it with their proposal.

Upon the Notification of Intent to Award and prior to the contract being fully executed, the successful contractor(s) will be required to submit a Certificate of Insurance (COI) with the specified coverage and listing The Public Building Authority of the County of Knox and the City of Knoxville, Tennessee as additional insured; Endorsement Page(s) must be included. It will be the successful contractor's responsibility to keep a current COI and Endorsement Page(s) on file with PBA Procurement as long as the contract is in effect.

**3.25 INTERPRETATION:** No oral interpretation will be made to any supplier regarding the meaning of specifications. All questions are to be submitted in writing or electronically (email) and will be answered in the form of an Addendum to the solicitation by the PBA Procurement Division.

**3.26 INVOICE DETAIL:** PBA is requesting invoices to show the following detail to help expedite review and payment. The contractor(s) may be required to modify invoicing procedures to show the detail. All potential contractors are hereby cautioned that PBA will only pay from original invoices and not facsimiles or copies. Invoices which do not adhere to these details may be returned to the contractor for correction.

PBA prefers that invoices be sent electronically; electronic invoices should be sent to [invoices@ktnpbpa.org](mailto:invoices@ktnpbpa.org). Alternatively, invoices may be mailed to: Public Building Authority, ATTN: PBA Finance Department, PO Box 2505, Knoxville, TN 37901. Only one invoice method should be used. Invoices sent by facsimile will not be accepted. Invoices which do not adhere to these details may be returned to the contractor for correction. Invoices must meet all other criteria listed herein.

Receipt(s) for the items at a percentage off/added to MSRP must be attached with the invoice.
- 3.26.5 Invoices are to be original and uniquely pre-numbered.
- 3.26.6 Invoices that do not show this information are subject to rejection.
- 3.26.7 Separate invoicing procedures between the successful contractor(s) and other government agencies or departments must be arranged if using as a cooperative contract. Invoice/payment obligations are between the entity receiving services and the successful contractor(s).

**3.27 INVOICE REVIEW:** PBA will review all invoices for adherence to the terms and conditions of the contract. Variations from the contract and contract pricing are strictly prohibited. Any variations found on the invoice will result in the rejection of those invoices. Rejected invoices will be returned to the contractor(s) for correction. If a discount for prompt payment is offered, the timeline does not commence until PBA receives a correct invoice.

**3.28 INVOICING PROCEDURES:** PBA requests that invoices be easy to read and understand. Each participating agency to this contract may require different invoicing information and procedures. This information and procedures will be provided to the successful contractor(s) prior to contract execution. There will be no additional charges for this information and procedures to be included. Suppliers must submit a sample copy of their invoice along with their proposal; account information may be deleted.

Each department or division of PBA is responsible for its own budget. Departments cannot charge or pay bills for another department. Therefore, it is critical that your business invoices specify the department that desires to purchase from you. Do not credit payments to any other department's account. There will be no component billing. P.O.s are encumbered by the total sum on the P.O. and cannot be split for partial payment. Only under extenuating conditions and approval by the PBA Director of Finance will partial payments be considered. No guarantee is offered for partial payments. If a complete invoice, submitted in accordance with the guidelines stipulated herein, remains unpaid after thirty (30) days, please contact the PBA Finance Department at 865.215.4630 to determine its status. NOTE: The thirty (30) days does not start until PBA Finance has received an approved invoice for payment from the requesting department.

There may be supplemental and/or additional invoicing and payment stipulations in addition to those listed herein that are applicable in more long-term projects. Any additional terms and conditions will be covered in other contractual documents.

**3.29 LIABILITY:** All collected material/products shall become the liability of the contractor immediately upon the contractor's handling of collected products and continuing thereafter. The contractor must agree to indemnify, defend and hold Knox County harmless from all liability arising from the transporting, storing, recycling, reclaiming, refining or disposing of said collected products including, but not limited to, the cost of any remedial action under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (also known as the Superfund) and comparable state law.

**3.30 NEGOTIATION:** PBA may select a successful supplier on the basis of initial offers received without discussions. Therefore, each proposal must contain the supplier's best terms from a cost or price and service standpoint. PBA reserves the right to enter into contract negotiations including, but not limited to, rates and term with the highest-rated supplier. If PBA and the selected supplier cannot negotiate a successful agreement, PBA may terminate said negotiations and begin negotiations with the next highest-rated supplier. PBA retains the right to negotiate with multiple suppliers simultaneously. This process will continue until an agreement has been reached or all suppliers have been rejected. No supplier will have any rights against PBA arising from such negotiations.

**3.31 NEW MATERIAL:** Unless specified otherwise in the proposal package, the supplier must provide new supplies. New, as used in this clause, means previously unused materials. Material includes, but is not limited to, raw material, parts, items, components, and end products. Supplier submission of other than new materials may be cause for the rejection of their proposal.

- 3.32 NEWS RELEASES BY CONTRACTORS:** As a matter of policy, PBA does not endorse the services of a contractor. A contractor will not make news releases concerning any resultant contract from this solicitation without the prior written approval of PBA.
- 3.33 OFFER WITHDRAWAL:** No proposal can be withdrawn after it is filed unless the supplier makes a request in writing to the PBA Procurement Division **prior** to the time set for the closing of the RFP or unless PBA fails to accept within ninety (90) days after the date fixed for closing the RFP.
- 3.34 PERFORMANCE AND PAYMENT BONDS:** The successful contractor(s) may be required to submit a Performance Bond and a Payment Bond (each equal to 100% of the job cost) when any one project exceeds \$100,000 in value. - 3.36 PRICING:** Contractor warrants that the unit price stated for all items will remain firm for a period of twelve (12) months from the first day of the contract period. If the contractor's price is increased after the initial year, PBA must be given a written notice to consider. Written notice must be received a minimum of ninety days prior to the contract renewal date. Such request must include at a minimum, (1) the cause for the adjustment; and (2) the amount of the change requested with documentation to support the requested adjustment. Price increases will only be considered at the renewal period(s). If the price increase is rejected, the contractor may:
- a. Continue with existing prices;

Comparable products of other manufacturers will be considered if proof of comparability is contained in the proposal. It will be the responsibility of the suppliers, including suppliers whose product is referenced, to furnish with the proposal such specifications, catalog pages, brochures or other data as will provide an adequate basis for determining the quality and functional capabilities of the product offered. Failure to provide this data may be considered valid justification for rejection of a proposal.

- 3.43 REJECTION OF PROPOSALS:** PBA reserves the right to reject any and all proposals received as a result of this request and to waive any informality, technical defect or clerical error in any bid, as the interests of PBA may require. Non-acceptance of any proposal will be devoid of any criticism of the proposal and of any implication that the proposal is deficient in any manner. Non-acceptance of any proposal will be construed as meaning simply that the PBA does not deem the proposal to be acceptable or that another proposal was deemed to be more advantageous to PBA for the particular services proposed.
- 3.44 REMOVAL OF CONTRACTOR'S EMPLOYEES:** The successful contractor(s) agrees to utilize only experienced licensed, responsible, and capable people in the performance of the work. REQUEST FOR PROPOSALS NUMBER 2023.001  
PUBLIC BUILDING AUTHORITY CODE OF ETHICS**

WHEREAS, the Public Building Authority of the County of Knox and the City of Knoxville, Tennessee ("PBA") adopted on January 5, 1996 a conflicts of interest policy applicable to persons who submit bids or proposals or negotiate with respect to contracts to supply goods or services, and

WHEREAS, such conflicts of interest policy needs to be updated to correlate with PBA's current Code of Ethics, which was adopted on January 28, 2008;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF PBA AS FOLLOWS:

**General Statement**

PBA is a public entity established by the County and the City. It is charged with the responsibility of acting in the best interests of the City and County and their citizens. Accordingly, PBA's directors, officers and employees are held to the highest ethical standards and should:

- (i) conduct PBA's affairs honestly, fairly, impartially and in good faith;
- (ii) avoid all situations that might lead to a real or apparent, material conflict between self-interest and the duties and responsibilities as an employee, officer or director;
- (iii) exercise good judgment to act within the spirit, as well as the letter, of this Code of Ethics, and seek guidance from appropriate persons, when necessary to follow an appropriate course of conduct; and
- (iv) take care to avoid any appearance of impropriety, and any circumstances that may raise questions about PBA's honesty, impartiality, or reputation or otherwise cause embarrassment to PBA.

**Section 1. Definitions**

- 1.1 "PBA" means the entity which currently develops, constructs, owns, and/or maintains certain facilities on behalf of the City of Knoxville and Knox County pursuant to operating contracts with those entities.
- 1.2 "Covered Persons" means PBA personnel consisting of all full-time and part-time appointed officials and employees (whether compensated or not), including PBA's directors and officers and the members of any separate board, commission, committee, authority, corporation, or other instrumentality appointed or created by PBA.
- 1.3 "Personal interest" means, for the purpose of disclosure of personal interests in accordance with this Code of Ethics:
  - (a) Any financial, ownership, or employment interest in the subject of a vote by PBA not otherwise regulated by state statutes on conflicts of interests; or
  - (b) Any financial, ownership, or employment interest in a matter to be regulated, supervised, or otherwise acted on in an official capacity; or
  - (c) Any such financial, ownership, or employment interest of the Covered Person's spouse, parent(s), stepparent(s), grandparent(s), sibling(s), child(ren), stepchild(ren), nieces, nephews, and those related to a Covered Person by marriage.
  - (d) The words "employment interest" include a situation in which a Covered Person or a designated family member is negotiating possible employment with a person or organization that is the subject of the vote or that is to be regulated or supervised.

- 1.3 "Ethics Officer" means PBA's ethics officer, who will be appointed to a four-year term by the Board of Directors of PBA. - 2.2 In addition, the Covered Person shall recuse himself or herself from voting on the measure unless, in the judgment of the Ethics Officer, such personal interest is deemed to be de minimis, in which case recusal from voting on the measure is permissive rather than mandatory. In all other instances of a personal interest, following the disclosure thereof, the Covered Person shall recuse himself or herself from voting on the measure.

## **Section 3. Disclosure of Personal Interest in Nonvoting Matters.**

- 3.1 A Covered Person who must exercise discretion relative to any matter other than casting a vote, and who has a personal interest in the matter that affects, or that would lead a reasonable person to infer that it affects, the exercise of the discretion, shall disclose, before the exercise of the discretion when possible, the interest. In addition, the Covered Person shall recuse himself or herself from the exercise of discretion in the matter. The Covered Person shall disclose the personal interest to the Ethics Officer, unless the Covered Person is an employee, in which case the employee shall disclose the interest in accordance with PBA's human resources policies and the reporting structure then in effect.
- 3.2 A Covered Person who has a personal interest or potential personal interest in a project with which PBA is involved, whether or not PBA may or may not be directly involved in any direct transaction with the Covered Person, should disclose that interest as required by Section 3.1 as soon as he/she is aware of the circumstances. The Ethics Officer, or PBA's management, as the case may be, may then recommend to the Board or Administrator that PBA withdraw from involvement in the project or may simply disclose the interest or potential interest to the Board of Directors for its consideration.

## **Section 4. Acceptance of Money, Gifts and Gratuities.**

## **Section 9. Ethics Complaints.**

- 9.1 Questions and complaints regarding violations of this Code of Ethics or of any violation of state law governing ethical conduct should be directed to the Ethics Officer, who is designated and appointed by PBA's Board of Directors. If the Ethics Officer is the subject of an alleged violation, the question or complaint shall be directed to the Chair of the Board of Directors, who may exercise any of the authority and powers vested in the Ethics Officer under this Section.
- 9.2 Except as otherwise provided in this Section 9, the Ethics Officer shall hear, review, and investigate any credible complaint against an appointed official or employee charging any violation of this Code, or may undertake an investigation on his or her own initiative when he or she acquires information indicating a possible violation. The Ethics Officer may render an oral or written advisory ethics opinion based upon this Code and other applicable law, and may make recommendations for action to end or seek retribution for any activity that, in the Ethics Officer's judgment, constitutes a violation of this Code of Ethics.
- 9.3 The Ethics Officer may request that the Board of Directors establish a separate Ethics Committee to aid in the hearing, review, and investigation of, as well as the formation of a final opinion on, any credible complaint. In all phases of investigation and review, the Ethics Officer is encouraged to consult PBA's General Counsel regarding the final opinion rendered and any further action to be taken.
- 9.4 The Ethics Officer may recommend that PBA's General Counsel hire another attorney, individual, or entity to act as ethics officer when he or she has or will have a conflict of interest in a particular matter. The Ethics Officer may also proceed with review of the matter, and make an advisory report and recommendation to the full Board of Directors. The Ethics Officer may additionally request that the General Counsel participate in this meeting, and the Counsel may render opinions on the alleged conflict of interest.
- 9.5 The interpretation that a reasonable person in the circumstances would apply shall be used in interpreting and enforcing this Code of Ethics.
- 9.6 When a violation of this Code of Ethics also constitutes a violation of a personnel policy, rule, or regulation, or a civil service policy, rule, or regulation, the violation shall be dealt with as a violation of the personnel or civil service provisions rather than as a violation of this Code of Ethics.

In addition to the ethical principles set out in this Code of Ethics, state laws also provide a framework for the ethical behavior of Covered Persons in the performance of their duties. Covered Persons should familiarize themselves with the state laws applicable to their office or position and the performance of their duties. To the extent that an issue is addressed by state law (law of general application, public law of local application, local option law, or private act), the provisions of that state law, to the extent they are more restrictive, shall control.

**TENNESSEE CODE ANNOTATED TITLE 50 EMPLOYER AND EMPLOYEE**  
**CHAPTER 9 DRUG-FREE WORKPLACE PROGRAMS**  
**Current through the 2021 First Extraordinary and the 2021 Regular Sessions**

**§ 50-9-101**

(a) It is the intent of the general assembly to promote drug-free workplaces in order that employers in this state be afforded the opportunity to maximize their levels of productivity, enhance their competitive positions in the marketplace and reach their desired levels of success without experiencing the costs, delays and tragedies associated with work-related accidents resulting from drug or alcohol abuse by employees. It is also the intent of the general assembly that employers obtaining certification as a drug-free workplace under rules promulgated by the bureau should be able to renew that certification on an annual basis without requiring repeated annual training of existing employees; provided, however, the employer certifies on a form prescribed by the bureau that all existing employees have undergone training at least once and have acknowledged annually in writing the existence of the employer's drug-free workplace policy. It is further the intent of the general assembly that drug and alcohol abuse be discouraged and that employees who choose to engage in drug or alcohol abuse face the risk of unemployment and the forfeiture of workers' compensation benefits.

(b) If an employer implements a drug-free workplace program in accordance with this chapter, which includes notice, education and procedural requirements for testing for drugs and alcohol pursuant to rules developed by the division, the covered employer may require the employee to submit to a test for the presence of drugs or alcohol and, if a drug or alcohol is found to be present in the employee's system at a level prescribed by statute or by rule adopted pursuant to this chapter, the employee may be terminated and forfeits eligibility for workers' compensation medical and indemnity benefits. However, a drug-free workplace program must require the covered employer to notify all employees that it is a condition of employment for an employee to refrain from reporting to work or working with the presence of drugs or alcohol in the employee's body and, if an injured employee refuses to submit to a test for drugs or alcohol, the employee forfeits eligibility for workers' compensation medical and indemnity benefits.

**§ 50-9-113 State and local government construction contracts**

(a) Each employer with five (5) or more employees receiving pay who contracts with the state or any local government to provide construction services or who is awarded a contract to provide construction services or who provides construction services to the state or local government shall submit an affidavit stating that the employer has a drug-free workplace program that complies with this chapter, in effect at the time of the submission of a bid at least to the extent required of governmental entities. Any private employer that certifies compliance with the drug-free workplace program, only to the extent required by this section, shall not receive any reduction in workers' compensation premiums and shall not be entitled to any other benefit provided by compliance with the drug-free workplace program set forth in this chapter. Nothing in this section shall be construed to reduce or diminish the rights or privileges of any private employer who has a drug-free workplace program that fully complies with this chapter. For purposes of compliance with this section, any private employer shall obtain a certificate of compliance with the applicable portions of the Drug-free Workplace Act from the department of labor and workforce development. No local government or state governmental entity shall enter into any contract or award a contract for construction services with an employer who does not comply with this section.

(b) If it is determined that an employer subject to this section has entered into a contract with a local government or state agency and the employer does not have a drug-free workplace pursuant to this section, the employer shall be prohibited from entering into another contract with any local government or state agency until the employer can prove compliance with the drug-free workplace program pursuant to this section. If the same employer again contracts with any local government or state agency and does not have a drug-free workplace program pursuant to this section, then the employer shall be prohibited from entering into another contract with any local government or state agency for not less than three (3) months from the date the violation was discovered and verified and shall be prohibited from entering into another contract until the employer complies with the drug-free workplace program pursuant to this section. If the same employer for a third time contracts with any local government or state agency and does not have a drug-free workplace program pursuant to this section, then the employer shall be prohibited from entering into another contract with any local government or state agency for not less than one (1) year from the date the violation was discovered and verified and shall be prohibited from entering into another contract until the employer complies with the drug-free workplace program pursuant to this section.

(c) A written affidavit by the principal officer of a covered employer provided to a local government at the time the bid or contract is submitted stating that the employer is in compliance with this section shall absolve the local government of all further responsibility under this section and any liability arising from the employer's compliance or failure of compliance with this section.

(d) For the purposes of this section, "employer" does not include any utility or unit of local government. "Employer" includes any private company or corporation.

**A. Federal Transportation Administration Clauses**

**1. Add the following FTA Terms, Conditions and Required Submittals**

**a. Federal Requirements for Contracts Funded by the Federal Transit Administration.**

Note the awarded contract will be partially funded by Federal Transit Administration grants provided through the City of Knoxville to the Public Building Authority. The awarded contractor must agree and comply with the following required federal contract clauses and certifications.

**b. No Government Obligation to Third Parties.**

- i. The Public Building Authority and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to the Public Building Authority, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.
- ii. The Contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

**c. Program Fraud and False or Fraudulent Statements and Related Acts.**

- i. The Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § 3801 et seq. and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to this Project. Upon execution of the underlying contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, the Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Contractor to the extent the Federal Government deems appropriate.
- ii. The Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1) on the Contractor, to the extent the Federal Government deems appropriate.
- iii. The Contractor agrees to include the above two clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

**d. Access to Records and Reports.**

The following access to records requirements apply to this Contract:

- i. **Record Retention.** The Contractor will retain, and will require its subcontractors of all tiers to retain, complete and readily accessible records related in whole or in part to the contract, including, but not limited to, data, documents, reports, statistics, sub-agreements, leases, subcontracts, arrangements, other third-party agreements of any type, and supporting materials related to those records.

Initials \_\_\_\_\_

- ii. Retention Period. The Contractor agrees to comply with the record retention requirements in accordance with 2 C.F.R. § 200.333. The Contractor shall maintain all books, records, accounts and reports required under this Contract for a period of at not less than three (3) years after the date of termination or expiration of this Contract, except in the event of litigation or settlement of claims arising from the performance of this Contract, in which case records shall be maintained until the disposition of all such litigation, appeals, claims or exceptions related thereto.
- iii. Access to Records. The Contractor agrees to provide sufficient access to FTA and its contractors to inspect and audit records and information related to performance of this contract as reasonably may be required.
- iv. Access to the Sites of Performance. The Contractor agrees to permit FTA and its contractor's access to the sites of performance under this contract as reasonably may be required.

**e. Federal Changes.**

The contractor shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Master Agreement between the Public Building Authority and FTA, as they may be amended or promulgated from time to time during the term of this contract. The contractor's failure to so comply shall constitute a material breach of this contract.

**f. Termination.**

- i. The Public Building Authority may terminate this Agreement at any time, with or without cause, by written notice of termination to the Contractor. If the Public Building Authority terminates this Agreement, and such termination is not a result of a default by the Contractor, the Contractor shall be entitled to receive as its sole and exclusive remedy the following amounts from the Public Building Authority, and the Public Building Authority shall have no further or other obligations to the Contractor: (a) The amount due to the Contractor for work executed through the date of termination, not including any future fees, profits, or other compensation or payments which the Contractor would have been entitled to receive if the Project had not been terminated; and (b) the direct out-of-pocket costs incurred by the Contractor for demobilization of the Project following receipt of the notice of termination, not to exceed the amount reasonably and actually required to demobilize the Project.
- ii. The Public Building Authority may, by written notice of default to the Contractor, terminate the whole or any part of this contract if the Contractor fails to make delivery of the supplies or to perform any of the other material provisions of the contract as determined by the Public Building Authority, or so fails to make progress as to endanger performance of this contract in accordance with its terms, and in either of these two circumstances does not cure such failure within a period of 10 days (or such longer period as the Purchasing Agent may authorize in writing) after receipt of notice from the Purchasing Agent specifying such failure. If the contract is terminated in whole or in part for default, the Public Building Authority may procure, upon such terms and in such manner as the Purchasing Agent may deem appropriate, supplies of services similar to those terminated. If the contract is terminated in whole or in part for default, the Public Building Authority may procure, upon such terms and in such manner as the Purchasing Agent may deem appropriate, supplies of services similar to those terminated.
- iii. If, after notice of termination of this contract under the provisions of this clause, it is determined for any reason that the Contractor was not in default under the provisions of this clause, or that the default was excusable under the provisions of this clause, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to termination for convenience of the Public Building Authority.
- iv. The rights and remedies of the Public Building Authority provided in this clause shall not be exclusive and are in addition to any other right and remedies provided by law or under this contract.

Initials \_\_\_\_\_

- 1) Withholding progress payments;
  - 2) Assessing sanctions;
  - 3) Liquidated damages; and/or
  - 4) Disqualifying the contractor from future bidding as non-responsible. (49 CFR 26.13(b)).
- iii. Each subcontract the contractor signs with a subcontractor must include the assurance in the subparagraph above (see 49 CFR 26.13(b)). The successful bidder/offeror will be required to report its DBE participation obtained through race-neutral means throughout the period of performance.
  - iv. All bidders/proposers are required to submit the **Subcontractor Information Form** below.   - v. The contractor is required to pay **all of its subcontractors** performing work related to this contract for satisfactory performance of that work no later than 30 days after the contractor's receipt of payment for that work from the Public Building Authority. Delays in payment must be approved in writing by the Public Building Authority. In addition, the contractor may not hold retainage from its subcontractors.
  - vi. The contractor must promptly notify the Public Building Authority, whenever a DBE subcontractor performing work related to this contract is terminated or fails to complete its work and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work. The contractor may not terminate any DBE subcontractor and perform that work through its own forces or those of an affiliate without prior written consent of the Public Building Authority.
- i. **Incorporation of Federal Transit Administration (FTA) Terms** - Incorporation of Federal Transit Administration (FTA) Terms - The preceding provisions include, in part, certain Standard Terms and Conditions required by DOT, whether or not expressly set forth in the preceding contract provisions. All contractual provisions required by DOT, as set forth in FTA Circular 4220.1F, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. The Contractor shall not perform any act, fail to perform any act, or refuse to comply with any Public Building Authority requests, which would cause the Public Building Authority to be in violation of the FTA terms and conditions.
- j. **Government-Wide Debarment and Suspension.**
    - i. The Contractor shall comply and facilitate compliance with U.S. DOT regulations, "Nonprocurement Suspension and Debarment," 2 C.F.R. part 1200, which adopts and supplements the U.S. Office of Management and Budget (U.S. OMB) "Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement)," 2 C.F.R. part 180. These provisions apply to each contract at any tier of \$25,000 or more, and to each contract at any tier for a federally required audit (irrespective of the contract amount), and to each contract at any tier that must be approved by an FTA official irrespective of the contract amount. As such, the Contractor shall verify that its principals, affiliates, and subcontractors are eligible to participate in this federally funded contract and are not presently declared by any Federal department or agency to be:
      - 1) Debarred from participation in any federally assisted Award;
      - 2) Suspended from participation in any federally assisted Award;
      - 3) Proposed for debarment from participation in any federally assisted Award;

- 5) Voluntarily excluded from participation in any federally assisted Award; or
  - 6) Disqualified from participation in any federally assisted Award.
- ii. By signing and submitting its bid or proposal, the bidder or proposer certifies as follows:

The certification in this clause is a material representation of fact relied upon by the Public Building Authority. If it is later determined by the Public Building Authority that the bidder or proposer knowingly rendered an erroneous certification, in addition to remedies available to the Public Building Authority, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. part 180, subpart C, as supplemented by 2 C.F.R. part 1200, while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

**k. Breaches and Dispute Resolution.**

1. The Public Building Authority shall have the following rights in the event that the Public Building Authority deems the Contractor guilty of a breach of any term under the Contract.
  - i. The right to take over and complete the work or any part thereof as agency for and at the expense of the Contractor, either directly or through other contractors;
  - ii. The right to cancel this Contract as to any or all of the work yet to be performed;
  - iii. The right to specific performance, an injunction or any other appropriate equitable remedy; and
  - iv. The right to money damages.
2. Inasmuch as the Contractor can be adequately compensated by money damages for any breach of this Contract, which may be committed by the Public Building Authority, the Contractor expressly agrees that no default, act or omission of the Public Building Authority shall constitute a material breach of this Contract, entitling Contractor to cancel or rescind the Contract (unless the Public Building Authority directs Contractor to do so) or to suspend or abandon performance.
3. Substantial failure of the Contractor to complete the Project in accordance with the terms of this Agreement will be a default of this Agreement. In the event of a default, the Public Building Authority will have all remedies in law and equity, including the right to specific performance, without further assistance, and the rights to termination or suspension as provided herein. The Contractor recognizes that in the event of a breach of this Agreement by the Contractor before the Public Building Authority takes action contemplated herein, the Public Building Authority will provide the Contractor with thirty (30) days written notice that the Public Building Authority considers that such a breach has occurred and will provide the Contractor a reasonable period of time to respond and to take necessary corrective action.
4. Disputes arising in the performance of this Contract that are not resolved by agreement of the parties shall be decided in writing by the authorized representative of Public Building Authority's Purchasing Agent. This decision shall be final and conclusive unless within [10] days from the date of receipt of its copy, the Contractor mails or otherwise furnishes a written appeal to the Purchasing Agent. In connection with any such appeal, the Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of the Purchasing Agent shall be binding upon the Contractor and the Contractor shall abide by the decision.
