

Spalding County RFP 2022-004 Comprehensive Plan Update Questions

The following questions have been submitted for clarification. Please note the answers are in red.

Regarding item 4 Capital Improvements on page 4:

1. Does the County intend to fully update the 2017 CIE document, to include an extension of the planning period, recalculation of the Level of Service Standards, determination of new eligible costs (i.e., the extent to which each project is impact fee eligible), and an updated list of projects that are eligible for impact fee funding (along with an updated 5-Year Community Work Program)? **Yes**
2. Does the County intend to update the fee schedule for its impact fee program? **Yes, we would ask to engage the Consultants to review and update our fee schedule.**
