The City of Chattanooga, Tennessee, the "City", invites all interested firms to submit their bid for Waste Tire Disposal

Provide two 45-foot closed box trailers (appropriately licensed and permitted) to be located at 900 East 11th Street, City Wide Services and 3102 Elmendorf Circle, Fleet Div. II. The contractor, at its discretion, may provide larger trailers (up to 53-foot) to maximize efficiency.

Transport of trailers filled by the City (or others) to a processing facility operation within TDEC regulations/criteria.

The contractor shall be responsible for obtaining certified weights for all waste tires received for processing/beneficial end-use.

The City will be responsible for loading tires dropped off at the collection site into each trailer. The Contractor is expected to pick up each trailer and station and empty trailer within forty eight (48) hours of receiving a pick up request from the City. The Contractor shall provide a local or toll free telephone number to schedule the pickups.

If needed, the City will provide its own trailer at the 900 East 11th Street or designated site for the overflow of tires. The Contractor shall off load tires from City trailer to their route truck and hauler on a scheduled basis.

All trailers provided by the Contractor shall remain the property of the Contractor and the Contractor shall remain responsible, at its expense, for the maintenance and repair of said equipment. The Contractor shall procure and maintain the necessary and proper insurance to protect its sole interest in said equipment.

The City shall be invoiced per ton monthly showing the actual tonnage for each trailer.
