The parties also recognize the delays, expense and difficulties involved in proving in a legal proceeding the actual loss suffered by the OWNER if the Work is not substantially complete on time. Accordingly, instead of requiring any such proof, OWNER and CONTRACTOR agree that as liquidated damages for delay (but not as a penalty) CONTRACTOR shall pay OWNER \$500.00 (Five Hundred Dollars) for each day that expires after the time specified in Paragraph 3.1 for Substantial Completion until the Work is substantially complete, and that the liquidated damages set forth herein bear a reasonable relationship to the estimated actual damages that the OWNER would suffer.

Except as otherwise directed by the City Public Services Director, or in the case of termination for default (in which event the Contractor may be entitled to cure, at the option of the City Public Services Director), the Contractor shall stop work on the date of receipt of the notice or other date specified in the notice, place no further orders or subcontract for materials, services, or facilities except as are necessary for the completion of such portion of the work not terminated, and terminate all contractor and subcontracts and settle all outstanding liabilities and claims.

The performance of work under this Contract may be terminated by the City Public Services Director in whole or in part whenever the City Public Services Director, in his discretion, determines that such termination is in the City's best interest. Any such termination shall be effected by the City Public Services Director giving at least five (5) days' notice to the Contractor, specifying the extent to which performance of the work under this Contract is terminated and the date upon which such termination becomes effective.
