General Information

1. **BACKGROUND AND INTENT**

- a. Knoxville's Community Development Corporation (KCDC) is the public housing and redevelopment agency for the City of Knoxville and for the County of Knox in Tennessee. KCDC's public housing property portfolio includes 20 sites with approximately 3,525 dwelling units. KCDC also administers approximately 3958 Section 8 Vouchers, 82 Moderate Rehabilitation units and 20 Redevelopment areas.
- b. KCDC intends for this solicitation to result in the selection of one supplier to meet our electronic door access installation and repair needs. Upon award, sites will create requisitions using KCDC's catalog software and the system will auto create purchase orders (based upon the award specifics) that they will use to request services as they are needed. Work is not to commence until a KCDC purchase order is received by the supplier. Emergency service provisions do exist and will be used if truly needed by KCDC.
- c. KCDC envisions the winner of this solicitation being on call, at a predetermined cost, whenever KCDC needs door, electronic access systems or other similar installations or repairs.
- d. Generally electronic door repair services occur at Cagle Terrace, Isabella Towers, Love Towers and Northgate Terrace. This does not mean that other KCDC sites might not need these services in the future. Additionally, KCDC intends for this award to be as broad as possible and it may cover the installation of new electronic doors if desired.
- e. KCDC also desires a price and description of a preventative maintenance program for the electronic doors at the four sites referenced above, with a list of covered services.
- f. Below are actual descriptions of the work that has been performed in the past. This information is intended to be descriptive of the type of work that may be required. It is not intended to be an all-inclusive list.
 - Cannot open the door from the outside - replaced door handle.
 - Door will not open - post broken on surface box.
 - Door would not stay closed - replaced PIR Rex on entrance door.
 - Lobby door will not lock – swapped relay contacts on PIR and adjusted range.
 - Front entrance remote does not work.
 - Front door not locking - replaced PIR sensor.
 - Resident knocked door off hinges - set door back on pivot, lubricated pivots and replaced missing bolt on arm.

 - Installed Horton 8000 Operator.
 - Installed center pivot and three foot long bar stock.

- Main entrance door was not working – repaired wire in tele-entry power unit.
- Bottom pivot was worn out - replaced the pivot.
- Basement door would not lock - adjusted closer speeds where the doors were slamming and repaired DRS rubbing frame that was loose.
- Tightened the pivot on the door and put screws in Horton 7000 and adjusted manual door so it would not 'hang' on the threshold.
- Exit door would not lock - replaced dogging assembly on left door.
- Back door would not lock - reset sequencer on outer door and remounted operator that was loose at the inner door.
- Replaced MC25 relay.
- Emergency exit door repair - bottom latch stuck on one and the top rod had to adjusted on the other.
- Replaced MC65 Door Sequencer.
- Panic screws had been stripped - remounted panic device and checked time delay.

g. KCDC utilizes the “catalog” function of its financial software. This enables KCDC employees to quickly and easily place one item orders for items that are on contract. Please note:

1. KCDC issues individual purchase orders for specific orders.
2. KCDC transmits purchase orders via email.

2. **CHANGES AFTER AWARD**

It is possible that after award KCDC will need to revise the service needs or requirements specified in this document. KCDC reserves the right to make such changes after consultation with the supplier. Should additional costs arise, the supplier must document increased costs. KCDC reserves the right to accept and negotiate these charges.

3. **EVALUATION**

KCDC will arrive at the “lowest and best” solution for the final award. This may not entail simply awarding to the supplier quoting the lowest cost. All responses are subject to a determination of “responsive” and “responsible” prior to award. KCDC is the sole judge as to supplier “responsiveness” and “responsibility.” KCDC reserves the right to request additional information to assist in the evaluation process. This includes references and business capacity information. Supplier’s location relative to KCDC locations will be a factor in the evaluation.

4. **GENERAL INSTRUCTIONS**

KCDC does not insert “General Instructions to Suppliers” in solicitation documents. These instructions are at www.kcdc.org. Click on “Procurement” and the link to the instructions. The supplier’s submittal means acceptance of the terms and conditions set forth in KCDC’s “General Instructions to Suppliers.”
